

WASHINGTON BEATEN BY HILL ELEVEN, 25-0

Powerful Comeback Staged by Gridiron Machine. TOUCHDOWN QUICKLY MADE Coach Earl's Men Battle Gaily, but Fail to Check Heavy Assaults. Passing Is Accurate.

Shades of the past! Who ever heard of Hill defeating Washington on the gridiron? The last time Hill Military Academy won a football game in the interscholastic league was over five years ago in the palm days of Sam Graham, and yesterday the old institution came back and registered a 25-to-0 victory over the once-great Washington High School team.

Washington did not have a chance at any time and made yardage on an average of about once a quarter. That is not to say that the Washington team did not fight. Coach Earl's men battled to the last down, but were powerless against the Hill backfield and line assaults.

Hill scored two touchdowns in the first quarter, one in the second quarter and one in the third quarter. Pendleton kicked for all four goals for Hill, but registered only one.

Touchdowns Quickly Scored. Churchill, the speedy Hill quarterback, scored the first touchdown after six minutes of play. Day, the Hill left half, came back a few minutes later and tore across the Washington goal for the second score.

The winners used a lineback shift a good deal of the time and relied on straight football for gains, as it was easier than passing. They did open up several times, and Day shot some nice passes to Boyd, at left end, one of which netted 40 yards.

Washington divided its efforts up between runs, bucks and passes. Johnny Haak, Washington halfback, completed several of the passes which gave Washington about its only gains.

Dooley Plays Bang-up Game. Hill looked like a real football team yesterday and should give any of the other teams in the league an argument this season. Some of the men tried during the game, but another week's practice will put them in shape.

Several near fights started between the players, but were quelled in a hurry by Referee Dudley.

"DEVIL DOGS" ARRIVE FOR GRIDIRON CLASH

Fighting Marines, Headed by Lone-Star Dietz, in City. PRACTICE TO START TODAY

Multnomah Club Warriors, Anticipating Hard Game, Go Through Series of Heavy Workouts.

Forty-three fighting Marines, every one a star on the gridiron, arrived in Portland yesterday afternoon headed by Coach "Lone-Star" Dietz and Lieutenant William R. Affleck, acting athletic officer of the Mare Island Marine Barracks, for their game with Multnomah Club Saturday on Multnomah Field.

Several of the best pigskin artists, who have been laid up as the result of injuries in previous games, are feeling hale and hearty and will be right in the midst of the play against Multnomah Club Saturday.

Captain Covert Greets Players. Captain Lynn B. Covert, athletic officer at Mare Island, who has been down here in the "flu" the past several weeks, is up on his feet and out again, and was on hand to greet the players and talk football with Coach Dietz and Lieutenant Affleck.

The principals of the party are: William H. Dietz, Lieutenant Affleck, medical officer; R. E. Hanley, L. B. Hanley, M. L. Moran, R. E. McGregor, A. T. McGregor, N. Shandling, J. S. Risley, W. H. Steyer, H. W. Pike, P. L. Glover, L. Bryan, C. A. Zimmerman, C. A. Lode, B. M. Bangs, L. M. Shannon, E. R. Holland, assistant coach; A. Galloway, J. J. Blewett, B. B. Hughes, J. G. Adams, H. A. Stendal, E. M. Pearson, P. H. Mohr and Rod Murphy.

Dietz has applied strict training rules to the members of the squad all season, as he is anxious to go through the season undefeated. One reason for the great success of the Marine team this year is the fact that he has seven former Washington State college players in the first line-up and several of the other players are familiar with the club play used by Dietz.

The Multnomah Club eleven is going through a series of hard workouts in anticipation of putting up stiff resistance against the Marines. The club men are not overconfident as the result of their victory over the Camp Lewis eleven last Saturday afternoon, but on the other hand they say they will fight to the last ditch. The club players realize that they have a fight ahead of them.

The Marine Corps Quartet will sing in all of the theaters during the days remaining before the contest.

There has been a little hitch between the officials of the Multnomah Club and the Marines regarding the contract for the game. A special meeting of the board of directors will be held at noon today to consider all arrangements. It is believed that all difficulties will be ironed out.

The heads of the Marine team held a get-together meeting last night at the Imperial Hotel, and have adopted a platform upon which they will stand. Manager George Bertz, of the club center, has completed all arrangements for the officials for the contest. Sam Dolan will referee and Plowden Stott will act as umpire. H. H. Herdman will be head linesman.

