

KRIVOSKEY SHOWS CLASS AT SEATTLE

With Bout With Farmer Over, San Francisco Hurries South to Meet Another.

MCCARTHY ALSO HOPEFUL

Boxer Promises to Make It Awful Hot for Young Muff Bronson. San Francisco Putting On Attractive Card Tomorrow.

BY JAMES J. RICHARDSON. "Knockout" Krivoskey, San Francisco middleweight, who fought Jimmy Darcy in this city a couple of weeks ago and who knocked Frank Farmer off the boards at Seattle Tuesday night in their four-round clash, almost putting Farmer out several times, is in line for some big battles in San Francisco, according to Sol Levinson, who accompanied Krivoskey to the Puget Sound metropolis. Levinson arrived back in Portland yesterday with Mr. and Mrs. Krivoskey and Johnny McCarthy. Krivoskey and his wife left for San Francisco last night, where the middleweight is scheduled to fight Billy Murray tomorrow night at Dreamland Arena. McCarthy will remain here for his six-round clash with Muff Bronson tomorrow night at the Ice Palace. "I never saw Krivoskey go better than he did against Farmer," said Levinson yesterday, "and if he had any other fighter in the ring he would have given him a dose of the same medicine. The outcome of the battle was never in doubt. The fight had hardly started when 'Kayo' planted a hard left on Farmer's jaw and he went down for the count of nine. Farmer no sooner regained his feet, when Krivoskey swung another left to the same spot and Farmer was ready for the shower until the gong sounded just as the referee had counted nine, and saved him from a knockout. During the minute rest Farmer managed to revive the same as Harry Bramer did here in his fight with Joe Gorman. "Krivoskey repeated his performance again in the second round. Farmer hung on and elinched at every opportunity and Krivoskey had a hard time shaking him off. It was the worst beating Farmer ever took or ever expects to take. "Krivoskey has several offers to fight in San Francisco and also the East. His manager, Frank Lawlor, telegraphed him to go straight home, as he is billed to fight Billy Murray at San Francisco Friday night. "Johnny McCarthy put the skids under Mike Pete in a jiffy. I never saw a fellow go under so quick. McCarthy is in great shape and expects to knock Bronson out Friday night. "Johnny McCarthy resumed training yesterday afternoon for his bout with Muff Bronson at the Rose City Athletic Club next Friday night. The Irishman is confident he will beat Bronson, but expects a hard fight. "Every fight I have had in the Northwest, with one exception, has been by a knockout," said McCarthy yesterday, "and I am going to make it awful hot for Bronson while it lasts. I want to return home with his scalp dangling at my belt."

Next Friday night's fight card at San Francisco under the auspices of the Allied Promoters is as follows: Krivoskey vs. Murray, Soldier Curly Smith vs. Frankie Demy, Charlie Moy vs. Danny Edwards, Soldier Frank McCoy vs. Soldier Gordon McKay, George Drew vs. Soldier Jimmy Peters, Danny Resse vs. Billy Edwards and Frankie Travis vs. Joe Coffey—all four-round bouts.

Eastern sporting writers are having a merry time trying to call the outcome of the Leonard Lewis affair anywhere near even. There seems to be a big division of opinion regarding the outcome of the eight-round clash, with Leonard having the edge in the number of writers who accorded him the shade. Some of the scribes say it was even.

and one poor boob who said it was not going to be any kind of a fight, but just a friendly sparring match is sitting back in the corner with an awful headache.

RUTGERS PROSPECT BRIGHT

Coach Sanford Has Ten Last-Year Men Back in the Fold.

Perhaps no other Eastern eleven will start the season with brighter prospects on the gridiron than Rutgers. Coach Foster Sanford has available for gridiron duty no less than ten players who made brilliant records last fall. Among these men are Robeson, whose all-around play attracted a great deal of attention. In addition to Robeson, Coach Sanford has Captain Fetters, tackle; Gardner and Kelly, halfbacks, and Quarterback Baker.

