POPULAR MAID WHO BECOMES BRIDE OF WELL-KNOWN BUSINESS MAN AT HOME WEDDING AND HER FLOWER GIRL.

MRS. MAX SMITH, JR. (AGNES MCINTOSH), AND BARBARA BERGER.

MISS AGNES MCINTOSH became the bride of Max Smith, Jr., at a charming home wedding yesterday. The ceremony was read at 4 o'clock at the home of the bride's father, Robert McIntosh, in Willamette Heights, Rev. Frederick K. Howard officiating. The bride was attired in a charming gown of crepe meteor and lace, and with it she wore a larger white picture hat. She carried a bouquet of bride roses and lilies of the valley. Little Barbara Berger made a most picturesque and attractive little flower girl. She was attired in a charming, quaint, old-fashioned gown, with long pantalettes peeping from beneath her long gown, made of white satin, with light little bodice. She also wore a fascinating poke bonnet and carried a basket of rosebuds.

Following the wedding a reception was held and a buffet supper was served. Presiding at the artistically appointed table were Mrs. Wilbur E. Conant Mrs. J. A. Martin, Mrs. K. K. Baxter and Mrs. G. E. K. Futner. The bride is a charming and popular young maid and the only daughter of Robert McIntosh, a pioneer resident of this city. Mr. Smith is a son of Mr. and Mrs. Max Smith, of Portland, a graduate of Portland Academy, later going to Cornell University, and a popular fraternity man. As present he is connected with the McEachern Shipbuilding Company at Astoria.

Mr. and Mrs. Smith will make their home in Astoria upon their return from their wedding trip.

Mr. and Mrs. Ellsworth Vachon (Angleve Turner) are being showered with congratulations upon the arrival of a son born Tuesday evening, Mrs. Vachon, prior to her marriage, made her home in Seattle, and she is one of Portland's most popular young matrons.

Mr. and Mrs. Bruce Stewart (Irene Albee) also are being congratulated upon the arrival of a daughter, born Monday morning.

To further the plans for the card party and dance for the Machine Gun Company, the auxiliary will meet this morning at 10 o'clock at the residence of Mrs. J. M. Brown, 494 Seventy-fourth street, Mount Scott car to Portland station. The card party and dance will be held Friday night in Rose City Park Clubhouse. At the meeting this morning the election of officers will take place, and all members are urged to be present.

Interest of Portlanders now centers in the garden party for the benefit of the Visiting Nurses Association, which will be held at the country home of Mr. and Mrs. S. S. Montague tomorrow evening, from 7 until 10 o'clock. The beautiful grounds, situated on the house make an ideal setting for a garden fete, and the affair promises much interest and pleasure. Strawberries and cream, for which the Montague farm is noted at this season, will be a feature of the refreshments which will be furnished free to all the guests. A silver offering will be taken at the gate, and everything is free for the patrons of the fete.

The Visiting Nurses Association is sadly in need of funds, as the result of demands made upon them during the winter by the families of soldiers, and this is their first benefit for some time. They hope that every one in town and around the city will avail themselves of the opportunity to help them in their work, and at the same time enjoy a delightful party and motor trip. A convenient method of transportation is by motorcar, as the route is through the beautiful scenery of the mountains to Mount Zion, thence Shattuck-Scholls road, to Ferrydale road. The Montague residence is one-fourth mile west of the Portland golf links. Motorists may also take Canyon road to Sylvan, thence to Scholls Ferry road. By train, Southern Pacific, Route 1, in and Alder streets, to Raleigh station. Trains leave Portland 8:08 and return leave at 10:15. Oregon electric, Tenth and Morrison streets, leaves 7:55 to Whitford station. Returning, trains leave at 10:07 o'clock for Portland. Motorists will meet all trains to convey guests to the garden party.

Owing to Army orders, the wedding plans of Miss Mary Stuart Smith and Lieutenant Curtis P. Bailey have been changed and the wedding will take place this evening, at 7:30 o'clock at the residence of the bride-elect's parents.

Young people will leave soon for a two-weeks' visit at Lake Wallawa, after which they will reside on the bridegroom's ranch.

The bride is a popular maid of this city and she has been delightfully entertained since the announcement of her engagement.

ROTARIANS HEARN FACTS FROM SHOE MANUFACTURERS. Shoes Selling at \$18 Likely to Come on Market as Staple; Shoemakers Days May Be Ahead.

Here is what shoe manufacturers and dealers told the Rotary Club Tuesday. Ten dollars is a fair price for a shoe today. The \$12 and \$15 shoe is not uncommon and the \$16.50 to \$18 shoe is likely to come as a staple.

The government is placing limitations upon the shoe manufacturer. It is no longer permissible to manufacture shoes with tops higher than 3 1/2 inches.

These and other salient facts of the leather situation and shoe trade were received by the members of the Rotary Club at its luncheon at the Benson Hotel, Otto Freyman, president of the Freyman Leather Company, Paul DeHass, secretary of the Pithian-Barker Shoe Company, and Will A. Knight, president of the Knight Shoe Company, were the speakers who covered the different branches of the shoe trade.

Mr. Freyman presented the primary aspects from the standpoint of the leather supply, which he revealed is diminishing by reason of the reduced number of cattle on the American ranges.

Paul DeHass gave the members an idea of the increased cost of materials that enter into the manufacture of footwear. His conclusion was that for the civilian there will possibly be a choice of three things: Either wear a thinner sole, a different kind of sole, or go barefooted.

Will Knight agreed with Mr. DeHass that one of the elements that control the price of shoes is the whimsical desire of "my lady."
