Mulvihill says that Danbury is the ideal spot for a 30-round contest, and added that no hit interference would be permitted because he has already received a permit from Mayor Sutherland to stage the event.

Mulvihill also says that he has an unknown man behind him with untold wealth who will see him through the financial end of the fight.

JUNIORS PLAY HARD

Brilliant Work Characterizes Tennis Tournament.

Steffen Beats Stevens. Each Contestant in Day's Fastest Match Wins 21 Games, With Advantage Constantly Shifting to End.

Some wonderful matches were played in the Oregon Junior tournament yesterday. It was a day of duce games and duce sets.

By far the most interesting match of the day was the Steffen-Stevens match, which was full of fight from start to finish.

Here the big fireworks started. Steffen nailed but a single point after trying for a lob, which was rather a difficult smash for Stevens.

From this point on the match went first to Steffen for Stevens and then to Stevens for Steffen.

Both boys kept hitting hard and, except for a fading light, it looked as though the battle would be a close one.

At last the end came and Steffen took the last set at 13-11. Each boy won 21 games and each played beautifully.

There were many other close matches and the courts were crowded all day long.

One of the big matches of the tournament will probably be played at 5 o'clock tomorrow afternoon.

Stander-Clarkson will tangle with Cornfoot at Vancouver, with the Emergency Fleet Corporation and the Stander office at Portland.

Mulvihill also says that he has an unknown man behind him with untold wealth who will see him through the financial end of the fight.

BAN JOHNSON IS OPTIMISTIC "Work or Fight" Rule Will Not Hit Baseball Hard, Is Opinion.

ST. LOUIS, June 7.—Ban Johnson, president of the American League, tonight said he did not believe Provost Marshal-General Crowder's "work or fight" order would materially interfere with baseball.

He believes baseball will continue with good players after July 25, he said. Johnson said, "Many of our best players are married and are in deferred draft classification, and many of them would be unable to do so much work on their own work to supply the wants of their dependents. Of course some will be affected by the order."

Johnson denied being here on business pertaining to baseball.

COMMERCE IS DEFEATED

JEFFERSON WINS FINAL GAME OF SEASON BY FIVE TO THREE. Errors Are Responsible for a Close Struggle Which Is Only Settled in Final Inning.

Intercollegiate League Standings. W. L. Per. Franklin, 8 1 .889 Commerce, 4 5 .444 Jefferson, 3 2 .600

The intercollegiate season ended yesterday afternoon when Jefferson defeated Commerce 5 to 3 on the East Twelfth and Davis field. The game was marked by many errors on both sides, which were mainly responsible for most of the runs scored by both teams.

August Wagner pitched for Commerce instead of his brother, Heinie, the regular hurler for the Stenographers, and held the Democrats to five hits, but he received poor support in the batters. Grey pitched his best game of the season and received fair support.

Jefferson started the scoring in the second when Wagner walked, and scored on an error by the base runner. Commerce led the score in the sixth inning when Kyle hit safely to left, took second when Wagner walked, and scored on a base runner error. Commerce added two more runs in the eighth. Julian singled to left and scored on Dewar's triple to right. Dewar scored on a base runner error. Commerce again came back in the latter part of this frame and tied up the score. Kyle pitched a very good game, and was singled through second and stole second. Both scored on DeVeney's hit to left. Three errors were responsible for Jefferson's two runs in the ninth.

Morris Rogoway, the star batsman of the Commerce team, was unable to play, so Richardson took his place by slugging the bat, catching a good game and allowing but one stolen base.

EAST SIDERS WIN

Washington Captures Consolation Meet at Reed.

53 POINTS ARE SCORED

Lincoln Second With 35—Millionaires Take First in Seven Events. Hemminway Wins Both 100 and 220-Yard Dashes.

Results of Meet. Washington, 53; Lincoln, 44; Millionaires, 31

Washington High School won the consolation track meet yesterday afternoon on the Reed College campus, scoring 53 points, 18 more than Lincoln, the runner up.

From the very first event until the finals, Coach Earle's smile never let up, as the Millionaires took the lead in the first event, the mile, and were never headed. The Washington mentor wasn't taking any chances on losing the meet and sent his men through some hard paces, capturing places in several places.

Roscoe Hemminway, the boy wonder of the East Siders, took first place in both the 100 and 220 yard dashes, but he was out of the race in the 100 yard dash, which was considerably faster than the time made at the interscholastic meet. He made the 220 in 24 1/4 seconds.

Girl, of James John, took first in the hurdles, beating out Hunt, a Lincoln man, by a foot. His time was 13 3/4 seconds. He was never headed. The Washington mentor wasn't taking any chances on losing the meet and sent his men through some hard paces, capturing places in several places.

Player Is Third to Go and as Result Outlook of Portland for Winning Team Is Gloomy to Say the Least.

J.W. KIBBLE'S DRAFTED

BUCKAROOS THIRD SACKER IS ORDERED TO REPORT FOR DUTY.

Judge McCredie is a firm believer in the old axiom that it never rains but it pours. The Portland magazine was perched in his big leather-bound office chair at baseball headquarters yesterday when a messenger rushed in with a telegram from the Sheriff of Roundup, Musselshell County, Montana, with instructions for John Wesley Kibble to report at Roundup June 24, for military duty.

Kibble, he is known, is none other than Jack Kibble, third-sacker of the Portland Buckaroos. John Wesley is a cognomen which stands for a surname of things other than ability to play infield and buy "posies" on opening day.

It matters little to Provost Marshal-General Crowder what ill effects the requisitioning of "Jaw" Wesley Kibble for military duty will have on the Buckaroos. He is a four-round slugger in the line of play for the balance of the season. It will mean another shift in the infield position, and with Cliff Lee able to again don the mask and put it looks like Gunnar Peterson will be moved to third base when Kibble leaves for Roundup.

Kibble's induction into the Army will mean the Portland Buckaroos will be down khaki since the opening of the season. Dick Cox, catcher; Bill Shoup, pitcher; and Jack Kibble, infielder, are the trio to remain to play the war game. Others are expected to follow shortly.

Unless William Wallace McCredie steps out and secures some ballplayers to replace the draftees his club is going to resemble a bunch of "also-rans" or "never-wases." The fans who have been accustomed to Pacific Coast baseball have thought twice before attending the Pacific Coast International games.

With the Buckaroos trailing along in last place, the outlook for increased attendance is mighty gloomy. The Bucks have had the misfortune to lose seven of the last 11 games played, by one run.

Don't Experiment With Catarrh; It Often Leads to Dread Consumption

You Will Never Be Cured by Local Treatment With Sprays and Douches.

Catarrh is a condition of the blood and cannot be cured by local applications of sprays and douches; this has been proven by the thousands who have vainly resorted to this method of treatment.

Catarrh should not be neglected or experimented with. The wrong treatment is valuable time lost, during which the disease is getting a firmer hold upon its victim and making it more difficult for even the proper treatment to accomplish results.

Though Catarrh makes its first appearance in the nostrils, throat and passages, the disease becomes more and

more aggravated and finally reaches down into the lungs, and everyone recognizes the alarming condition that results when the lungs are affected. Thus Catarrh may be the forerunner of that most dreaded and hopeless of all diseases, consumption.

No local treatment affords permanent relief. Experience has taught that S. S. S. is the one remedy which attacks the disease at its source, the blood, and produces satisfactory results in even the worst cases. Catarrh sufferers are urged to give S. S. S. a thorough trial. It is sold by all druggists. You are invited to write to the medical department for expert advice as to how to treat your own case. Address Swift Specific Co., 436 Swift Laboratory, Atlanta, Ga.—Advt.
