### Resignation Said to Be Agreeable to Kaiser.

## IMPERIAL CONSENT RUMORED

### Hintze, Ex-Minister to Mexico, Reported Successor.

## U. S. ACCUSED OF BLUFFING

### Koelnische Zeitung Expresses Doubt Concerning Statement of American Troop Movement to Europe.

PARIS, July 9.—The German Emperor has accepted the resignation of Dr. Richard von Kuehlmann, the German Foreign Secretary, according to a Basle dispatch to the Havas Agency. It is expected that Admiral von Hintze, the German Minister at Christiania and formerly Minister to Mexico, will succeed him.

Dr. Richard von Kuehlmann became Foreign Minister August 9, 1917, succeeding Dr. Alfred F. M. Zimmermann, whose retirement closely followed the exposure of his plot to involve the United States in war with Mexico and Japan in the event that this country showed any inclination to join the entente allies.

## Momentous Speech Recalled.

Dr. von Kuehlmann's conduct of the Foreign Office appeared to be more than usually successful until June 25 last, when he appeared before the Reichstag to discuss the political aspects of the situation facing Germany. During his address he said:

"In view of the magnitude of this war and the number of powers, including those from overseas, that are engaged, its end can hardly be expected through purely military decisions alone and without recourse to diplomatic negotiations."

## Kaiser's Speeches Contradicted.

This statement, which flatly contradicted speeches by the German Emperor, who only a short time before had referred to peace being won by "the strong German sword," was received with consternation in the Reichstag and with sharp criticism by the country. It was later reported that Dr. von Kuehlmann's words had been approved by General Ludendorff, the German commander on the western front.

## Seapeg Rumor Current.

Soon after the address in the Reichstag it became common knowledge that Dr. von Kuehlmann's retirement from office would be forthcoming.

Some reports were to the effect that his address was intended to inform the German people that their armies could not win the war and was delivered with the cognizance of the Emperor, who, when he saw what a storm had been stirred up, resolved to make Von Kuehlmann the scapegoat.

## WASHINGTON, July 9.—An official dispatch today from Switzerland says that the independent Socialist deputy, Stroebel, in a violent speech in the Prussian Landtag recently condemned the German government for its efforts to secure a peace by force.

## German People Warned.

He warned the German people that unless they rid themselves of their government and "send their politicians of war and rapine to the devil," America's millions of soldiers will prove too strong a force to combat.

Publication in Swiss papers of the text of Secretary Baker's letter to President Wilson giving the American troop movement to Europe caused German authorities to permit its publication in Germany according to a dispatch received from Berne.

## Baker's Figures Questioned.

The Koelnische Zeitung published the letter under the heading "American Bluff," the dispatch says, and commented as follows:

"Mr. Baker thinks he will be able to dissipate all doubts about exactitude of his figures with his recitations. It is, however, only the usual American bluff. We know from reliable sources that the figures in question are inordinately exaggerated and in no way correspond to the truth."

She is taking the place of the "one man operator" who has gone to war. She gets the same wages as did her predecessor with his recitations. "It is, however, only the usual American bluff. Vienna Paper Tjhd Denounces as Wholly False and Slandering Rumors Now in Circulation.

AMSTERDAM, July 9.—Denying rumors circulating in Austria-Hungary regarding Empress Zita, the correspondent at Vienna of the Tjhd says:

"It is true the Austrian Empress properly desires peace and has with proper dignity advocated it, but the rumor that an energetic Austrian offensive against Italy was delayed by her influence is slanderous, as also is the rumor that the Empress was to blame for one or two setbacks which followed the offensive."

## MR. HEARST NOT WANTED

### Up-State New York Chilly Toward Candidacy for Governor.

SYRACUSE, N. Y., July 9.—Unable to agree upon a candidate after five ballots, the "committee of 42" up-state Democrats decided to submit to the party conference at Saratoga on July 23, the name of seven men, any one of whom will be acceptable as a candidate for Governor.

The list does not include the name of William Randolph Hearst. His name was not presented formally or informally, neither did he receive a vote on either the formal or the informal ballots.

The seven include James W. Gerard and Congressman George R. Lunn, of Schenectady.

During the session the committeemen were told informally that a poll of up-state leaders had resulted in announcement that there was no sentiment in favor of William Randolph Hearst and that Mr. Hearst had been notified of the result of this canvass.

