THIRTY STAMPS AND WAR SAVINGS STAMPS On Sale at Business Office, Oregonian.

HUSBAND OPPOSES DISMISSAL.—Frederick Leasia alleges in a divorce suit filed yesterday that Ida Leasia, whom he married in this city July 5, 1911, persisted in remaining away from home at night in questionable company and obliged him to prepare and wash the dishes.

ALLEGED ROBBERS BOVING OVER.—Three negroes and a Japanese were bound over to the grand jury yesterday on charges of holding up and robbing a Japanese cardroom at 290 Flinders street Monday night.

COLONEL ALEXANDER COMMISSIONED.—Special mention has been given to Colonel U. G. Alexander, formerly military commandant at the Oregon Agricultural College, for the efficient gallantry of his regiment during the second battle of the Marne, in mid-July. The 38th United States Infantry, commanded by Colonel Alexander, during that battle captured prisoners from nine enemy regiments in as many days and secured from enemy positions along its front identification of 21 separate and distinct regiments and other units. The record is held to be exceptional.

SUBSTITUTES NOT POPULAR.—With the publication of the order cancelling white flour restrictions, dealers have been bombarded by hosts of customers who wish to return the stock of substitutes they have in the larder. No provision exists in the order for such returns, the dealers have pointed out, but their telephones continue to tinkle. The order stated that a movement would be launched to collect the surplus stock of substitutes now in the storerooms of the trade, but made no reference to substitutes which have been purchased in the past by customers.

DEAD MAN IDENTIFIED.—The man who was injured fatally at Broadway and Glisan street Wednesday night was identified yesterday as Austin McCoy, a teamster, of 1214 G. street. He died at Good Samaritan Hospital Thursday. Deputy Coroner Goetsch, who secured the identification, says McCoy was a habitual drunkard. Hospital authorities say he had been drinking when he arrived there. He was an employe of the Holman Transfer Company. He was killed by a machine driven by Henry Wick, a soldier at Vancouver Barracks.

FOREIGN TRADE COURSES SET.—Two courses in foreign trade are being offered this coming winter under the combined auspices of the University of Oregon and the Chamber of Commerce, Practical Exporting, with special attention to the trade of the North Pacific and Principles of Ocean Transportation. The classes will convene on Monday evening, November 18, at 8 o'clock at the Oregon building, room 422. For further information call the university office, 451 Courthouse, Main 2575.

PLANTS TO BE APPRAISED.—Fred A. Rasch, utilities engineer for the Public Service Commission, left yesterday for Eugene and Marshfield, where he will make an appraisal of the plants owned by the Oregon Power Company. This utility recently applied to the Commission for permission to increase its rates, but the application will not be passed upon by the Commission until it has completed its appraisal of the property as a basis for determining the merits of the company's request.

WESTMINSTER PRESBYTERIAN CHURCH, East Seventeenth and Schuyler, big reunion, peace jubilation services Sunday. Dr. Edward H. Pence, minister, will discuss "The Great Psalm of Tears and Laughter" at 10:30 A. M., and "Making Ready the Home for the Home-Coming" at 7:30 P. M., up-to-the-minute themes with vital significance. Special music by the choir. You are cordially invited.—Adv.

YOUTHFUL FUGITIVE CAPTURED.—Lover Latourelle, 17-year-old boy burglar, who escaped from the Multnomah County Jail July 17, was recaptured yesterday at the home of his mother, 490 Jefferson street, by deputies from the Sheriff's office. Latourelle made a sensational escape from the County Jail a few days following his arrest with two confederates for robbing the store of Aaron Fox at Troutdale and another store at Kenton. Shortly before he was originally apprehended for the crime, Latourelle effectively disguised himself by dyeing his hair a brilliant tawny. When taken into custody yesterday his hair showed that he had failed to continue the color effect.

MONDAY FORECLOSURE SOUGHT.—In a suit in the Circuit Court yesterday for the foreclosure of a \$20,000 mortgage on lots 1 and 4, block 74, Couch Addition, Eugene and Pauline Pierard alleged that Eugene Hoch deeded the property to J. C. Guyer, a soldier, for the inadequate consideration of \$10 in order to take advantage of the soldiers' and sailors' civil relief act which protects enlisted men from the foreclosure of mortgages during the time of the war. Plaintiffs also ask for

the appointment of a receiver for the property. PRECINCT VOTE DELIVERED.—Exactly ten days following the recent general election, members of the night board in Precinct 102, in the Sellwood district, yesterday delivered to the County Clerk's office the completed count for that precinct. The ballots were regularly counted on the night of the election, but instead of sending the certified statement of the count to the office of County Clerk Beveridge, one of the members of the board took the count home with him. Four days' search was necessary before the missing papers were located. Mr. Beveridge now expects to complete the official count for this county within a few days.

