

War Department Reorganization Plans Incomplete.

FUTURE NEEDS UNKNOWN

What Size Army Will Be When Peace Is Actually Declared Is Question Not Worked Out.

WASHINGTON, Nov. 13.-Plans for reorganization of the War Department and the Army are in formulation by the sceneral staff and soon will be before Secretary Baker. Orders for the actual breaking up of the Army cannot be promulgated until these plans are completed, as the demobilization pro-gramme is dependent to some extent upon the adoption of a reorganization

The Secretary had indicated new leg-

<text><text><text><text><text><text><text><text><text>

Although the general attitude of the department would not indicate any in-tention of holding such officers against their will when the war emergency has passed. The number of men necessary to be maintained in Europe probably will be worked out by General Pershing's staff, and since similar calculations for the United States and its possession are be-ing mude here it is expected that the Inited States and its possession are be-ing made here it is expected that the size of the Army for which it will be necessary to provide soon will be reached.

DALLES MAN DEFEATS COKE BY ABOUT '600 VOTES.

Conrad Olson, Incumbent, Finishes Third in Contest-Returns Now

Are Practically Complete.

Judge A. S. Bennett, of The Dalles has been elected Associate Justice of the Oregon Supreme Court to succeed the late Judge F. A. Moore by a plurality of approximately 600 over Circuit Judge Coke, of Marshfield, Judge Bennett's lead over Conrad P. Judge Beaneti's lead over Conrad P. Olson, who was appointed temporarily to succeed Judge Moore, is 2166 with complete returns from every county with the exception of Grant. Official returns from Baker, Benton, Clackamas, Crook, Curry, Douglas, Gilliam, Hood River, Jefferson, Lincoln, the first there seemed little hope of her

Linn, Malheur, Folk, Sherman, Uma-tilia and Tamhill, and complete unoffi-cial returns from 15 other counties, the figures from Grant County alone being incomplete, give Bennett 12,431, Coke 11,841, Olson 10,265, Campbell 6085, Coke's lead over Olson on the face of these returns is 1576. The incomplete returns from Grant County so far as reported give Camp-bell 17 and Coke 24. It is expected that the completed count from this fastern Oregon county will show that it has been carried by Bennett, but whould the country go for Coke, the ad-vantage will not be sufficient to over-come the lead Bennett now has. Several, days will elapse before the forticial count can be completed by the secretary of State and the result of the contest finally determined. Owing to considerable confusion resulting in this county from holding the general and municipal elections simultaneously, the official count for Multnomah will not be completed before the end of the week. Change From War to Peace

Basis Will Be Task.

Mr. Pawnall and K. V. Lively, also of the Yeon building, came up just as Mr. Chatfield and L. A. Read, 4128 Sixty-first avenue Southeast, were driving off in Mr. Pawnall's machine and an encounter occurred. Mr. Pawnall took Mr. Read and Mr. Chatfield to police headquarters. The policeman took the four men to the scene of the affray, where Mr. Read found his own machine. Then the men shook hands all around and went home.

To be arrested twice the same day

To be arrested twice the same day on charges of larceny preferred by her husband, Ross Kauffman, a Greek res-taurant proprietor, was the experience of Edna Kauffman, alias Edna Hen-dricks, in the District Court yesterday. The double arrest marked the unhappy ending of a matrimonial venture be-tween the comely young woman and her former employer. Mrs. Kauffman will have a preliminary hearing be-fore District Judge Dayton today. In the meantime she is held in default of \$100 bail. Drug Journal, as follows: "Please furnish formula for Castoria. All the 4 1 formulas I have worked with are either ineffective or disagreeable to administer."

To this "The Practical Druggist" replies : "We do not supply formulas for proprietary articles. We couldn't if we wanted to. Your experience with imitative formulas is not surprising, but just what is to be expected. When Castoria is wanted, why not supply the genuine. If you make a substitute, it is not fair or right to label it Castoria. We can give you all sorts of laxative preparations for children, but not Castoria, and we think a mother who asks for Castoria would not feel kindly toward you if you gave her your own product under such a name."

No mother with a spark of affection for her child will overlook the signature of Chas. H. Fletcher when buying Castoria.

regularly can make a mistake by flush-ing the kidneys occasionally, asys a well-known authority. Meat forms wite acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, diminess, sleeplessness, bladder disorders come from sluggish kidneys. The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or at-tended by a sensation of scalding, get about four ounces of Jad Salta from any reliable pharmacy and take a table-preakfast for a few days and your kid-neys will then act fine. This famous and lemon juice, combined with lithis, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize indeds in the acids of grapes and kense it no longer cames irritation, thus ending bladder disor-ders.

Jud Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.-Adv.
