

SPEED KINGS TO BE CROWNED THURSDAY

Decoration Day Motorcycle Races Promise to Be Full of Keen Competition.

STARS TO VIE FOR HONORS

Rose City Speedway to Be Scene of High-Class Events Between Best Riders in West—Tacoma and Seattle to Send Crowd.

The eighth annual Memorial day motorcycle races will be held at the Rose City speedway tomorrow, the programme of 10 speed events being under the auspices of the Rose City Motorcycle Club.

The races last year were a great success, from both a racing and a financial standpoint and every event was closely contested from start to finish.

Letters have been received from Seattle and Tacoma stating that nearly 200 riders and enthusiasts will ride to Portland on their cycles for the races.

The local riders have been training hard for nearly two months, and by the looks of the speed that the home boys have been making on Sunday they are bound to make things interesting for the best of the invading speed demons.

The programme of 10 motorcycle races will commence promptly at 2 P. M. As an extra attraction for this year there will also be a programme of old-fashioned bicycle races, which will start at 1 P. M.

The safety of the public has been looked after by the racing committee, who has written a special request to Chief of Police Johnson to have Sergeant Irvin and his motorcycle squad on deck to keep the crowds from crossing the track.

Motion-picture operators have asked permission to film the events. The programme is arranged as follows:

Race 1—For Lightweight Clevelands only (1 mile).

Race 2—25-H. P. Lightweights (2 miles).

Race 3—H. P. Novics (5 miles).

Race 4—4-H. P. Novics (10 miles).

Race 5—H. P. Strip stock (15 miles).

Race 6—Shipyard relay (8 or 10 miles).

First Round of Interscholastic Games Played.

WASHINGTON TAKES LEAD

East Side Players Take All Matches Entered—Girls Put Up Good Exhibitions and Hard-Fought Contests—Games Show Class.

The first round of interscholastic tennis, which in some cases was the semi-finals, was played on the Multnomah Field yesterday afternoon under the supervision of J. H. Mackie, chairman of the Multnomah tennis committee.

When the match between the two teams was over, the girls of the Washington team were much better than in any year previous.

Manager Fisher's aggregation appears to have been materially strengthened by the addition of Shortstop Dauber, Outfielder Daniels and Pitcher McNoran.

Art Ritter, a Portland lad, tried to hold down the job, and while he handled the ball well, he fell down badly in the pinches and was responsible for the Buckaroos handing the game to their opponents.

With Fisher on first, Haney at second, Dauber holding down the shortstop job and Kibbe cavoring at third, the Buckaroos finished with one hit and a score of a stonewall aggregation.

When Walter McCredie and his Salt Lake Bees visited Sacramento last week and left the Capital City with the short end of the series it must have been an awful blow to the players.

With such rare "knot-getters" as Denny White, Gus Fisher, Rodgers and Griggs and last, but not least, Harry Dauber, the team has the appearance of a team that is a safe bet that Walter wished he was "over seas" in the first-line trenches after the Senators finished with him last Sunday night.

Allan Sutton, Sothorn, St. Louis pitcher, who has been in the line-up for the Portland Beavers, pulled a new record in baseball recently when he pitched but three balls in the fourth inning of a game with the Yankees.

As a special gift from the American League \$5000 worth of baseball material was shipped to the American soldiers in France. This gift was exclusive of the work being carried on by Mark Griffith with his "bat No 2" fund.

The Red Cross appealed to the American League, and it got quick results. President E. B. Johnson to appropriate \$5000 to the cause, and before the day was over Mr. Johnson had ordered the goods to be packed and ready for shipment.

The following paraphernalia was shipped to the soldier laddies "over there": 2000 bats, 2000 baseballs, 2000 balls, 50 first baseman mitts, 100 catcher's mitts, 150 fielding mitts, 100 chest protectors, 50 masks.