## BODIES NOT YET FOUND

### Parties Continue Search for V. A. Forbes and Mr. Poindexter.

BEND, Or., July 9.—(Special.)—Parties searching for the bodies of Vernon A. Forbes and Ralph V. Poindexter, who were drowned in Lake Crescent, 70 miles south of here Sunday while fishing in a canvasboat, returned to Bend this evening.

Although the place where the accident occurred was dragged thoroughly with a number of different kinds of apparatus, the search was without avail. The lake is deep, plunging off abruptly near the place the men went down. Ten men and five boats are at the lake and search will be continued. A professional grappler may be brought from Portland.

## LIGHTNING STRIKES CABIN

### Lookout Saved by Bedding, Which Acts as Insulation.

A thrilling and unusual incident was experienced by Lookoutman Ground at the San Antonio lookout house on the top of a mountain in the Carson National forest, N. M., on the night of June 18, when lightning struck the cabin there and tore a hole two feet square in the roof. The lookout house is about 12 by 12 feet in dimensions and has only one floor, with walls almost wholly of glass.

At the time that the lightning played all about the house, Mr. Ground was in bed and it is supposed that the bedding acted as insulation and prevented his being electrocuted. He was uninjured.

## TAXES TO ENFORCE THRIFT PROPOSED

### Luxurious Tastes to Be Hard Hit.

## SOME NECESSITIES INCLUDED

### Revenue Schedule Planned With Double Purpose.

## WAR FUNDS TO BE RAISED

### Public Must Also Practice Economy—High Levy on Employment of Household Servants Suggested.

WASHINGTON, July 9.—(Special.)—Taxes on luxuries and some necessities for the double-barreled purpose of filling the National war chest and enforcing wartime economy and thrift are proposed in a list of taxation suggestions submitted by the Treasury Department to the ways and means committee of the House today.

Pronouncing extravagance and waste "akin to treason" the department proposes war taxes on the higher grades of men's, women's and children's clothing, furniture, toilet articles, hotel bills, gasoline, purses and handbags.

**Novel Feature Proposed.**

A high tax on the employment of male household servants and more than one female servant is one of the novel features of the anti-extravagance programme sketched by the Treasury.

Greatly increased taxes on automobiles, jewelry, musical instruments, telephones and telegraph messages, soft drinks, liquors and tobacco also are proposed.

The Treasury recommends two classes of taxes. In one class would be taxes paid by the consumer on articles purchased at retail, in the other would be taxes paid by the manufacturer or wholesaler and paid indirectly by the consumer in the shape of higher prices.

**Jewelry Levy 50 Per Cent.**

Here are the taxes suggested by the Treasury:

Fifty per cent on the retail price of jewelry, including watches and clocks, except those sold to Army officers.

Twenty per cent on automobiles, trailers and truck units, motorcycles, bicycles, tires and musical instruments.

A tax on all men's suits selling for more than \$20, hats costing over \$4, shirts over \$2, pajamas over \$2, hosiery over 35 cents, shoes over \$5, gloves over \$2, underwear over \$3 and all neckwear and canes.

**Women Would Feel Tax.**

Taxes on women's suits costing over \$40, coats over \$30, ready-made dresses over \$25, skirts over \$15, hats over \$10, shoes over \$6, lingerie over \$5, corsets over \$5, silk costing over \$1.50 the yard, cotton over 50 cents a yard and wool.

## YANKEE BECOMES HERO OF ROUMANIA

### COLONEL BOYLE, OF NOME, WINS HIGH DECORATIONS.

Intercession With Bolsheviks Saves Deputies From Exile and Probably Death.

PARIS, July 9.—Colonel Joseph Boyle, an American from Nome, Alaska, has become the popular hero of Roumania and wears the highest Roumanian decorations within the gift of the King for saving a number of Roumanian deputies from certain exile and probably death at the hands of the Russian Bolsheviks, according to travelers reaching France from Jassy, the temporary Roumanian capital.

Soon after the Russian Bolsheviks broke off relations with Roumania last January as the result of alleged anti-Bolshevik activities of the present Roumanian deputies, several of these officials were arrested at Odessa after the invasion of Bessarabia by Roumanian troops. They were sentenced to exile.

Colonel Boyle pleaded in their behalf, but the Bolshevik authorities were deaf to his appeals. Colonel Boyle then declared that if the Roumanian deputies were deported he would share their fate. A special steamer conveyed the deputies and Colonel Boyle to Sebastopol, where, after a stay of several days, Colonel Boyle finally convinced the Russians that the Roumanians were innocent and all were released.