At the outset of last season Rutgers attracted no more than passing notice, but before the season was half over they had scored several impressive victories over eleven which were considered to be the cream of the Eastern college teams. Rutgers reached the height of its fame when it handed Cupid Black's team a 14-to-0 lacing. It was that triumph which forced Rutgers to be considered one of the greatest aggregations of the season.

OPEN COMPETITION AIM

BARRING OF FOREIGN ATHLETES MEETS OPPOSITION.

Leading Association Men Fear Resolution Directed at Overseas Entries Will Imperil Local Sports.

SAN FRANCISCO, Cal., Oct. 2.—Amateur athletes of the Pacific Coast are taking more than a superficial interest in the resolution recently passed by the Pacific Athletic Association of the Amateur Athletic Union that foreign athletes hereafter be barred from competing for American championships. The resolution was fathered by Robert Dodd, president of the local association, and it is his intention to take the matter up with the National body at its next meeting.

Just what success it will meet with remains to be seen. John Elliott, who has been a prominent figure in athletics on the Pacific for a great many years and who is a past president of the Pacific Association, is one of those who believes that sport will be the loser by refusing foreign entries. He goes further and advocates an athletic tournament every five years for the particular object of inviting foreign competition and to encourage their presence he advocates that part of their expenses be defrayed by the National body.

"I am opposed to the 'tramp athlete,'" said Elliott. "I don't think any Tom, Dick or Harry should be allowed to come here and take away our titles. I am not opposed to foreigners competing in the United States championships, provided the laws of the Amateur Athletic Union distinctly state they can compete and provided such athlete or athletes are sent to this country with the proper credentials of their own country."

The resolution of the Pacific Athletic Association will be forwarded on to New York in plenty of time for the legislation committee to report on and in November it will be voted on for new legislation.

REED PLANS TWO TEAMS

GRIDIRON MEN WILL MEET AND ELECT OFFICIAL HEADS.

Reed Ellsworth and C. P. Wilson Probably Will Have Charge of Older Students' Aggregation.

The football men of the S. A. T. C. at Reed College will meet this afternoon in the gymnasium to elect a captain and manager. Reed will probably only have two teams, the freshmen and the upper class men, but all students at the college are expected to play for either one of the teams.

When Reed Ellsworth and C. P. Wilson called out the prospective stars yesterday afternoon, more than 50 responded to the first call. Ellsworth and Wilson will undoubtedly have charge of the older students' team, and will also act in the capacity of coaches. Lieutenant E. B. Hanna, commanding officer at Reed College, S. T. A. C., is a great booster of athletics, and will see that the physical education is not neglected.

Dr. Foster's programme on athletics has been the same ever since the school opened, a period of eight years, and although many changes had to be made in the athletic programmes of other colleges to meet war conditions, the Reed College athletic programme has been found to be entirely satisfactory by the War Department.

C. S. Botsford, former athletic director, will be greatly missed this fall, as he has not returned to college. It is still uncertain who will be appointed to fill his place.

BOND DRIVE NETS \$1000

ROSE CITY MOTORCYCLE CLUB TO HOLD SUNDAY FROLIC.

Fred T. Merrill, Business Manager of Organization, Kindly Donates Use of Famous Rose Vista Inn.

A number of enthusiastic members of the Rose City Motorcycle Club attended the regular weekly meeting at the clubrooms Tuesday night. As the club has prospered in the past year it was decided to buy a \$1000 liberty bond for the club. It was also decided to hold a big club run and dance in the near future, probably a week from this coming Sunday.

Fred T. Merrill business manager of the club recently extended an invitation to all of the members of the organization to make use of the famous Rose Vista Inn, also known as the 12-Mile House, for an outing on some Sunday. The 12-Mile House has not been open for some time, but it would not take the caretakers long to put in condition. The inn boasts of an excellent dance floor, dining rooms, and is surrounded by a beautiful grove.

