Rumors That British Government Will Fix Calcutta Values.

MARKET TO BE STABILIZED

to determine maximum prices for burlap in Calcutta, and whether these rumors are unsettling effect on the burisp market. One of the statements made names a price of from 9 to 12 cents. These figures represent about a half of present values, and naturally such talk has quieted trading until buyers can get authentic information.

Other Importers who have been investigating the report say that from the in-formation they can get, the British govern-ment has given no thought to stabilizing burlap prices, and that rumors of a fixed current figures, were started by the desire and possibly the request of the United PORTLAND MARKET QUOTATIONS

States Government to obtain buriap direct at the same quetations stocks are obtained

by the British war officials.

The Government recently placed orders with importers for 2,500,000 yards of 10-cunce buriap. These goods are to be delivered by December 31. The buyers of buriap in the quartermaster's department announce that the Government will soon ask for additional bids, as great quantities will be needed the first half of the coming year,

MORE INTEREST IN BARLEY MARKET One Hundred Tons Sold at Exchange-Cheapest of Feed Grains,

One hundred tons of September feed barley were sold at the Merchants' Exchange

where sold at the Merchants' Exchange Fraterday at \$51, a dollar under the bid price of Monday. More interest is expected to develop in the bariety market, owing to its relative cheapness. Corn bids were reduced \$1@1.50. Local and Eastern oats were steady.

Weather conditions in the Middle West, as wired from Chicago: "Winnipes, cloudy, 51: 10.20; barley four, \$11 per barrel; rys four, \$12.50 per barrel; corn flour, \$12.50 per barrel; corn flour, \$11.30 per barrel; corn flour, \$12.50 per bar Valley, partly cloudy, cool. Forecast: Min-nesota, unsettled, with probable showers tonight and Wednesday warmer. Balance of grain belt generally fair and warmer to-night and Wednesday."

Terminal receipts, in cars, were reported by the Merchants' Exchange as follows: Portland- Wheat, Bar, Flour, Oats, Hay,

PLENTY OF GRAPES ON MARKET

Stendy Level.

Grapes were plentiful and with a good local demand prices were steady. Five cars arrived from California and 200 crates of the Malagas arrived in poor condition. Malagas were quoted at 5@T cents a pound and Tokays at 7 cents a pound, or \$2.22 per crate. Network of the Malagas arrived in poor condition. Malagas were quoted at 5@T cents a pound and Tokays at 7 cents a pound, or \$2.22 per crate. Oregon Malagas and Tokays sold generally at \$1.25@1.50, mostly \$1.60. Soms crates, four-basket carriers, mixed Tokays, Malagas and Ross of Peru, the latter overtipe, sold at \$1.50. Two cars of grapes were walls Walla, \$2.25; California Browns, \$2.50. Malagas and Rose of Peru, the latter over-ripe, sold at \$1.50. Two cars of grapes were Walla Walla, \$2.25; California Browns, \$2.50. There were no fresh carlot arrivals of car

oupes and stocks cleaned up well at un-

sales of Anjous were reported. Oregon pear shipments announced were three cars to Chicago, two to New York and one each to Baltimere, Washington and Norfolk.
Other Oregon produce shipments were two

ears of apples to New York, one car of ap-ples to Omaha and one car of onlons to San Francisco. One car of Oregon peaches was started for this city. Shipments for the Portland market in-

cluded three cars of potatoes from Idaho and the car of onions from California.