Colonel Boyle took the Roumanians back to Odessa and accompanied them to Jassy, where he was given a reception by the people and the government. King Ferdinand awarded him the Crown of Roumania, the highest Roumanian decoration.

It was Colonel Boyle who, when all other means of communication were impossible, carried from Jassy to Odessa the Roumanian peace terms with the Bolsheviks, and averted the hostilities which, at that time, seemed imminent.

### Italian Cavalry Flanks Austrians by Passing Between Malacastra Ridge and Adriatic and Falling Upon Foe From Rear.

ROME, July 9.—Prisoners exceeding 1300 in number, guns, airplanes and machine guns and a large quantity of booty have been captured by the allied troops in their offensive in Albania, according to the announcement of the Italian war office today.

The Allies have made new progress along the left wing on the Adriatic Coast, their advance approximating 15 miles in three days. The land forces were assisted by British monitors.

**Austrians Attacked From Rear.**

North of the lower Voyusa River, the Italian cavalry flanked the Malacastra ridge passing through the western slopes of the ridge and the Adriatic. By this operation the cavalry took the Austrians in the rear and destroyed bridges over the Semlir River to the north.

The statement says:

"The action in Albania is continuing. On the left wing the infantry, starting from the lower Voyusa, carried the heights between Lavan and the Monastery of Pohani.

"Italian cavalry, passing between the western slopes of the Malacastra ridge and the sea, daringly attacked the enemy rear and destroyed bridges over the Semlir, and Metall Pjerri (about 18 miles north of Avlona, the Italian base on the Adriatic), has fallen into our hands. Strong positions at Cafa Grava and Coroop, strenuously defended by the enemy, are in our possession.

"At the head of the Tomorica we have carried the contested heights of Cafa Devris. Our own and British airplanes lend aid during the fighting. The number of prisoners has risen to more than 1300. The capture of guns, airplanes and machine guns, numbers not specified, and a large quantity of booty, is reported."

## EDUCATOR FROWNS ON PEACE WORKER

### EFFORT TO BLOCK MILITARY DRILL IN SCHOOLS OPPOSED.

Superintendent Rutherford, of Eugene, Advises Propagandists of Disbelief in Their Scheme.

EUGENE, Or., July 9.—(Special.)—W. R. Rutherford, Superintendent of Public Schools in Eugene, replied by letter today to propaganda of the American Union against militarism, which is apparently Nation-wide in its scope and has as its object the creation of sentiment against the adoption of military training in the schools through assertions that the physical effect is bad.

Oswald Garrison Villard is the chairman of the peace organization, and I makes an appeal for contributions. Its publications are being distributed through the mails. Superintendent Rutherford's letter follows:

"I have just received your pamphlet, entitled 'New Jersey Says No' together with an invitation for me to contribute to the cause you represent. Realizing that the replies received by such an organization as yours are almost invariably from those who agree with you, while others ignore your communication, I am taking the time to answer simply to indicate to you that all school men are not in sympathy with such propaganda as you are attempting to spread.

"I have never seen in any of the literature you have sent forth a single argument which was either definite or plausible, and some observation of military training of high school students has shown me nothing except a moral manly bearing and improved physique on the part of the boys who have received that training."

## OREGON LOAN QUOTA SET AT \$45,000,000

### Fourth Drive to Start on October 1.

## WESTERN SPIRIT IS LAUDED

### Drastic System of Handling Slackers Approved.

## STATE TO ORGANIZE SOON

### Robert E. Smith Returns to Portland After Attending Conference of Officials of Twelfth Federal Reserve District.

At a meeting of managers of shipyards and other industrial concerns, where employes have subscribed for liberty bonds, with Robert E. Smith, state manager, tonight at 7:30 o'clock at 222 Northwestern Bank building an effort will be made to adjust all difficulties encountered to date. Anyone else with a problem concerning liberty loan payments and subscriptions is invited to attend the meeting or call on Mr. Smith earlier in the day.

Considerable trouble has resulted in not having some plan whereby a man or woman who subscribed while working for one firm and who since has changed employment can make payment without difficulty. These people now find it necessary to take or send the money for the payment each week to the original employer. Some central payment plan will be sought.

Oregon's quota in the fourth liberty loan, the campaign for which will start October 1, will be between \$45,000,000 and \$50,000,000 on estimates brought back to Portland by Robert E. Smith, state manager of liberty loan campaign, who returned yesterday from San Francisco, where he attended a conference of officials of the Twelfth Federal Reserve District.