Due to the meeting was drawing to a close Secretary-Treasurer Strine decided to start a miniature liberty loan drive and the members subscribed for \$1000 worth of bonds.

Black Bear Plentiful.

EUGENE, Or., Oct. 2.—(Special)—City Attorney O. M. Foster, Republican candidate for State Senator from Lane County, killed a bear weighing 260 pounds near his Summer home at Poulsbo, on the McKenzie River, yesterday. Harry Cox, of Goldson, while hunting near that place on Saturday, killed a black bear weighing 460 pounds. Bear, according to hunters, are more plentiful in this section of the state than for many years.

UP-STATE COUNTIES GIVE UP PHEASANTS

Portland Hunters, in Valley Districts, Bag Limit of Birds Without Trouble.

SEVERAL VIOLATORS TAKEN

Nimrods, Who Depart From Beaten Paths and Main Highways, Report Game More Plentiful Than for Years.

Varying reports continued to come in on the pheasant and quail hunting situation yesterday from the "fronts." Numerous nimrods had no trouble bagging the limit either the first or second day, while others literally "starved" on the meager number of birds for want of game.

There seems to be considerable confusion on the part of some of the hunters as to the boundaries of the pheasant or upland bird refuge in Multnomah County, and the usual number of arrests have occurred. Many of the hunters apparently do not know that they are shooting on a refuge, while others are acquainted with the conditions. Encouraging reports come from up the valley, and persons hunting in the vicinity of Harrisburg, Halsey and Independence do not seem to have any trouble in bagging the limit.

Hunters cannot expect to find the birds in droves along the roads, while those making the trip inland and out of the beaten paths find them plentiful. In the words of one authority there are more birds this year than for many seasons past.

Roy Coates and O. C. Voight were fined \$10 each yesterday for shooting pheasants in the bird refuge. Deputy Warden Craig arrested the pair. G. G. Grady was arrested on September 29 for shooting pheasants out of season by District Warden Clark. His trial will come up Saturday. M. E. Looney and T. Looney were arrested Tuesday near Tangent, Or., for having female China pheasants in their possession.

Three minors, Ralph Green, John Pfeiffer and Kenneth Hoyt were brought in by District Warden Clark from East St. Johns for shooting out of season and in the refuge. They were turned over to the Juvenile Court and were made wards of the court for six months. Other arrests for similar violations of the Oregon game laws have been made the last few days.

Yesterday's rain will give pheasant hunting an added impetus and should greatly improve the hunters' chances, especially those with dogs. A number of parties will journey forth again Saturday and Sunday and get their "bit."

Lee R. Dedman took a trip to Beaverton Tuesday and bagged four birds in the afternoon.

C. B. Preston, accompanied by several other well-known shooters, went after the ducks on the sloughs. They left Tuesday afternoon and before darkness set in Preston had 16 ducks in his sack.

Walter Backus, Dr. Dubois, I. N. Felschner and Dr. C. E. Stoltie will forsake the birds next week and on October 10 will leave for a fishing trip on the Rogue River, which will last several days.

MORRISSEY REPLACES MITCHEL

Main Entries Halt Training Today to Rest for Clash Tomorrow.

With one exception, tomorrow night's big fight programme at the Ice Palace will go off as scheduled. Peter Mitchell will not go on with Helme Schuman, the "fighting" marine, but Lee Morrissey instead will be substituted to fight the Mare Island terror. Matchmaker O'Connell, however, was assured by a representative of Mitchell that Peter would be in shape for the bout, but Mitchell was not consulted in time to allow him properly to condition himself for a battle with Schuman. Morrissey has been training with Joe Gorman and Muff Bronson and is in fine fettle.

McCarthy and Bronson are hard at it. McCarthy's double-quick victory over Mike Pete at Seattle has no terrors for Bronson, who is confident he will outpoint the fighting San Franciscan. Both will taper off their training today and then rest for their big clash tomorrow night.