GOVERNMENT INTERESTED IN FURS

May Be Large Buyers for Military Purposes During Winter,

The Government is reported to have en-tered the fur market lately and no doubt will be a large consumer of furs suitable for military purposes for delivery within the next few months. This action on the part of the Government should serve to part of the greatest alroad position. further furtify the present strong position of the trade and will probably have a stimulating effect on business in the immediate

the best demand, say advices from St. demand for lynx and wildent, also good qualify wolves. Otters are beginning to move more freely. Haccoon, opossum and American ermine are commanding better prices. All other furs are selling on the basis established in the April sale or higher. with the exception of beaver, which is still

The potato market continued weak, but boy Burbanks again commanded \$3.25@

Onions were unchanged on the local mar-et with a moderate movement. Tomatoes were weak at 45@50 cents for the best and down to 25 cents for poore grade. Besides large home-grown receipts, 200 boxes came in by express and 200 boxes

FIRST CAR OF FILBERTS COMING

This Will Be Only Shipment to Reach Port-land This Year—No Brazil Nuts. The first car of imported filberts is on the way to Portland from New York and is due to arrive here about October 1. It is the only car that will come this season, as the Gov-

Reports of Sharp Cut Lack Confirmation, but Effect Checking of Business — Northwestern Bag Scason Closes With Surplus.

With the distribution of grain bags practically completed in the Northwest, there is little interest in this commodity now, and the market is on a nominal basis, around 24th cents. There is some surplus, as has siways been the case at the end of a grain bag season. California, however, still research and the case as the end of a grain bag season. California, however, still research and the case as the end of a grain bag season. California, however, still research and the case as the end of a grain bag season. NEWS OF GENERAL EMBARGO CAR-RIES PRICES DOWN.

Forecast for Favorable Crop Weather Adds to Bearish Sentiment. - Oats Supported by Government Buying.

CHICAGO, Sept. 17 .- As a result of the general embargo on grain shipments to Western primary centers, unless storage Western primary centers, unless storage room was arranged for, the corn market room was arranged for, the corn market today showed weakness the greater part of the session. Prices closed nervous, 5-8 to 11-4c down, with October \$1.521-4 to \$1.521-2 and November \$1.481-8 to \$1.521-2 and November \$1.481-8 to \$1.483-4. Oats, on the contrary, gained 1-8c to 1-29 5-8c, and provisions advanced 5c to 70c. Announcement that the railway embargo had been made all-embracing brought about a sharp break in corn values promptly after the opening. At the same time, the fact that no frost was shown on the weather map and that the forecast was for more warmth and sunshine tended toward bearish sentiment.

Support for oats came for the most part

NEW YORK, Sept. 17.—Political rumors, restored today's stock market from a session of lethargic character to one in which active to the highest levels of the day.

While wall street could obtain no confirmation of vague reports that the Hohenzullern dynasty had abdicated, or was soon to do so, circulation of them on the financian news ticker facilitated a recovery from the earlier pressure which, concentrated on opeculative issues and United States Steel, in many instances had carried prices down in the previous day's close. United States Steel more than made up its loss during the final period of covering, closing at 100%, or five-eighths of a point higher than the previous day's close.

Other stocks which participated notably in the final up-swing were Canadian Pacific, which advanced 4 points, and American Car, American Telephone, Bethlehem Steel, Texas Company and Moxican Petroleum, General Motors regained 3½ of its loss of 5% points, suffered earlier in response to announcement that Chewrelet Motors, in its proposed dissolution, would distribute assets including 450,000 shares of General Motors leaves the continued their recent downward course, losing from 5 to 50 points, attributed to favorable war news and international political rumors.

Foreign war issues were extensively dealt to the final up-way and motorable war news and international political rumors.

Advances Offset Declines in Most Domestic Markets.

WEEK'S MOVEMENT LARGER

Forty Cars of Cranberries Started From Massachusetts - Potatoes Selling Higher in East, but Barely Steady on This Coast. .

Marked advances continued in potatoes, cantaloupes, peaches and pears, while cabbage markets continued very weak and aweet potatoes declined. Apples, onions, grapes and most other lines showed no uni orm trend. Carlot shipments were heavier for potatoes, sweet potatoes, cabbage, onions

form trend. Carlot shipments were heavier for potatoes, sweet potatoes, cabbage, onions, apples and grapes, and lighter for peaches, cantaloupes, pears, watermelons and lettuce. Other lines continued in fairly steady volume. Total movement for the week was 11,528 cars, compared with 9,583 lant week and a total of 11,552 for the corresponding week last year. Says the Weekly Produce Raview, issued yeaterday by R. L. Ringer, in charge of the local office of the Bureau of Markets:

Michigan Fail varieties of apples range somewhat lower at \$4,50,000 per barrel and \$1,25,61,75 per bushel basket, trackside at shipping points. At Rochester, N. Y. leading Fail varieties, A24 ranged \$4,50,000 for consumption markets Oldenburgs, Gravensteins and other leading Fail varieties ranged \$4,25,67 per barrel. Northwestern bexed apples ranged about steady at \$2,25,64,50,07 st.25,61,50 higher than in 1916. Total shipments this week, 1162 cars, compared with 637 last week. Movement is active from most sections except the Middle West.

The peach season of the Northwest was early and very short this year, and has sirendy passed into Ristory, although a year ago now it was at its height. Last year Washington shipped 1920 cars, and this year leas than 650. Last year Oregon rolled 65 cars and this year only 7.

The grape movement continues active from California and is increasing from Eastern shipping sections. Total was 1633 cars, compared with 1530 last week. Michigan Concords sold at 25 cents per four-dust basket. Then the Goldenburge of the shipping points, closing at \$3 per bushel basket f. o. b., for New York and Bartletts ranged \$3,63,75 per bushel basket in consuming markets. California Bartletts at aunition followed a high general range, mostly \$3,64 per box. Shipments were 536 cars this week, compared with 530 last week.

The victure of the consuming markets. California Bartletts at aunition followed a high general range, mostly \$3,64 per box. Shipments were 536 cars this week, compared with 570 last week.

with 570 last week.

The watermelon movement declined to 147 cars. Forty cars of cranherries were started from Massachusetts. Cucumber shipments were 48 cars, mostly from New York. from Massachusetts. Cucumber shipments were 48 cars, mostly from New York.
While potatoes have jogged slong steadily or even sagged a little on the Pacific Coast, they have advanced sharply in the Middle West and jumped in values along the Atlantic Coast. The Texas market felt a little of the increase and Colorado-Idaho white stock is still selling to the trade at \$3.50 per hundred, while fancy California Burbanks bring \$3.75 pt. The consuming markets of the Coast have held steady and prices at shipping points are practically unchanged, with Burbanks bringing \$252.25 in Southern Idaho and long whites and Downings \$1.50 pt. In Colorado. The shipments for the week are a record so far this season, with 377d cars, as compared with 2559 last week and 2839 the week before. Idaho shipped 162 cars.
Consuming onion markets were steady to firm in the East, but weaker in the Middle West. California shipping points continued steady at \$1.50 pt. 70 per hundred, f. o. b. Shipments increased to nearly 160 cars per day. New York and Massachusetts stock is moving freely.

I ish sentiment.

Support for oats came for the most part from buying credited to the Government and to the Northwest.

Improved cash inquiry made provisions advance. The downward tendency of corn had only a transient bearish effect.

Leading futures ranged as follows:

CORN.

CORN. today. The opening was unchanged, but small offerings were readily absorbed, and after seiling at 0.35c early March worked up to 9.40, while July advanced from 9.65 to 9.70. The close was within a point or two of the best, net unchanged to seven peints higher. September, 5.50c; October, 8.65c; December, 8.95c; January, 9.10c; March, 9.40c; May, 9.55c; July, 9.68c. The Land's Behind the Loan

No longer is Security, Interest or Safety a question at issue in the subscription to Liberty Bonds. We have the Nation and its 250 Hillion Dollars in Resources as Colinteral. We know the Interest rate of 4%% is Substantial. We know they are as safe as SAFETY ITSELF.

Above and beyond all else-we know it means Backing the Boys So let the question be HOW MUCH SHALL I SUBSCRIBE TO THE 4TH LIBERTY LOAN, WHEN DO I SUBSCRIBE, and WHERE?

Subscribe your ASSIGNED QUOTA; do it at ANY BANK-and AT

American Foreign Banking Corporation 56 Wall St., New York
