

SPENCER EFFECTED MASTER OF GRANGE

Friends of Winner Hold Back Announcement of Result From Members.

UNITY RESOLUTION PASSED

Salary of \$1200 Voted, With \$1500 for Traveling Expenses, Thought by Some to Give Opportunity for Spreading Propaganda.

(Continued From First Page.)

ingly declared today that the firmness of this excuse became palpable in light of the resolution which was thrust before the membership today with all but a chosen few of the Grangers voting in the dark.

Master Spence was reported as saying to his friends that he was particularly anxious that no word of the resolution and the discussion surrounding it should creep through the closed doors of the meeting chambers.

Other Officers Elected. C. D. Huffman, of Le Grande, was re-elected overseer over H. C. Wheeler, of Eugene, and Mrs. Zella Fischer, of Salem. Mrs. Minnie E. Bond, of Eugene, had no opposition for the place of lecturer.

Mrs. Mary S. Howard, of Mulino, was re-elected secretary over a large field. Mrs. C. H. Bailey, of Roseburg, being her nearest competitor. Charles H. Hays, of Washington County, was elected assistant steward and Cyrus H. Walker, of Albany, chaplain. Mr. Walker was the only candidate on the entire ticket to receive every vote of the Grange.

Other officers were as follows: Gatekeeper, C. C. Norland, Clackamas. Caretaker, Mrs. C. C. Norland, Clackamas. Treasurer, Miss Goldeth Combs, Lin. flor. Mrs. J. C. Leedy, Washington. Lady assistant steward, Dorothy Hays, Washington. Executive committee, B. G. Leedy, Corvallis. Legislative committee, M. W. Burdett, Wasco, and Ray C. Mulmah.

Walter Pierce Arrives. Walter Pierce, Democratic candidate for Governor, whose name has been frequently linked with the Non-Partisan League, arrived here last night too late to join in the discussion of the Non-Partisan League resolution, but in time to cast his vote for Spence, who made a strong appeal for the league yesterday.

Even close friends of Mr. Spence now declare that the Grange has given him an opening to boost the Non-Partisan League throughout the state. The Grange, by passing a resolution providing a salary of \$1200 a year for Spence so that he could devote his entire time to the master's job, and giving him \$150 extra as expenses will offer an opportunity to visit every Grange in the state. One of Spence's closest friends in the organization made the assertion that Spence, through the opening given him, may visit the various Granges, spread Non-Partisan League propaganda as he goes and incidentally make an effort to gather a following for Walter Pierce.

Candidate Builds Fences. Mr. Pierce was around among the Grangers today and unquestionably he is building his fences for the gubernatorial campaign which is looming ahead for the coming fall. Assertions have been made in the lobbies here by members of the Grange that Mr. Spence and Mr. Pierce are working hand in glove in their support of the Non-Partisan League and hope to use this in furthering their cause in the gubernatorial election. Mr. Spence came as a decided surprise to many of the friends of Johnson, following Spence's impassioned plea for the league in connection with the anti-Non-Partisan League resolution of yesterday and the overwhelming vote which was accorded the resolution, squarely in the face of the Spence support.

Memorial Services Held. This afternoon services were held in memory of the following members who have died: W. M. Hilsary, Mrs. Anna Carter, Marion; Benjamin Schofield, Washington; Mrs. Jane Buchanan, Multnomah; George Lazelle, Clackamas; Mrs. W. E. Anderson, Lin. Mr. Whitaker, Benton; Charles Miller, Washington; R. F. Owen, Washington; R. H. Wellman, Union; Mrs. M. E. Hood, Hood River; R. P. Burns, Columbia.

Memorial services also were held in memory of a number of boys from the various Granges who have died either in Europe or on their way there. Walter Pierce had charge of these services. Reports were received today from Ceres; Mrs. Lizzie Withers, Amity; Flora, Mrs. Heister Covert, Ona, and the Woman's Work Committee, Mrs. Florence A. Dickinson, Oswego; Mrs. Lulu E. Miller, Albany, and Mrs. Gertrude Blanchard, Grants Pass. The report of the transportation committee.

DO YOU WAKE UP, TIRED?