Joe Gorman and Harry Bramer are ready for the sound of the gong starting them on their six-round battle. Bramer intends to uphold the reputation of the marines and will give the Northwest featherweight champion the battle of his life. Bromoe and Lough are also in good shape and are ready for their duel. The four-round curtain raiser between Joe Dundee and Young Dempsey will open the show.

BRICKLEY STILL SHINES

Former Harvard Captain Leads His Navy Team to 10-6 Victory.

Playing in the same dashing, brilliant style that marked his career as a gridiron star at Harvard five years ago, Charles Brickley, now an ensign in the United States Navy, led the football team of the Seven of the Naval transport to a victory over the team of the U. S. S. Arizona at Steens Field, in Hoboken, N. J., last Saturday. The score was 20 to 6.

The old-time Cambridge captain quickly demonstrated that his Naval duties had nowise dulled his ability by scoring a field goal from the 15-yard line in the first period, gaining three points for his team.

In the fourth period he scored a touchdown and kicked goal.

Championship Battles On.

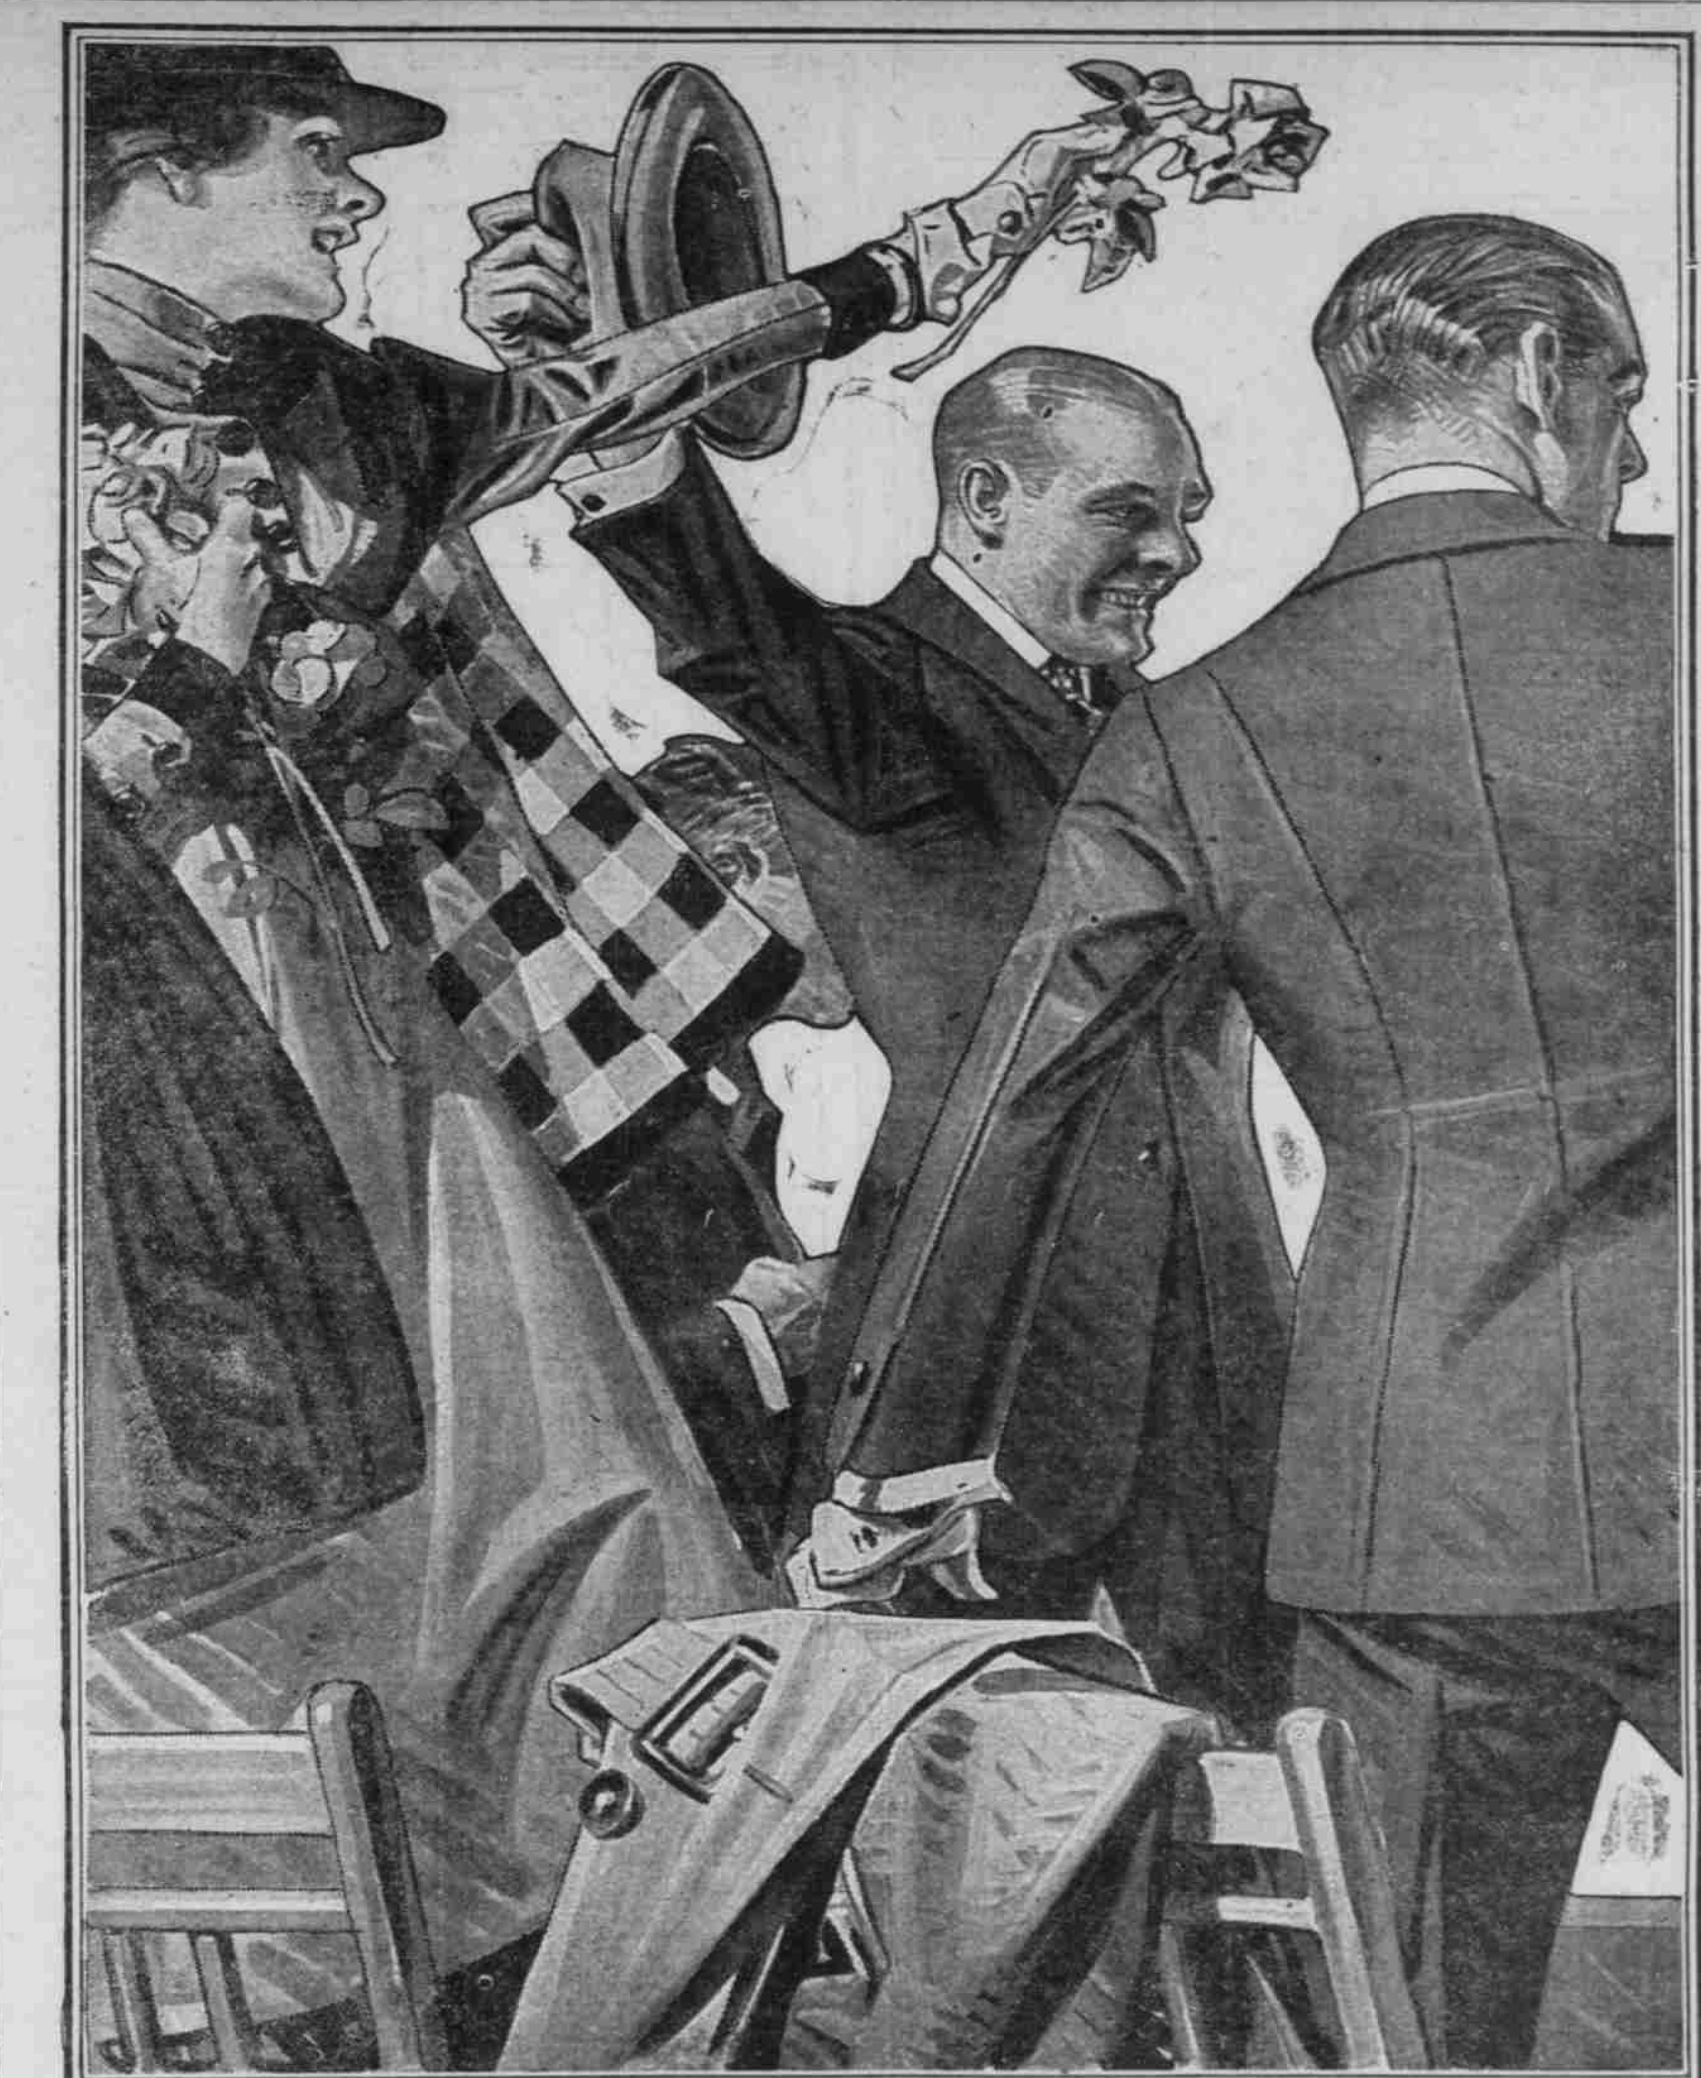

