Elgin-Minam and Union-Telocasset Highways to Be Benefited.

COUNTY COURT GETS WORK

Bids Tendered the State Highway Commission Range From \$9000 to \$20,000 Lower Than Those of Next Highest Bidder.

Contracts for grading 9,55 miles of the Elgin-Minam road and six miles of the Union-Telocasset section of the

of the Union-Telocasset section of the old Oregon Trail were awarded yesterday by the State Highway Commission to the County Court of Union County on bids of \$27,416 and \$27,434, respectively. These figures were from \$2000 to \$20,000 slower than the next lowest bidder for the work. Within ten minutes after the award had been made J. P. Phy, County Judge, and C. A. Galloway and W. J. Townley, County Commissioners, composing the Union County Court, had affixed their signatures to the contracts. Judge Phy told the Commissioners that work on the two roads would be started work on the two roads would be started immediately following the harvest, when farm labor and teams will be

available.

"We based our bids on the estimates of the Highway Engineer as to the probable cost of the improvements," said Judge Phy, "and we believe we will be able to perform the work at the figures we submitted. In any event, the people of my section of the state want these roads badly and will be perfectly willing to assume a slight deficiency if the actual work costs more. We want better roads in my section of the state and we want them now."

Both of these roads are postroad projects and will be constructed in co-operation with the Federal Government. The state and the Government have each appropriated \$15,000 for the work. acch appropriated \$15,000 for the work.

S. S. Schell received the contract for macadamizing 1½ miles of the Pacific Highway between Divide and Comstock. His bid was \$14,537.50. All proposals for paving one mile of the Pacific Highway at Ashland were rejected and the work will be done by the commission.

At the request of the Oregon Motor
Association the commission will ask the
Attorney-General for an opinion as to
what steps must be taken to compel
County Courts to mark roads with suitable signboards. The secretary of the commission was also directed to request all County Courts rigidly to enforce the

speed laws of the state.

State Highway Engineer Nunn was instructed to make a survey of a proposed road in Crook County up Crooked River, for which the county has issued bonds to the amount of \$55,000.

It was also voted to ask the Attorney-General to bring a number of condemnation suits to clear up some right-of-way disputes in Union County.

VETERANS JOIN COMPANY C

Seventy-Five Per Cent of Men Served in Former Wars.

Recruiting for Company C of the Oregon State Guards, Captain H. V. Reed, is being carried on nightly at the Armory, the members fully expectthat they will be mustered into Federal service September 1. First Lieutenant Louis J. Petterson and Sec- A ond Lieutenant John T. Hislop are on duty each night and will continue recruiting until the company has its

At present the roll contains 96 names and it is said that fully 75 per cent of the men have seen service, most of them in the Spanish-American War, and others in the Mexican border trouble, or served in the regular Army following the Philippine campaign. Drills are held Monday night, with instructions for recruits Friday night.

ADVISORY BOARD TO MEET

Labor Situation Will Be Placed in Hands of Community Bodies.

At a meeting of the State Advisory
Board of the United States Employment Service in this city next Friday,
Community Labor boards for different
parts of the state will be formed.
These community boards will be composed of a representative each of labor
and employers and the Federal Employment Service.

All decisions of the local boards with
reference to priority in classes of

reference to priority in classes of labor and shifting help from one industry to another will be subject to appeal to the State Advisory Board. It is proposed that for the is proposed that for the present the functions of the community boards shall apply directly to unskilled wage earners although eventually the activi-ties of these boards will be extended to all classes of labor.

200-PIECE BAND TO PLAY

Concert at Laurelhurst Park Will Open G. A. R. Encampment.

Arrangements are completed for a concert by the largest band ever heard

concert by the largest band ever heard in Portland on Sunday afternoon, August 18, in Laurelhurst Park, to mark the opening of the G. A. R. encampment in this city.

Three bands, the First Provisional and Second Provisional bands from Vancouver, and the Multnomah Guard band, will be massed for this concert, making an organization of more than 200 pieces.

Park Superintendent Keyser has been instructed to arrange the park for the concert and reserved seats will be installed for the benefit of the former
