

HAWKES STARS IN GREAT FIELD DAY

Former Oaks Outfielder Carries Off Honors at Vancouver's Big Show.

DASHES WON WITH EASE

Fully 15,000 People Spectators at Labor Day's Sports Programme.

Ninth Spruce Squadron Is First at Wall-Scaling.

BY JAMES J. RICHARDSON.

Labor day did not lack the liveliest observation yesterday at Vancouver, when a crowd estimated at 15,000 crammed every nook and crook of the vast barracks athletic field, where a track and field meet, baseball game, rodeo and Wild West show, and, last but not least, a boxing smoker, occupied every minute of the day from 10:30 in the morning until a late hour at night.

The large crowd consisted mostly of men in khaki, with more than a fair sprinkling of the fair sex and numerous civilians, who voted the show the best ever. It was an ideal day for the big event, which was arranged under the watchful eyes of Lieutenants Newhall, Hagan and Halstead, and was easily the most successful venture of its kind ever staged in this locality.

Private Kenny Hawkes, of the 7th Spruce Squadron, 2d Battalion, and formerly an outfielder with the Oakland baseball club of the Pacific Coast League, was easily the star in the track and field meet, which occupied the boards yesterday forenoon. Hawkes won the 100-yard dash, 220, 440 and the 800-yard dash, and in each event exhibited a clean pair of heels to his opponents.

Hang-Up Game Played.

In the hang-up game in the afternoon, when the "Fighting Medics" from the base hospital at Camp Lewis played a scoreless 11-inning game with the Vancouver Regimental team, Hawkes savored in right field for Vancouver and played a bang-up game.

Hawkes ran the 100 in 10 1/2 seconds, which is some speed. He stepped the 220 in 22 1/2 seconds and the 440 was reeled off in 55 1/2 seconds. When it came to the 800 dash, about 50 pairs of shoes were thrown into a heap and a mad rush was made by the aspiring athletes for the pile. Hawkes was first to locate his pair of "fourteens" and won the race.

The wall-scaling contest provided some keen competition and the Ninth Spruce Squadron went "over the top" for first place in 56 and 4-5 seconds. The Military Police won second place, Sergeant Gagnon and Corporal Shotwell, of the Military Police, annexed first honors in the tent-pitching competition.

Messenger Takes 880-Yard Run.

Messenger, of the Sixth Spruce Squadron, won the 880-yard run; time, 2:24 3/5. Johnson, of the Fifth Spruce Squadron, finished second and Lalley, Seventh Spruce Squadron, was a close third. Albert, of the Tenth Spruce Squadron, showed a clean pair of heels in the mile run and finished first. Henry, 14th Spruce Squadron, was second, and Lalley, Seventh Spruce Squadron, third.

The ball game between the "Fighting Medics" and the Vancouver team was a thrilling contest. It was called to allow the rodeo and wild west show to take the field. Coffman and DeMott were the opposing pitchers and both pitched a beautiful game. DeMott let Camp Lewis down with two measly hits. Six bingles were gathered off Coffman, of Camp Lewis, but excellent fielding prevented Vancouver from scoring.

When the diamond was cleared for the rodeo and wild west show, the large crowd buckled back into their seats and every second of the equestrian show provided a thrill for the spectators. The soldier boys endeavored to give the natives a west pocket replica of the famous Pendleton roundup and their efforts were appreciated greatly judging from the applause. It was the first glimpse of a Rodeo and Wild West show that thousands of the soldier ladies ever had and they enjoyed it immensely.

The boxing bouts in the evening were good and the large crowd composed of men and women greatly enjoyed the flistic encounters. Kid Albert, of Baltimore, and Charlie Rooney, of Vancouver, were saturating the crowd with wallops and honors were about even until Rooney took a head spin out of the ring in the fifth round and fell on the back of his neck against Old Mother Earth. The fight rendered him hors-de-combat and Albert won the decision.

Billy Mascott and Jack Wagner and Bob McAllister and Big Ed Kennedy gave the fans a thrill with their slug-fests and the crowd went away more than satisfied with the day's festivities.

The crowd was handled in excellent shape and those in charge are to be congratulated for the wonderful and systematic arranging of the big affair.

MAGICAL HELPLESS IN EBBEN MATCH

National Clay Court Champion Master Over Japanese at All Stages.

STRAIGHT SETS PLAYED

Philadelphia Boy Will Match Wits With R. Lindley Murray, Californian, Today in Fight for National Tennis Title of 1918.

FOREST HILLS, N. Y., Sept. 2.—The National singles tennis championship of 1918 lies between W. T. Tilden, Jr., of Philadelphia, and R. Lindley Murray, the California expert, playing for the Niagara Falls club.

Tilden won the right to face Murray on the courts of the West Side Club here today by defeating Ichihya Kumagae, the Japanese racket star, in straight sets, the scores being 6-2, 6-3, 6-0.

Tilden's victory over Kumagae was so decisive and lacking in sensational tennis as to arouse little enthusiasm. The Oriental was unable to hold the ball in Philadelphia in check and the latter rushed through three sets with the loss of only four games in considerably less than one hour of playing time. The total point score for the three sets was 83 to 47 in Tilden's favor and a stroke analysis shows the Japanese making far more errors and fewer placement acts than the victor.

Bound Fatal to Kumagae.

Tilden was seldom forced to call upon his terrific serve as an smashing play and he devoted most of his offense to low sharply cut fore and backhand returns which scaled across the net, barely clearing the card and bearing into the turf with a spin which seldom caused them to bound more than a foot. In the face of this puzzling undercut, Kumagae was unable to play the ball at the height which is most favorable to his looping, Lawford stroke. Numerous returns struck the net and it was only occasionally he could get the ball in position for drives along the sidelines.

Tilden Always Master.

While Tilden chose to play a comparatively soft and accurate game today, he showed flashes of driving and serving power much like that of Murray, and it is evident that tomorrow's match will be a fully contested championship tournament of past years.

The National clay court champion was master at all stages of the contest.

Tilden's cut returns which bounded but a foot or so from the turf made it hard for Kumagae to use his looping high and heavy chop strokes. Tilden's frequent change of pace, both in service and volley, completely threw Kumagae off his stroke. Occasionally he elicited applause from the gallery by a brilliant drive along the side lines, but during the greater portion of the match Tilden was in command of the situation.

As the Japanese warmed up he improved on his handling of Tilden's returns, but the latter immediately increased the severity of his play and by mixing emphatic backhand drives kept Kumagae constantly on the run.

He also took a turn at nicking the side and base line with shots which found the Oriental completely out of position.

Tilden won the third set and match at 6-0, with a point score standing 25 to 12. Before the speed and versatility of Tilden's racket work Kumagae was absolutely helpless, his game going to pieces during the third set.

Junior Doubles Settled.

The junior National doubles championship was won by Harold Taylor, of Brooklyn, and Vincent Richards, of Fookers, New York, who defeated Gerald Emerson, of East Orange, N. J., and Harold Dorenheimer, Philadelphia, 6-3, 3-6, 6-3.

Early in the afternoon two tennis players well beyond the 45-year age limit met for the veterans' National championship, Riss, Burchard, of the West Side Club, and Manning, of F. Anderson, of the Kings County club, in straight sets at 6-4, 6-4.

The match was well played and at times sparkled with clever strokes and long rallies, both veterans moving about the court in a manner that would have done credit to players many years younger.

Great Lakes Naval Training Station Lad Carries Off Title.

CHICAGO, Sept. 2.—W. A. "Buddy" Wallen, of the Great Lakes Naval Training Station, won the National A. A. U. one-mile swimming championship here today, defeating Herman Lauda, formerly of St. Louis, in 25:08 3/5.

Six Heats Decide Race.

ST. PAUL, Minn., Sept. 2.—Six heats were necessary to decide a winner in the 2:05 pace, the feature event on the Great Western circuit harness programme at the State Fair here today. The Pointer Queen, driven by Dick McMahon, took first money. McMahon also piloted a winner in the 2:11 trot. The 2:30 pace resulted in a victory for Miss Minta. The 3-year-old pace went to Peter Fletcher in straight heats. Best times: 2:30 pace, 2:07 1/4; 2:11 trot, 2:09 1/4; 2:30 pace, 2:09 1/4; 3-year-old pace, 2:10 1/4.

ZEROLENE

The Standard Oil for Motor Cars

The Popular Motor Oil

Correct Lubrication for the Air-Cooled Type Engine
Proper cooling and correct lubrication are two things vital to the life of any automobile engine. Engines are either water-cooled or air-cooled. Our illustration is of the air-cooled type.
Engines of this type, like all internal combustion engines, require an oil that maintains its full lubricating qualities at cylinder heat, burns clean in the combustion chambers and goes out with exhaust. ZEROLENE fills these requirements perfectly, because it is correctly refined from selected California asphalt-base crude.
ZEROLENE is made in several consistencies to meet with scientific exactness the lubrication needs of all types of automobile engines. Get our "Correct Lubrication Chart" covering your car. At dealers everywhere and Standard Oil Service Stations.

More ZEROLENE is used for automobiles on the Pacific Coast than all other oils combined.
Leading motor car distributors praise ZEROLENE, correctly refined from selected California asphalt-base crude, because it maintains its lubricating body at cylinder heat and gives perfect lubrication with less wear and less carbon deposit.
ZEROLENE forms and keeps a perfect lubricating film around the pistons and cylinder walls. It leaves less carbon because, being made from asphalt-base crude, it burns clean and goes out with exhaust.

CORNFOOT IS VICTOR

Foundation Team Loses Labor Day Game by One Run.

RAGGED CONTACT PUT UP

French High Man of Day, Scoring Four Runs, Several Tearing Across With Two Runs Each. Lee Steals Home.

Foundation was defeated yesterday afternoon by the Cornfoot nine in a rugged exhibition of baseball by the score of 11 to 10. Not until the last out was made could the winner be established. From the very first frame the game developed into a see-saw.

Cornfoot led the lead in the first inning when French singled, stole second and hit two men on base. Blanchard's grounder to third, Foundation tied the score in the second, when Fisher singled and scored on Lind's two-bagger.

Both Clow and Fitchner pitched fair ball until the fifth frame, when the former was touched up for five runs and six hits. Every man on the team faced "Kewpie" at least once and aided by poor pegging by Peterson, Foundation's receiver, Casey's men were able to score all those runs.

Foundation came back in her half of the fifth and scored twice and took the lead in the sixth, when Bertie Fitchner was touched up for three hits and two runs, and two men were down. Had Lee not missed Peterson's foul fly, the side would have been retired without any markers in the run column.

Cornfoot scored five runs in the last two frames, but received an awful scare in the ninth, when Manager Cason's men had put three runs over and had a man on second on 2-2-7 after. Here Fitchner tightened up and after striking out Clow, forced the other two men to retire on easy grounders.

Lee startled the crowd in the eighth frame when he stole home while "Kewpie" was winding up. Both hurlers were touched up for 14 hits, and the pitching on neither side was sensational. A large Labor day crowd attended.
