

WAGE HEARING SET

War Labor Board Will Hear Interurban Trainmen.

SEPTEMBER 30 IS THE DATE

Rise to Scale Paid Steam Road Employees Is Asked by Workers on Freight, Passenger Trains

DAIRYMEN WOULD SELL

Vanishing Profits Prevent Buying Liberty Bonds.

Patriotism Is Protested by Owners of Herds, Who Declare They Are Forced to Quit Business.

Dairymen are preparing to retire from the business because of diminished revenues and increasing costs of feed and labor, according to information received yesterday by J. D. Mickie, state dairy inspector.

Mr. Mickie received a report from Chairman Deekenbach, of the Marion County Liberty loan committee, that not less than six dairymen who were visited in one day were offering their herds for sale because of the shortage of certain varieties of feed and the poor returns.

It is a question of finances, the dairymen have explained, and they are not able to pay the high price now prevailing in the feed market under present conditions, much as they would like to remain in the business and do their patriotic duty.

In Washington County the situation became so serious that a mass meeting of dairymen was held in Hillsboro Saturday night, and resolutions adopted for presentation to the National Food Administration, asking that wheat grown in the Northwest be milled in the Northwest, in order to give a greater supply of wheat to producers, which form the chief basis of complaint.

While selling at a high figure, comparatively plentiful, stock owners say, and no difficulty is expected in obtaining an adequate supply of roughage.

GADSBY FUNERAL IS HELD

Body of Late Captain Committed to Earth at Riverview.

Funeral services for Captain William Gadsby, Spanish-American war veteran, and one of Portland's most prominent furniture dealers, were held yesterday in Finley's chapel, Rev. A. A. Morrison, rector of Trinity Episcopal Church, officiating. Interment was at Riverview cemetery.

The honorary pallbearers were: Judge C. H. Carey, General Charles E. Beebe, L. G. Robinson, J. G. Robinson, R. R. Gittner and M. B. Wakeman. The active pallbearers were: Ira F. Powers, T. H. Edwards, F. S. Doernbecher, John Casey, Judge C. U. Ganfwein and W. H. Beharrell.

Captain Gadsby is survived by his widow, two sons, Ben and Walter Gadsby and one daughter, Mrs. Walter Korf, all of this city.

BOND BUYING IS PRIVILEGE

Speakers at Library Hall Deliver Stirring Talks on Loan.

Purchase of liberty bonds and the necessity of putting forth every effort to win the world war were subjects of discussion at the meeting of the Jackson Club, held in Library Hall last night.

Dr. J. W. Morrow expressed himself as ashamed of the showing made to date, G. Y. Harry, who recently returned from a trip to Spokane and Boise, said the inland towns, although badly hit by exodus of workers to coast cities, are making no complaint relative to the raising of money for war purposes. President Vaughn, who presided, declared the purchase of liberty bonds to be a privilege and a duty that every citizen should embrace.

Mrs. Webber spoke upon the important duties devolving upon the women.

RESORT MANAGER IS HELD

C. H. Lewis Indicted for Permitting Lottery to Operate.

C. H. Lewis, manager of the Columbia Beach pleasure resort, was indicted on a charge of permitting the operation of a lottery game, in a true bill returned yesterday by the Multnomah County Grand Jury. M. O'Toole and E. H. Broder were indicted for operating the alleged lottery. The men were arrested two weeks ago by deputy sheriffs after a candy lottery in operation at the resort was raided.

George Bellamy, with a past criminal record, is charged with burglary in another true bill, reported out. He is accused of entering the home of Dr. H. S. Nichols, 5125 Vista Avenue, last Saturday night. Several secret indictments were returned.

DELINQUENT SALE IS HELD

Sixth Installment of Property Disposal Sees All Lots Sold.

The sixth sale of delinquent property was held yesterday by the city of Portland from the Fourth-street building in the County Courthouse. All property offered was sold, as the city bought when there were no other bidders.

According to estimates prepared by City Treasurer Adams, the city has purchased approximately \$200,000 worth of property at these sales. The property will be held for three years, unless redeemed by the owner, after which the city will secure title and may re-sell the property to reimburse the municipality for money expended in street and sewer improvements.

FIR FOR CARS IS ORDERED

West Coast Agent in Washington Says More Business Is Promised.

Portions of the car material order of 20,000,000 feet, apportioned to the mills of the Northwest, were allotted yesterday to millmen at a conference of leading operators of Oregon with H. B. Van Duzer, chairman of the fir production board.

The order was proclaimed as only the forerunner of other large calls which the railroad administration will give lumbermen of the Northwest in statements of Dwight H. Davis, Washington representative of the West Coast Lumbermen's Association. There is the promise, of course, that the mills complete the immediate orders which they complete expeditiously.

