Morris Brothers, Inc. The Premier Municipal Bond House of Oregon. Established Over Twenty-five Years. Morris Building, 309-311 Stark St., Portland, Ore. Telephone Bdry. 2151.

Buy a Bond on Terms Let's Keep Oregon's Quota of Liberty Bonds in Oregon. We want you to help us keep Oregon's quota of Liberty Bonds in Oregon. They are too good an investment for us to let our share of them get out of the State.

Here's How You Can Help First—Don't sell the bonds you now have and don't exchange them for other securities offering a higher rate of interest, but which may be worthless.

Unfortunately, however, some people are compelled from force of circumstances to sell their bonds, and we buy them at the market.

But there are just as many people who can afford to buy more bonds and thus keep these bonds in the State.

In order to enable you to get more of these highly desirable securities and at the same time help to keep Oregon's quota of Liberty Bonds in Oregon, we will sell you United States Government Baby Bonds of every issue on the following plan:

\$ 50.00 Bonds \$1 down and \$1 a week \$100.00 Bonds \$2 down and \$2 a week

Come in or write and get our booklet telling about Liberty Bonds.
