The "Quality Quartette"

Featured in Owl Stores

To this title we might logically add the words "—and value," because the prices quoted stand out prominently wherever a fair comparison is made.

'No. 58' — **98c**

A value that is most convincing. They are perfect in every detail and

SEAMLESS

Finished with a neat watermark design. Chocolate color only.

'Comfort' — **$1.29**

We buy ten and twenty thousand of them at a time. Of course they are

SEAMLESS

—molded in one piece. Choice of red or chocolate color.

'Lastlong' — **$1.95**

Certainly well named—they do "last long" because they are perfectly made and

SEAMLESS

To be had in red only. The 3-quart size sells for $1.95.