Several years ago when Freddie Welsh was lightweight champion of the world Anderson met the clever Englishman in a four-round tilt in Seattle, and all of the newspapers conceded that he outboxed the champion of the world. Anderson won the lightweight championship of Canada several times. He defeated Joe Bailey, "Roughhouse" Charley Burns and Johnny O'Leary, all of whom held the title at different times.

Anderson has fought many a welterweight and has never had any difficulty striking distance of his weight. He will weigh as much as 135 pounds, but can make the lightweight limit with ease. His defeat of Miller stamps him as a formidable contender for Pacific Coast welterweight and lightweight honors.

The bout between Anderson and Miller was the main event of an all-star show for the benefit of the united war work fund. Miller has defeated or held to a fast draw every man of prominence in the West, including Johnny McCarthy.

BOXERS OFF FOR ENGLAND

American Sailor Battles Will Match Skill Against Europeans. NEW YORK, Nov. 20.—Eight members of the United States Navy and Army boxing team will engage in contests in London, December 1, and 12 with English and French boxers called yesterday for the British capital, where they will meet other members of the team of 18 who are in the service overseas.

Included in the party were "Pat" Moore, of Memphis, Tenn., bantamweight; Ritchie Mitchell and "Billy" Whalen, of Milwaukee, and "Cal" Deane, of Cleveland, lightweights; Otis Bryant, of St. Louis, welterweight; "Denny" O'Keefe, of Chicago, middleweight; Andre Anderson and Jack Heinen, of Chicago, heavyweights.

Well-known athletes whose careers ended on the battlefields of Europe or in various branches of the Government's service, gaining gold stars in the sport service flag, include: Eddie Grant, former New York National League third baseman; Sturtevant, Yale oarsman; Johnny Poe, Princeton football player; Mills, Harvard football player; Reid, Princeton baseball player; Savage and Paul, Princeton oarsmen; Ross and Glanz, University of Pennsylvania oarsmen; Shull and Goddard, Chicago football players; Curry, Vanderbilt football star; Overton, Yale distance runner; Thomas, Princeton athlete.

The team appeared to be in good shape for Joe Trovati's fight, but still hampered by a Charley Horse, but he expects to be in shape for the contest Saturday.

OREGON OFF FOR BERKELEY

EUGENE ELEVEN IN SHAPE FOR TOUGH STRUGGLE. Usual Serpentine of Students and Jazz Fest Eliminated Because of College Restrictions.

UNIVERSITY OF OREGON, Eugene, Nov. 20.—(Special.)—The University of Oregon regimental football, accompanied by Coach "Shy" Huntington, Trainer "Big" Hank, and Assistant Coach Harold White and Lieutenant E. E. Radcliff, left Eugene tonight on the San Francisco express for Berkeley, where they will clash with the University of California Saturday, for the benefit of the allied war work drive. Coach Huntington received word today that the game would be played on the Berkeley oval, instead of in San Francisco, where it was previously billed.

The team appeared to be in good shape for Joe Trovati's fight, but still hampered by a Charley Horse, but he expects to be in shape for the contest Saturday.

SEATTLE READY FOR GONG

WASHINGTON FIT FOR CONTEST WITH OREGON AGGIES. Gurley and Hughes, Former Corvallis Men, Retire Temporarily From College Lineup.

SEATTLE, Wash., Nov. 20.—(Special.)—Gurley, of the Navy unit, who holds down a line position on the University of Washington team, and play in Saturday's game against the Hughes, of the second squad, will not Oregon Agricultural College. Both Gurley and Hughes are former Oregon Agricultural College men and feel that a participation in the contest against their former masters would be an offense against that most prized of virtues—college loyalty.

A few changes have been made in the purple and gold team the past week by Coach Henry Savage, who is putting the all-S. A. T. C. grid stars through a regular Double-like routine of practice scrimmages in view of the coming struggle.

Carigan, the sailor fullback, who was unable to play in last week's tilt with the Bremerton Medics, is again in condition and will resume his old position in the back field. Ray Eckman, the Lincoln High School product, has been holding down the quarterback berth, while Lambert, the sailor, who put in such good work in the last period of the varsity's initial game, will be in charge of the speedy signal shouter's position at right half.

Hobi, the ex-Michigan star, will hang on to his job as outer half, and with this aggregation for a half field, Savage feels pretty confident.

