

THURSDAY GALA DAY FOR SELECTIVE MEN

Public Fete Arranged by Mayor Baker and His Aides at Municipal Auditorium.

DINNER SERVED AT 11 A. M.

Transportation Tickets and Badges Issue at Earlier Hour; Relations and Friends Urged to Attend. Organ Concert Planned.

Every man who leaves Portland for an Army Camp Thursday, July 26, will be a guest of the city at the Municipal Auditorium at 11 o'clock Thursday morning.

Both Assembly Halls Used. The quota leaving Thursday is the largest yet called for in the selective service system at any one time, and it will be necessary to use both assembly halls at either side of the main body of the building and also the stage.

The main body of the Auditorium will be reserved for the relatives and friends of the boys, who are urged to attend the function. One of the reasons for using the Auditorium is to give the relatives of the boys an opportunity of joining in the farewell celebration.

The organization recently formed by Mayor Baker, headed by R. O. Tolman, to handle the farewell functions, are arranging for the dinner, which is said to be the most elaborate of any served thus far.

The Aloha girls will take a prominent part in the event, will march in the parade and the depot will distribute magazines to the boys.

Special care is to be taken at the Union Depot where the boys and relatives may reach their boys without confusion. This will be done by allowing the men to go to their cars first and then admitting the public.
