YANKS' DIN IN ROAD REPAIR SCARES HUNS

Sound of Blasting Makes Foe Think U. S. Still Fighting.

WIRELESS PROTEST SENT

Boches Persist in Barbarism Until Last, Drenching Villages, Housing Civilians With Gas.

WITH THE AMERICAN FORCES ON THE MEUSE, Nov 12, 6:30 P. M .- (By Associated Press.)-Blasting American engineers in a road repairing detachment caused the German high command to send a message to the al-lied high command contending that the Americans had not ceased hostilities on November 11.

The message sent by wireless to the allied high command was timed 2 P. M.,

"On the front of Stenay-Beaumon along the Meuse, Americans continue, despite conclusion of armistice. Please order the stopping of hostilities."

The American answer to the German message read as follows:

message read as follows:

"Received your radio. Orders have been given for the American activities signaled on the Stensy-Beaumont front to cease immediately."

Yanks Told to Stop.

Orders announcing that the armistice between the allied powers and Germany had been signed and giving directions as fo the future conduct of allied soldiers along the line were sent to every corps yesterday morning. They were transmitted to the units in the front ranks. The orders follow: the front ranks. The orders follow: 1—You are informed that hostillities will cease along the whole front at 11 c'clock A. M., November 11, 1918, Paris

2—No allied troops will pass the line reached by them at that hour and date until further orders.

3—Division commanders will immediately sketch the location of their front line. This sketch will be returned to

headquarters by the courier bearing these orders.

4—All communication with the enemy, both before and after the termination

of hostilities, is absolutely forbidden. In case of violation of this order severest disciplinary measures will be imme-diately taken. Any officer offending will be sent to headquarters under -Every emphasis will be laid on the

Vigilance Is Ordered. 6-There must not be the slightest relaxation of vigilance. Troops must be prepared at any moment for further

7—Special steps will be taken by all commanders to insure strictest disci-pline and that all troops be held in readiness fully prepared for any even-8-Division and brigade commanders

will personally communicate these or-ders to all organizations. Signal corps wires, telephones and runners were used in carrying the or-

Apparently the Germans also had been equally diligent in getting the orders to their front line.

Monday began with less firing and doubtless the fighting would have ended according to plan had there not been a sharp resumption on the part of the German batteries. The Americant of the German batteries. The Americant of the German batteries, The Americant of the German batteries, and the Government.

creased fire.

German ruthlessness was still rampant Sunday. Six hundred aged men and women and children were in Mozay when the Germans attacked it with gas. There was only a small detach-

. Town Drenched With Gas.
The enemy hurled them into the town
until every street reeked with gas.
Not contented with this, the Germans Not contented with this, the Germans again drenched the place with gas last night, even while they were evacuating Stenay, a few miles to the north. Prompt work by the Americans saved the civilians from serious consequences.

Poorly clad and showing plainly evidences of mainutrition, the inhabitants crowded about the Americans, kiesing tiffeir hands and halling them as deliverers. They virtually had been prisoners of war for four years.

The little children between 5 and 10 years where German alternative with

years spoke German alternately with French. It was the first time they had seen Americans, and they showed plainly their amazement.

The last French town to fall into American hands before the armistice went into effect was Stenay. A quarter of an hour before 11 o'clock, American troops rushed through the lown and in a few minutes allied flags were beginning to appear from the windows. As the church bell solemnly toiled the hour of 11, troops from the 19th Division were pouring into the town. sion were pouring into the town

sound to indicate that two great roses are still facing each other.

The greater part of the 800-odd persons still remaining in Stenay were in their cetlars, fearfully awaiting the bombardment which they feared, would surely come, as the Americans entered Stenay. Those few who dared first to will be hard pressed to beat their previous records in the "race to Berlin" contest which started Saturday, November 2.

An average of 7020 soldiers were the contest which started Saturday, as-

WOMEN SUFFERERS MAY

Thousands upon thousands of women have kidnney and bladder trouble and Co-Operation in Ecclesiastical Mer-

never suspect it.
Women's complaints often prove to
be nothing else but kidney trouble, or
the result of kidney or bladder disease.
If the kidneys are not in a healthy

condition they may cause the other organs to become discused.

Pain in the back, headache, loss of amhition, nervousness, are oftentimes symptoms of kidney trouble.