When you awake in the morning feeling tired out, feeling worse in fact than when you went to bed, you are confronted with one of the characteristic symptoms of neurasthenia. It is due to the run-down condition of the nerves that rest does not bring renewed strength and sleep refreshes the tired brain. Overwork and worry are the most frequent causes of this condition. Neurasthenia is the name given to this common form of nervous debility in which the power to recuperate is gone. The blood can be built up so that it will increase the supply of needed elements, to the wasted nerves and this is the only way that the nerves can be reached. Dr. Williams' Pink Pills are a tonic that especially builds up the nerves because they supply to the blood the elements that the nerves need. Many nervous disorders, sometimes chronic ones, have yielded to this tonic treatment with Dr. Williams' Pink Pills when other methods failed to give relief. They are certainly worth a trial. Dr. Williams' Pink Pills are sold by druggists everywhere or will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y. Write today for free books on the blood and nerves.—Adv.

WOMEN AND GIRLS ENLISTED IN WOMEN'S WORKING RESERVE FOR FRUIT HARVEST. (Continued from previous page) More than 1000 women and girls are wanted in the strawberry and loganberry fields to save there from being great additions to the enrollment for seasonal harvest help. This is the S. O. S. call that is being sent out by J. W. Brewer, farm help specialist in the Oregon building. The first contingent of the women's reserve will leave Portland at 9:30 this morning for Hood River, where the need of pickers is acute. There will be 15 pickers in the first lot, with a director and matron in charge. The first camp will be at the W. H. Berg ranch in the Oak Grove district, and the pickers will be comfortably housed. Miss Ruth Plummer, director of the women's reserve, has about completed the enrollment of the girls of the high schools, and will now give attention to the enrollment of women who wish to join these groups. The wages paid for picking berries are higher than those paid last year, and with the community scheme, expenses will be reduced to a minimum. The Government is calling upon every person to do whatever he can in war work. Food conservation is of utmost importance, and saving the berry crop is very necessary. The major part of this work must be done this year by women, girls and boys and the Federal representatives who are looking after the work count it a service to the country. Mr. Brewer appeals to those owning tents to loan or rent them for the season, as the housing problem is likely in some cases to prove a serious one. The tents will be well cared for and eventually returned to the owners.

INDICTED DOCTOR GONE

EUGENE PHYSICIAN CHARGED WITH MANSLAUGHTER, DISAPPEARS.

Counsel for Dr. John W. Harris Says He Believes Pioneer Has Become Insane From Worry. EUGENE, Or., June 6.—(Special.)—Dr. John W. Harris, Oregon pioneer, and prominent physician of this city, indicted Tuesday for manslaughter in connection with a criminal operation alleged to have been performed upon Ruth Williams, a 16-year-old girl, is mysteriously missing. Dr. Harris was held to the indictment in the Lane County Circuit Court today. Attorney Charles Hardy, his counsel, appeared at that hour and said that although a search had been in progress since last night relatives have been unable to find his client. Friends of Dr. John Harris believe that he has become mentally unbalanced as a result of worry resulting from sickness and the voting of the indictment, and wandered away. None of the men entertain the theory that he would seek to evade prosecution by flight. "The news that he had been indicted was a great shock to Dr. Harris," Mr. Hardy said. "He had been in a weak physical condition and had suffered intensely for a number of years. If the grand jury had heard Dr. Harris' side of the case it would never have voted that indictment. "Dr. Harris had no fear of the result of the prosecution, but felt chagrined that he should be accused of such a thing. He had never figured in any trouble of any kind in his 30 years of practice. He was an unusually sensitive man."

The greater part of the queries have come from business men who expect to enter the service soon and are seeking preliminary training that will make them eligible for admission to the officers' training camps, or from members of home guard organizations. A large number of high school graduates are also included in the number. The applications received from Portland have been so numerous that Colonel Leader will make a special trip to that city to meet with those who are interested. He will be at the Hotel Portland all day Monday. In cutting the length of the course two weeks Colonel Leader stated that the work would not be cut, but intensified to a sufficiently greater degree to make possible the same accomplishments in the shorter length of time. Former Hotel Man Arrested. Deputy Sheriff Ward yesterday arrested J. T. Atkins, former proprietor of the New Greene Hotel, on a com-

plaint issued by the District Attorney's office charging him with larceny by bailie. The complaining witness against Atkins is E. C. Weber, sergeant in the United States volunteer Army, who alleges that at the time of his enlistment he sold his poolhall to Atkins, accepting in part payment a mortgage for \$300 on the property. Weber charges that Atkins subsequently sold the property to a third party and moved it out of the state without liquidating the mortgage. Phone your want ads to The Oregonian, Main 7070, A 6095.