Oregon's quota last time was \$17,500,000, although the total subscribed was \$27,500,000. The vast prospective increase in the Oregon quota has already stirred bankers to contemplative action, and Mr. Smith yesterday gave out word that it would go hard with liberty loan "slackers" in October.

The Oregon quota has been arrived at after careful figuring. The total of the fourth loan will be \$8,000,000,000, it is thought, because the total of anticipatory certificates now authorized in advance of the loan is that sum.

**Oregon Spirit Is Lauuded.**

A feature of the conference at San Francisco was the attention given to the Oregon "spirit" and Oregon "method" at the start, and Mr. Smith was called upon at the opening session to explain how Oregon did it. The news of this state's quick work in getting over the top in the loan and all other patriotic drives was fresh in the minds of the men at the conference.

"The conference was intended to develop ideas so that the men in charge of this district could transmit them to the general liberty loan committee meeting, which will be held in Washington this month," said Mr. Smith. "They were more than casually interested in Oregon, and wanted to know how it was done. Chairman Chickering, of the speakers' bureau, asked for a statement from me at the first session and I told them it was the Oregon way—the Oregon 'spirit'; that we didn't want to assume too much credit for organizing Oregon spirit."

**Slackers to Be Handled.**

"The big feature of the next campaign will be the comprehensive and unflinching way that so-called 'slackers' will be handled. We haven't any great loan slacker evil here yet, but the point is that the campaign is to be organized so thoroughly that when a man refuses or fails to buy his quota, not only will he be asked to give reasons, but his reasons will go on record.

"It will go hard with slackers wherever they are found. The Los Angeles system of rating and publishing every man and woman and making him prove his purchase at his voting place and check out on the rating slip was most interesting. There a man gets a green tag when he subscribes to the loan and he has to go to his voting place and vote that tag, getting credit for it.

**Rigid System Is Proposed.**

"The consensus of opinion is that even a more rigid system will be generally adopted. There will be committees and follow-up committees to learn why a man has not subscribed his quota. Understand, a 'slacker' is not alone a man who refuses to buy; the man who does not buy up to his quota as determined by the rating committee, which has studied his income and expense accounts, is equally a slacker and the vigilance committees will be on his trail.

"There is another thing that the people should appreciate, and that is that they are invited to and expected to buy these anticipatory Treasury certificates."

## LIBERTY LOAN DIFFICULTIES TO BE ADJUSTED TONIGHT.

### At a meeting of managers of shipyards and other industrial concerns, where employes have subscribed for liberty bonds, with Robert E. Smith, state manager, tonight at 7:30 o'clock at 222 Northwestern Bank building an effort will be made to adjust all difficulties encountered to date.

## ANYONE ELSE WITH A PROBLEM CONCERNING LIBERTY LOAN PAYMENTS AND SUBSCRIPTIONS IS INVITED TO ATTEND THE MEETING OR CALL ON MR. SMITH EARLIER IN THE DAY.

## CONSIDERABLE TROUBLE HAS RESULTED IN NOT HAVING SOME PLAN WHEREBY A MAN OR WOMAN WHO SUBSCRIBED WHILE WORKING FOR ONE FIRM AND WHO SINCE HAS CHANGED EMPLOYMENT CAN MAKE PAYMENT WITHOUT DIFFICULTY.

## THESE PEOPLE NOW FIND IT NECESSARY TO TAKE OR SEND THE MONEY FOR THE PAYMENT EACH WEEK TO THE ORIGINAL EMPLOYER. SOME CENTRAL PAYMENT PLAN WILL BE SOUGHT.

## OREGON'S QUOTA IN THE FOURTH LIBERTY LOAN, THE CAMPAIGN FOR WHICH WILL START OCTOBER 1, WILL BE BETWEEN \$45,000,000 AND \$50,000,000 ON ESTIMATES BROUGHT BACK TO PORTLAND BY ROBERT E. SMITH, STATE MANAGER OF LIBERTY LOAN CAMPAIGN, WHO RETURNED YESTERDAY FROM SAN FRANCISCO, WHERE HE ATTENDED A CONFERENCE OF OFFICIALS OF THE TWELFTH FEDERAL RESERVE DISTRICT.

## OREGON'S QUOTA LAST TIME WAS \$17,500,000, ALTHOUGH THE TOTAL SUBSCRIBED WAS \$27,500,000. THE VAST PROSPECTIVE INCREASE IN THE OREGON QUOTA HAS ALREADY STIRRED BANKERS TO CONTEMPLATIVE ACTION, AND MR. SMITH YESTERDAY GAVE OUT WORD THAT IT WOULD GO HARD WITH LIBERTY LOAN "SLACKERS" IN OCTOBER.

