FACTS ABOUT
USED CAR VALUE.

Every used car sold by the Manley Auto Company is worth every dollar asked for it. Because you get it for the same price we do, nothing added to its price for commission, rent, etc. Even in some cases overhauling is not added.

You also get the advantage of our expert judgment in passing on the value of any used car we offer for sale.

We do not sell used cars on commission; we accept no owner's used car for sale; we offer for sale only those which we have taken as part payment on new cars. You'll find our price lower than elsewhere. We always have from one to 10 cars to select from, prices ranging from $200 to $1500.

Very liberal time sales are offered.
