La Grande has gone "over the top." To clinch its proud position as the first chapter district to complete its war fund quota for the second Red Cross war fund drive, citizens of La Grande yesterday whipped together \$33,000 to underwrite Union and Walowa counties' quotas.

"We are so sure of making our quota that we have the money ready to prove ur claims before we solicit a single person," said E. E. Kiddle, campaign nanager for the chapter district, to H. E. Witham, state campaign manager, over the telephone.

"But you know we come from Missouri," remarked Mr. Witham.

Affidavit Proves Claim. The telephone went up with a bang. Twenty minutes later the following affidavit was received by telegraph:
