WASHINGTON, Sept. 12.—(Special.)—
Will M. Hays, chairman of the National Republican committee, replying today to a message from Secretary Tumulty, said it was not true that he said to Republican state chairmen in Chicago recently that the Democratic leaders at Washington "would even end the war with any kind of compromise if that would insure continuance of the Democratic party in power."

NEW YORK, Sept. 12,—(Special.)—
Mr. Hays today sent a letter to Mr. Tumulty immediately on receipt of a copy sent to him this morning of the telegram sent him by Mr. Tumulty yesterday at Indianapolis. Mr. Hays is in Washington and this, morning had not yet received the telegram, but asked Mr. Tumulty for a copy. This copy came and immediately the following letter was sent to Mr. Tumulty:

At that meeting I made remarks referring in a general way to the length to which ing I made remarks referring in a general way to the length to which Democratic leaders are going in their efforts to control the Senate and House, and also as to the irrevocable stand of the Republican party for a vigorous prosecution of the war and against an inconclusive peace.

From such action it is evident, and I regret to say it, that these Democratic leaders will go to any length to carry the Senate and House. Such unpatriotic efforts to use the war for partisan purposes must fail. Such inevitable failure was indicated by the Wisconsin result; it was further shown in the Michigan pri
