HOME-MADE COUGH SYRUP

Helps Whole Family, Quickly. Woman's Interesting Letter.

Mrs. M. H. Van Wart, Lenis, Ore., writes:

"I feel it a duty to write you. Four years ago my husband had a bad cough and found no relief from any cough medicines he tried. Finally tried your Mentho-Laxene and made it up as a cough syrup and it quickly cured him. Now, this last Winter, my two boys had fearful coughs and it has cured them. It also gives me great relief from asthma, from which I suffer in Winter time, as you know here we have it so rainy instead of snow, as back East, etc."

This concentrated essence, called Mentho-Laxene, is sold by druggists in 2½-ounce bottles. You mix it at home with syrup, making a whole pint very cheaply, as per directions with each bottle.—Adv.