A series of battles for the heavy-weight championship of the Navy are now being fought at the Naval training station. The prize, a sterling silver belt, was donated by Jess Willard, heavyweight champion of the world. It is now announced that the champion, Ted Lewis and Johnny Kilbane will donate belts for the tournament representing their classes.

All Officials Re-elected.

All of the old officials of the British Columbia Field Trials Club have been re-elected for the year. They are: President, H. S. Robinson; vice-president, Leslie Fraser; secretary-treasurer, C. Hermann.

Quantity Production Reached.

WASHINGTON, Oct. 2.—Liberty motor cars now have reached quantity production and American built airplanes are being shipped in train-load lots from the factories for service overseas. W. C. Potter, acting director of the bureau of aircraft production, made this announcement today upon his return to Washington from an inspection of factories building planes and motors.

HARD STRUGGLE IS DUE
FOUNDATION-BARRACKS TEAMS TO CLASH NEXT SUNDAY.
Game Will Be Preceded by Parade in Which Three Bands and Thousands of Fans Will March.
When the Foundation shipyard and Vancouver Barracks gridiron teams meet at Vaughn-street park next Sunday in the first big football contest of the season the famous college spirit will enter into the big struggle for supremacy.
Three bands—Foundation, Vancouver Barracks and Second Provisional Regiment—will blare forth patriotic and "jazzy" music while the husky warriors are trying to mow each other down. The thousands of employes at the Foundation shipyard plant will be out in force and promise to rend the air with "yells" and "rahs" that will put the biggest colleges to shame. Like-wise Vancouver will send over a large delegation of khaki-clad warriors who promise to give the Foundation rooters a rare treat when it comes to cheering their players.
The big game will start promptly at 3 o'clock and will be preceded by an automobile parade through the downtown streets starting at 1:30 o'clock with the three bands leading the way. The proceeds of the clash will go to Uncle Sam's Kanning Kitchen, which has 15,000 quarts of fruit and vegetables ready to send to the base and reconstruction hospitals.
The Foundation team is practicing at Vaughn-street park each night and Coach George Dewey has his squad in pretty fair shape. They expect to give the soldiers a hard tussle.
Tickets for sale at all of the big clubs, also A. G. Spalding & Bro., 51 Rich cigar stores and Meter & Frank's gent's furnishing department. "Hot dogs" will be sold by the Portland Caters' Association.
Grays Harbor to Get Trout Fry.
ABERDEEN, Wash., Oct. 2.—(Special)—Game Warden Jack Winslow has been notified that 12,000 cutthroat trout in the 10th round. It is estimated that 5000 people saw the match, 2000 of them being wounded soldiers.
JIMMY WILDE WINS AGAIN
English Lightweight Champion Defeats Fast Featherweight.
The latest news from London at hand tells of another remarkable triumph achieved by the noted British boxer, Jimmy Wilde, who, in a match a few days ago with Jimmy Conn on the Chelsea football-field ground conceded nearly 20 pounds in weight to his opponent and won in the 12th round. Conn has been recognized as one of the leading featherweights of England.
In the 12th round Conn was in such a helpless state that the referee stopped the contest. Several thousand American soldiers and sailors for the first time saw the English flyweight wizard in action and were held spellbound by his ring generalship and battling qualities.