However, if your large size of the convention at which the great church union will be ratified will open here tomorrow. The delegates are expected to number more than 17,000.

ing inhabitants, has been plundered of nearly everything of value.

THE SEDAN PRONT, Nov. 11, 7:20 P. M.—(By the Associated Press.)— Senay, on the right bank of the river Meuse, was included in the territory held by the American troops in the last

hours of the offensive.

Knowing that a hundred civilians were in the place, no serious effort had been made to take the town earlier, as that would have required a bombardment.

Correspondents First in Town.

When the operations began early in the day, the American line skirted a little wood at one corner of the town and was within 500 yards of it at another. In those places advanced patrols had been stationed.

It was not a solid line, and while shells of all caliber shrieked from the American batteries over the town into the German lines and on the positions in the rear, it was not known whether the district had been evacuated.

Two correspondents of the Associated Press rode beyond the fixed positions on the front line along an excellent road, passed the patrol and reached the city. The Germans had gone. The Correspondents First in Town.

on the front line along an excellent road, passed the patrol and reached the city. The Germans had gone. The civilians were yet in hiding. The streets were wholly deserted. The correspondents were the first Americans to enter the place since it had been occupied by the Germans. A few minutes later a patrol moved up from utes later a patrol moved up from other positions and shortly before 1 o'clock American sentries were posted at the entrance to the town on the opposite side.

KNOTT TO ATTEND HEARING

WASHINGTON, Nov. 12.—The new mote addressed to President Wilson by Dr. Solf, the German Foreign Secretary, asking President Wilson to arrange immediately a "preliminary peace" had not reached Washington tonight in official form. When it does come it will be considered in connection with the communication received today through the Swiss Minister asking the President to intervene to mitigate the "fearful conditions" of the armistice.

WASHINGTON, Nov. 12.—The new must realize that the specter of famine abroad now haunts the abundance of our tables at home.

"The war has been brought to an intention in the consumption in

Food Administrator Says Starvation Helped End War, but Must Not Continue With Peace.

WASHINGTON, Nov. 12 .- The Nation's obligation to serve stricken hu-manity in war-torn Europe by helping to provide sustenance until the next harvest will demand further sacrifices confidence of the American people, Food Administrator Hoover declared today in an address at the conference here of State Food Administrators.

Conditions of famine exist in Europe, Verno Hamiltonia of Conditions of

Mr. Hoover said, that will be "beyond our powers to remedy," even with the carrying out of the plan to ship from

America twenty million tons of food-stuffs during the next year.

In Northern Russia alone, he de-clared, there are forty million people who have but little chance of obtaining food this Winter. Millions of others

Jerry Burber. Jerry Barber was killed in ac-tion in France October 5, accord-ing to an official dispatch received recently by his father and mother, Mr. and Mrs. James B. Barber, of 1924 Eastern avenue, Scattle.

For four years he was employed by the circulation depart-ment of The Oregonian. He at-tempted to enist in the Aviation Corps several times, but was ra-jected, owing to the fact that he did not weigh enough. In March he was drafted. Jerry Barber was born at Rapid City, S. D., in 1891. In addition to his parents, he leaves a sister and a brother, who is in an officers' training school.

throughout Europe, who can be reached, he said, must be fed.

"This being the new world situation, created by the collapse of the war," Mr. Hoover continued, "the prime changes in our policies en today's outlook can he summarized:

"That we may now advantageously abandon the use of substitutes in our wheat bread; that we will still require economy and elimination of waste in its consumption; that for the present we need conservation in butter and condensed milk; that ultimately we must extend this to all fats.

"We can contemplate at the most maintaining fully three pounds per person of household sugar a month on the present outlook, and we can, by the availability of Java sugars to Europe, begin at once to relax more restraints on sugar pending some change in European policies.

"There are special features of changes in policy, but the shifting of conservation from one commodity to another is not the whole policy "There is one policy which cannot change, and that is the vital necessity

There is one policy which cannot change, and that is the vital necessity of simple living, of economy in all consumption for commodities more or less substitutes for each other. We

ar. Hoover told the State Administrators that the Food Administration would be discontinued under the law when peace is proclaimed, and added: "I do not expect to see its renewal. I look now for a return of American food trades toward conservative and safe business."