CUT THIS OUT—IT IS WORTH MONEY.

DON'T MISS THIS. Cut out this slip, enclose with it and mail it to Foley & Co., 2823 Sheffield Avenue, Chicago, Ill., writing your name and address clearly. INSTITUTE IS STATED

HOME SERVICE DEPARTMENT OF RED CROSS WANTS WORKERS.

Objective is to Conserve Home Life So That Soldiers Will Have No Concern Over Relatives.

Miss Virginia McMechem arrived in Portland yesterday from Spokane and began the institute of the home service department of the Red Cross, in which between 25 and 30 women will be fitted for the important work of this branch.

The course of six weeks given the selected volunteers fitting application in an intensive one, fitting them to carry on the informational and visitation service of the Red Cross. They give of their time in visiting the families and dependents of soldiers, disseminating information about soldiers' insurance and allotments, instructing in employment matters, child welfare and health topics.

Dr. George Rebec, of the University of Oregon, is director of the institute and Miss Dorothy Wyszor executive secretary of the home service department.

There are places for eight or ten more members in the class which must be filled this week. Applications should be made to Miss Wyszor, room 204 Corbett building.

"Our big objective," said Miss McMechem, "is that of conserving the home life of the soldiers' dependents called away will have no serious concern about their relatives. The work means much in maintaining the morale of the soldiers."

NILES LANDS COMMISSION

Hill Student, Lieutenant, Gets Assignment to O. A. C.

Carson Perry Niles, of Everett, Wash., a graduate of Hill Military Academy of the class of 1918, has received a commission in the commission and is assigned to Oregon Agricultural College as one of the instructors in the Student Army Training Corps.

Lieutenant Niles was one of the Hill cadets who went to the student instructors' camp at the Presidio this summer. He is a visitor in the city.

Albert H. Bell, a graduate of Hill, class of 1915, has received a commission at Camp Taylor and is now at Camp Mead, assigned to the heavy artillery. Oswald Day, another Hill graduate, was recently commissioned and Albert H. Carruthers is an officer in the Aviation Corps.

M. JAY MYERS, 60, DIES Deceased Was Leading Expert on Barred Plymouth Rocks.

M. Jay Myers, residing at 1594 Division street, died at the Good Samaritan Hospital Sunday aged 60. Oregon has been his home since 1891. He was married to Harriet S. Ideman, December 21, 1881. She is living, also a son Russell.

sell D. Myers, who joined the aviation corps of the U. S. Army and now is in Europe. Mr. Myers was one of the leading experts of the Pacific Coast on Barred Plymouth Rocks. He had several pens of the Barred Plymouth Rocks at the Panama Exposition securing prizes and sweetstakes over all competitors.

At one time he was president of the Oregon Poultry Association. The funeral will be at Finley's Chapel, Fifth and Montgomery streets, at 10 A. M. today.

White Salmon Students to Drill. WHITE SALMON, Wash., Sept. 23.—

(Special.)—Military drill has been introduced in the White Salmon High School under instruction of J. W. Dickey, formerly Lieutenant in the Iowa National Guard and later filling a similar office in the Iowa Volunteers during the Spanish-American War. Five drills are given weekly and every student is enthusiastic over the work.

At present wooden guns will be used for the manual. Oregon Again Goes "Over the Top." WASHINGTON, Sept. 23.—Complete returns received today by Provost Marshal-General Crowder show draft registration in Oregon 106,958, against an estimate of 84,404.

Why 10-Key Daltons are chosen by the Railroads Over 200 work for the Pennsylvania Our Railroads are America's largest industrial corporations. Their daily figure work is enormous. Machines are subject to heavy duty and are bought for organizations, not individual preferences. The number of DALTONS used by the Pennsylvania System is typical of DALTON demand. The simple 10-Key keyboard is instantly grasped by any employee. Accuracy is assured because the opportunity for error is eliminated. A figure item of six figures, followed by one of four figures, followed by one of one cent—the DALTON puts dollars under dollars, cents under cents automatically. That is one reason why the DALTON is the fastest adding and listing machine made. It saves miles of hand movements, saves continuous eye reference to figures and keys. Operators attain unequalled speed because they operate by touch. Make a test on your own work and see for yourself. Phone Broadway 3712 for Demonstration. The DALTON adds, subtracts, multiplies, divides, figures interest and chain discounts, adds two totals at once, makes out statements, tabulates. Let us bring a machine to your office for your inspection, or write for booklet today. Portland Sales Agents— J. G. MEEKO 218-220 Lumbermens Building Main Office and Factory, Ciccianni, Ohio.
