VICTORIA, B. C., July 26.—With the season only about half over, whaling operations off the west coast of Van-couver Island and Queen Charlotte Islands have netted 264 whales to date.

formed state draft executives that more than 50 per cent of the 744,500 registrants in the 1918 class are ex-pected to be placed in class 1 as physically qualified for general mili-tary service, and instructed them to give "special scrutiny to the re-port of any local board which fails to classify this percentage." "The National average should be much higher than 50 per cent, because industrial, agricultural and dependency deferments and physical rejections had been much lower," General Crowder's message said.

Expectation of a high percentage of class 1 men among new registrants and of top speed in getting them ex-amined and classified were emphasized in the message received yesterday from provost Marshal-General Crowder by Captain J. E. Cullison, executive head of the draft for the Adjutant-General's office. The same messages were re-layed out to local and district draft boards of Oregon.

that

boards of Oregon. Some boards of the state are disappointed over the large number of 1918 registrants found physically unfit for military service in examinations now in progress. The percentage runs rather high from the fact that all reected applicants for enlistment re-main, while the flower of the state's
