Lane to Dedicate Monument.

WASHINGTON, May 17.—Secretary Lane, now en route west on an inspection trip, which may extend to Hawaii, will dedicate next Monday the Powell monument on the rim of the Grand Canyon of the Colorado, commemorating Major John Wesley Powell's first passage of the canyon in 1869. No members of that expedition survive. Three survivors of the later expedition of 1871 have been invited. They are S. V. Jones, South Dakota; F. S. Dellenbach, New York; and J. K. Hillers, Washington, D. C. The memorial is a stone altar supporting a bronze tablet.

PHONE CHANGE SOUGHT

COMPANY'S "AIR-LINE" DISTANCES HELD INACCURATE.
Hearing in Behalf of City Before Public Service Commission Set for Tuesday.

Change in the Application of the New Air-Line Toll System Adopted in Oregon by the Pacific Telephone & Telegraph Company will be sought by the City Council at a hearing before the Public Service Commission Tuesday.

The city will be represented at the hearing by Deputy City Attorney Tomlinson and Edward M. Cousins, traffic expert. Both officials have worked for more than a month compiling data and information to be presented to the commission.
Mr. Cousins contended that the telephone company has erred in many instances in the matter of distance, and in almost every case, Mr. Cousins asserts, the mistake has been in favor of the company.
The new system was put into effect in Oregon following its inauguration in other Pacific Coast states. The charges are based on the air-line distance between the two points used in telephone conversation. This plan, it was held, would eliminate discrimination between points and place all cities on the same basis.
The city officials have no objection to the new plan, agreeing that it is fair and equitable, but their contention involves its application. Under the present plan they claim that the company's revenue on business originating in Portland has increased \$2000 monthly.

Arrested Men Carry Jewelry.

YAKIMA, Wash., May 17.—(Special.)—Fred Sparks and James Montrose, arrested last night by the Yakima police, carried a quantity of jewelry and other articles of similar character, believed to have been stolen. The collection included gold rings, gold bracelets, a watch, necklace, cameo pin, sapphire pin, nugget pin, charms, Greek fraternity pins, etc.

Cripple Killed Plowing

Charles Marshall Found Dead in Field With Dead Horse on Him.
PASCO, Wash., May 17.—(Special.)—Coroner H. B. O'Brien and Undertaker Fitzpatrick were called into the country about 20 miles Wednesday afternoon to take charge of the body of Charles Marshall, who had been killed in some manner while plowing.
Mr. Marshall, who was a cripple, evidently had had some trouble with his horses, as when found he was under the plow, dead, one horse, which was dead, lying on top of him and the other lying by his side, unable to get up.
Mr. Marshall, who was a man about 30 years of age, lived with his mother on a ranch between here and Kalhotus, his father having died about a year ago.

Draft Slacker Is Jailed.

HOOD RIVER, Or., May 17.—(Special.)—John Ostlund, slacker, was arrested today by authorities at Dickerson, N. D., according to a telegram received by Sheriff Johnson. Ostlund registered from Cascade Locks. He failed to reply to his questionnaire or to appear for physical examination on notification of the local exemption board.

CARLTON IS THRONGED

NEARLY 1000 PEOPLE WITNESS DEDICATION OF FLAG.
Service Banner Has 55 Stars, All Save One, Representing Volunteers in Service.

CARLTON, Or., May 17.—(Special.)

Close to 1000 people from McMinnville, Lafayette, Dayton and Yamhill gathered at Carlton last evening to witness the dedication of its service flag. The flag bears 55 stars, all except one representing volunteers now in service. The programme included instrumental music by the Dayton band, singing by the Liberty Girls and Boy Scouts of McMinnville, the Dayton High School Girls' Glee Club and a quartet from Yamhill.
Messrs. Tony and Knight, of McMinnville, and Dennis and Brady, of Carlton, made four-minute talks in behalf of the Red Cross campaign.
Quite a jump for Rupert Julian, from playing the Kaiser in the picture of that name to playing a detective in "The Shadowed Man." It merely shows his versatility.

"Makes Little Ones Glad, Doesn't Taste Bad."

FOLEY'S HONEY AND TAR

A MOTHER wants to be sure and certain that the medicine she gives her child is safe. She wants no opiates or habit-forming drugs. She wants a medicine that she knows other mothers have used with satisfaction and success.
Mothers Commend Foley's
Such a family cough and cold remedy is Foley's Honey and Tar Compound. It meets squarely and satisfactorily every demand a mother can make as to purity and wholesomeness. It is cleanly made of the very best ingredients which she would use herself if she could always get them in a fresh and pure condition.
When she insists on Foley's Honey and Tar she gets at a moderate price (less than she would pay if she bought the ingredients at retail and mixed herself) a standard medicine that has been used successfully in thousands of homes for many years—a medicine that experience proves is the best she can buy.

Safest For Children

Mother who have used it know Foley's is safe and no harm will come even if an over-dose is given by accident. It tastes good and won't injure the most delicate stomach. It promptly checks coughs, colds and croup. It should be kept in the family medicine chest the year 'round—always ready when needed.