INDIAN WEAPONS ROUT BEARS. San Francisco Men Adopt Novel Means of Subduing Old Bruin. EUREKA, Cal., Nov. 20.—(Special.)—Arrows 25 inches in length and barbed with steel are being sent into the vitals of the finest specimens of the bear family that Thomas Murphy, veteran bear hunter of Bloomingburg, has been able to rout out. Arthur Young, sporting editor of a San Francisco newspaper, and Dr. A. Faxon, a San Francisco surgeon, are the hunters who have adopted the hunting weapons of the early Indians.

Young and Cobe are making Bloomingburg their headquarters, and so far have had no success. The idea of bringing down a duck flying at a height of 150 feet has completely won the natives to the new form of hunting.

The hunters have it over the redskins, however, for their arrows are as sharp as needles. Their guide, Murphy, a famous hunter, still sticks to his Winchester.

Picture Exposes Violation. "Father of Flu-Mask Ordinance" Is Fined for Not Wearing Mask. SAN FRANCISCO, Nov. 20.—(Special.)—Dr. William C. Hassler, public health officer, and "father of the flu mask ordinance," is the afternoon poorer by just \$25 than when he took up his duty this morning. The cops nabbed him for not wearing his own "flu" mask, and the judge inflicted the fine.

The doctor's criminal activity was exposed when, upon examining a picture taken of the crowd at the Democracy-Methan fight Saturday night, Captain of Police Dan O'Brien discovered that 50 per cent of the fight fans were unmasked. Close inspection revealed the well-known features of Dr. Hassler, Mayor Rolph, and a score of others equally prominent in the administration of the city's affairs, maskless.

WATER SPORTS TO REVIVE PORTLAND TITLE WINNER SEES NEW CHAMP ABROAD. Clair Tait Believes Navy Activities Will Stimulate Aquatic Game at Conclusion of War.

AMERICA will see the greatest revival of aquatic sports in her history after the war, in the opinion of Clair Tait, formerly of Portland, who once held the Pacific Coast diving championship. Tait based his statement on the fact that the Navy Department has required every sailor to know how to swim. He also predicted that new champions soon would be heard from at Honolulu, where several youngsters are making remarkable showings.

"There is Baby Dewsett, a 14-year-old girl, who was taught by Duke Kahanamoku at the Outrigger Club at Waikiki Beach," said Tait. "She is recognized in open water, they held a small imitation of the Duke in the water, and in her first race show swam 50 yards in 32.25 seconds. I had a boy in my Y. M. C. A. classes, Albert Minville, Jr., who, though only 14 years of age, swam the 50 yards in 27.3 the 100 in 1:05 and the 200 yards in 2:47. We have another girl, Josephine Hopkins, aged 17, who will be heard from in the 40 and 80 when she gets a little older and more experienced in the water."

"We found the best American girl swimmers to be Claire Galligan and Charlotte Boyle, of New York; Olga Dorrner and Lucy Freeman, of Philadelphia; Frances Cowells, of San Francisco, and Dorothy Burns, of Los Angeles. "Because of the war, we cannot use the Navy docks at Honolulu any more for our Spring and Fall meets. Before the war there were ten fellows in Honolulu who could make the 100 under a minute. The Hawaiians have taken to the open water so much that they are handicapped in tanks yet they set a 500-yard yard that lasted for some time in the Y. M. C. A. tank. "There are the swimmers and their times for each century: Kelli, 53:01; Kruger, 59; Lane, 56; George Cunha, 55:02, and Duke, 53:02. Because it was in a Y. M. C. A. tank, the records were not recognized. In open water they had done much better. I understand the

Illinois Athletic Club has since broken the record." The women chaffeurs employed at Hog Island wear khaki uniforms and receive \$2.50 a day. To qualify they must be able to crank their cars, change tires and do minor road repairs.

IT PAYS TO LOOK AROUND

With so many sources of supply, Milady should have a reason for giving a particular store the preference of her patronage. Is your selection of a shopping place haphazard or do you make a choice after consideration? We, of course, are grateful to those who deal here from sentiment or tradition—but we are equally well satisfied to be judged by comparison. To have a woman determine beforehand the quality and style of fabric she prefers in a garment—the model—the fit—the tailoring, and then to buy where she finds it best for the price. This business would double from today on if the ladies of this community could all know the values we have provided for them.

WE WELCOME YOU

We want you to visit this store to become acquainted with us—to let us show you how SINCERE we are in our desire to merit your patronage. We want YOU to feel at home here—enjoy the homelike atmosphere of welcome and feel at liberty to look and try on without being urged to buy.