EDNA KAUFFMAN FREED.—When the case against Edna Kauffman, accused by her husband, Ross Kauffman, with the larceny of \$235 partnership money from him, was called in the District Court yesterday, Kauffman asked that the hearing be continued indefinitely. Mrs. Kauffman demanded an immediate hearing and when her accuser refused to proceed, District Judge Dayton dismissed the charges and released the woman. As a consequence of the dispute over money matters and alleged acts of cruelty on the part of Kauffman, Mrs. Kauffman has brought divorce proceedings in the Circuit Court.

JUDGMENT OF \$3550 WON.—Judgment was awarded yesterday to William H. Wolf of the Red Cross, for \$3550 against W. W. Broadbush by Presiding Judge Tucker. The award was his commission on 15 carloads of potatoes purchased and delivered to Broadbush in 1916. When the case was called for trial, Broadbush failed to produce the books involved in the transaction. In rendering the opinion yesterday, Judge Tucker reproached Broadbush, declaring him to have been in contempt of court in refusing to bring the books into court when ordered to do so.

MAYOR SAYS S. LEVINSKY.—Mayor Baker is trying to devise a way to get "smokes" to Oregon boys in France before Christmas. He has asked the aid of the Red Cross in finding ways and means to get the tobacco across to the state's fighting boys. Money still remaining in the Oregon boys' emergency fund, raised by Auditorium entertainments, will be used if the necessary loophole is found. Present regulations provide that each soldier must send an order to some one individual who may then send a small-sized Christmas present.

J. H. CLARK IS INJURED.—J. H. Clark, 35, chief engineer at the Inman Poulson mill, was injured seriously yesterday when his motorcycle skidded on the wet pavement at Milwaukie and Mall streets, and threw him against a telephone pole. His skull probably was fractured. He was removed to Emanuel Hospital. His condition is serious. Mr. Clark is married and has two children. His home is at 655 Reedway Drive.

WOMAN'S RELEASE SOUGHT.—Petition for a writ of habeas corpus for the release of May Peterson from the City Jail was filed in the Circuit Court yesterday. It will be heard by Presiding Judge Tucker at 10 o'clock this morning. The woman was arrested Thursday for disorderly conduct and is being retained for physical treatment at the instance of the municipal health authorities.

J. E. BAKER IS ARRESTED.—J. E. Baker, proprietor of a tailoring and cleaning establishment at 223 Jefferson street, was arrested yesterday for illegally having liquor in his possession. The arrest was made by Deputy Sheriff Eurburn and Schirmer, who recovered part of a pint flask of whiskey. Baker deposited \$250 cash bail.

FORESTRY ENGINEER HERE.—C. W. Zimmerman, chief of the forest products laboratory at Seattle, who has been at Eugene inspecting fir ship timber, is on his way back to Seattle headquarters. Since the declaration of war Mr. Zimmerman has given much of his time to the Government, inspecting airplane spruce and ship fir.

FORESTERS ASSIGNED TO CAMP.—E. J. Hanzlik, of the Olympic National Forest, has been granted a five months' furlough by District Forester George Cecil. It will be spent in Vancouver, B. C., where he will teach forestry to a soldier civil re-employment camp.

COLUMBIA DIRECTION JENSEN-VON HERBERG FOUR DAYS—STARTS TODAY THE CHAMPION GLOOM-CHASER OF 'EM ALL "COME ON IN" We might have known when Anita Loos and John Emerson (the title writer and director that made "Doug Fairbanks famous") started out "on their own," they would hand us something with lots of pep and plenty of laughs. The girl in the story has two suitors, and she lets on she will marry the one who does something really great for his country. They get into the army, the tall fellow a private under the little fellow, who is a sergeant. Their love is like that of strange billiards and then the fun starts. The saddest man on earth would have to laugh. "BILL'S SWEETIE" Two Reels of Tickers With "Smiling" Bill Parsons Paramount Pictographs