## THE OREGON QUOTA HAS BEEN ARRIVED AT AFTER CAREFUL FIGURING. THE TOTAL OF THE FOURTH LOAN WILL BE \$8,000,000,000, IT IS THOUGHT, BECAUSE THE TOTAL OF ANTICIPATORY CERTIFICATES NOW AUTHORIZED IN ADVANCE OF THE LOAN IS THAT SUM.

## A FEATURE OF THE CONFERENCE AT SAN FRANCISCO WAS THE ATTENTION GIVEN TO THE OREGON "SPIRIT" AND OREGON "METHOD" AT THE START, AND MR. SMITH WAS CALLED UPON AT THE OPENING SESSION TO EXPLAIN HOW OREGON DID IT. THE NEWS OF THIS STATE'S QUICK WORK IN GETTING OVER THE TOP IN THE LOAN AND ALL OTHER PATRIOTIC DRIVES WAS FRESH IN THE MINDS OF THE MEN AT THE CONFERENCE.

## "THE CONFERENCE WAS INTENDED TO DEVELOP IDEAS SO THAT THE MEN IN CHARGE OF THIS DISTRICT COULD TRANSMIT THEM TO THE GENERAL LIBERTY LOAN COMMITTEE MEETING, WHICH WILL BE HELD IN WASHINGTON THIS MONTH," SAID MR. SMITH. "THEY WERE MORE THAN CASUALLY INTERESTED IN OREGON, AND WANTED TO KNOW HOW IT WAS DONE. CHAIRMAN CHICKERING, OF THE SPEAKERS' BUREAU, ASKED FOR A STATEMENT FROM ME AT THE FIRST SESSION AND I TOLD THEM IT WAS THE OREGON WAY—THE OREGON 'SPIRIT'; THAT WE DIDN'T WANT TO ASSUME TOO MUCH CREDIT FOR ORGANIZING OREGON SPIRIT."

## "THE BIG FEATURE OF THE NEXT CAMPAIGN WILL BE THE COMPREHENSIVE AND UNFLINCHING WAY THAT SO-CALLED 'SLACKERS' WILL BE HANDLED. WE HAVEN'T ANY GREAT LOAN SLACKER EVIL HERE YET, BUT THE POINT IS THAT THE CAMPAIGN IS TO BE ORGANIZED SO THOROUGHLY THAT WHEN A MAN REFUSES OR FAILS TO BUY HIS QUOTA, NOT ONLY WILL HE BE ASKED TO GIVE REASONS, BUT HIS REASONS WILL GO ON RECORD.

## "IT WILL GO HARD WITH SLACKERS WHEREVER THEY ARE FOUND. THE LOS ANGELES SYSTEM OF RATING AND PUBLISHING EVERY MAN AND WOMAN AND MAKING HIM PROVE HIS PURCHASE AT HIS VOTING PLACE AND CHECK OUT ON THE RATING SLIP WAS MOST INTERESTING. THERE A MAN GETS A GREEN TAG WHEN HE SUBSCRIBES TO THE LOAN AND HE HAS TO GO TO HIS VOTING PLACE AND VOTE THAT TAG, GETTING CREDIT FOR IT.

## "THE CONSENSUS OF OPINION IS THAT EVEN A MORE RIGID SYSTEM WILL BE GENERALLY ADOPTED. THERE WILL BE COMMITTEES AND FOLLOW-UP COMMITTEES TO LEARN WHY A MAN HAS NOT SUBSCRIBED HIS QUOTA. UNDERSTAND, A 'SLACKER' IS NOT ALONE A MAN WHO REFUSES TO BUY; THE MAN WHO DOES NOT BUY UP TO HIS QUOTA AS DETERMINED BY THE RATING COMMITTEE, WHICH HAS STUDIED HIS INCOME AND EXPENSE ACCOUNTS, IS EQUALLY A SLACKER AND THE VIGILANCE COMMITTEES WILL BE ON HIS TRAIL.

## "THERE IS ANOTHER THING THAT THE PEOPLE SHOULD APPRECIATE, AND THAT IS THAT THEY ARE INVITED TO AND EXPECTED TO BUY THESE ANTICIPATORY TREASURY CERTIFICATES."

(Concluded on Page 2, Column 1.)
