Entente Nations Declared to Be Opposed to Armistice.

FOE'S INSINCERITY PLAIN

Possibility Seen That German Proposal Would Involve Negotiations Lasting for Years.

be protracted for months and perhaps even for years, in the hope that the offensive spirit of the allied armies would meanwhile decline.

would meanwhile decline. The apparent acceptance by Germany of the points of President Wilson's pro-gramme he characterized as "vague." If she had really meant to accept them she would have made clear her intentions, in his view, by evacuating the territories she occupied and retiring behind her own frontiers.

behind her own frontiers. In the event of an acceptance by the allies of the offer of negotiations while German armics were near their pres-ent positions, the diplomatist pointed out, Germany would still have in her possession pledges in the shape of ter-ritory for use in negotiating better iterms. Hun Heart Not Changed. Germany in her latest peace offer seems anxious to save her own skin, Germany in her latest peace offer seems anxious to save her own skin, Mention of the German Chancellor to behind the American people ought to learn is that we've just started to whip Germany. We are here talking is fi Germany were already whipped. We ought to let the people know there is nothing more calculated to weaken subscriptions to the liberty loan. We must get the Kaiser absolutely on his knoes, before listening to terms." Senator McCumber characterized the proposal of the German Chancellor to

Germany in her latest peace offer seems anxious to save her own skin, even at the expense of her allies, said George Nicoll Barnes, member of the war cabinet, in a speech at Derby last Senal night. The latest offer showed no change of heart and no change in the

"If anything could come of the overtures," he said, "we should be foolish to deny ourselves that chance. But it would smooth and facilitate the path to peace if the Germans showed some evidence of work following their protestations of faith. By clearing out of France and Belgium they could save their own souls." out

(Continued From First Page. still would be at the mercy of Ger many.

"It would leave Belgium and France in would leave beigning and Prance unindemnified; it would leave Constan-tinopis, strategically, the most impor-tant in the world in commercial lines with Asia, still dominated by the un-speakable Turk and leave the German and Turkish alliance still intact." Senator Hitchcock, of the foreign re-lations committee, here interrupted Senator Poindevier to ask.

Senator Poindexter to ask:

"as absolutely essential is restoration of Almace-Lorraine." "Don't you think," suggested Senator Lodge, "that the plain English of it is that an armistice now would mean the I do not think that that is too strong statement," replied Senator Poin-

Attention. was called by Senator Borah to a speech made by Fresident Wilson in which he said the United States could not deal with the Govern-ments of the central empires because they were without honor and added:

they were without honor and added: "We cannot come to terms with them but they must come to us." Senator Lodge spld: "I do not believe the President has the slightest thought of agreeing to any armistice at this time. I can't imagine it. While we have no right to settle the form of German gevern-ment or that of anybody else, we do have the right that when we negotiate we do it with somebody who does not regard treaties as scraps of paper."

regard treaties as scraps of paper.' Discussion Held Dangerous.

"It is not a question now of the 14 points, or the eight points or four points or whatever they are. The question now is very simple. Germany

Do Your Xmas Shopping Early-This Store Is a Depository For Dry Fruit EDITORIAL. Your Confidencemeans so much to us that the

desire to obtain and retain it directly influences every business transaction we take part in.

When we buy merchandise, our one thought is "will this quality and style measure up to our customers' expectations ; will it prove so satisfactory that she will make future purchases with the confidence that she is getting all that she is entitled to?' This same thought is uppermost when we plan a special event; when we write an ad; when we plan any change in our service equipment; when we engage the services of a salesperson; and unless the answer is an affirmative one we reject the proposition, no matter what it is. When you come into this

store, we want you to be able to confidently say : "This is one store where I know I will get honest values and fair treatment every day in the year."
