LONDON, Nov. 26 .- The German government has adopted the programme framed by the late Albert Ballin, director of the Hamburg-American line, and the shipowners' unions, binding Germany to build ships exclusively for the allies at fixed prices, in return for which Germany will retain her merchant fleet, says a dispatch to the 'lly Express from Amsterdam.

#### HASTY MOVEMENT COSTLY

(Continued From First Page.) October 21, and spent two weeks there on the British, French and American fronts. France has been literally capcountries affected by the war.

The international law section embraces legal advisers who have assembled much material on all international constitutions which will be also be seen on the British front. Most intensive, if not the most described with the constitution of the constitu perate fighting was there, making all due allowances for the service of all the others. The British bull-dog is no mere effigy, no figure of speech. He holds on, and he must be driven off bodily, if he can be driven at all. That

One editor, who writes these words, missed the French front, due to a mis-hap with an automobile; but he was credibly informed that what the others saw and experienced there was more or less a repetition of the adventures of the party elsewhere. But he was at the American front in the St. Mihiel Sector.

surrender of independence which was fought for in the revolution.

"The league, without such power, would be the same as The Hague convention, already existing. The league, as proposed, means the end of the United States as a sovereign Nation. It puts us under the control of alien powers and makes the United States a party to every foreign quarrel."

"The league, without such power, treating foe that it was not possible to get nearer the advancing line than four miles. It was near enough for a party which was not anxious to take too many needless chances. They saw there what the Americans had done and were doing. The American soldiers had just begun their great forward movement in the Argonne. The testimony as to their courage and invincibility was common.

Having started their biggest offensive there, no one doubted that they would go through; and they did. But the losses were heavy. It was not possible to see individual Americans, except by

chance; the visitors were notified be-fore they were taken to American head-quarters at Cha mut that they must not ask or expect to see any one from

their respective homes.

Allies Are Most Courteous.

In only a few instances were exceptions made. But an interesting incident was a stay at hospital 36 at near Neuf Chateau, officered by Colonel Yengay Major Joyce and other well-known Legal Aspect of Getting Hold ney, Major Joyce and other well-known surgeons of Portland. It is well enough to say that both the French and the American military authorities, as well as the British, were most courteous to the Americans, and gave them op-portunity to go wherever military ex-pediency did not plainly forbid. At Paris the Americans were re-ceived by President Poincare, by Pre-mier Clemenceau, by Marshal Joffre and others. Lieutenant Perigord, well known in America, was assigned as a member of their escort.

Irish Question in Tangle. The party returned to London in due

The party returned to London in due course, and after a day or two there went to Ireland, the chief objectives being Dublin and Belfast. The latter is the stronghold of the Ulsterists and the former of the Sinn Feiners. Interviews were had with representative groups of both sides. The chief deduction to be drawn from the brief Irish investigation is that the Irish queshe question of the extradition of the investigation is that the Irish questioner German Emperor is being contidered by British law officers of the rown, who are working in close cooutcome at an early date.

celebration for nearly a week which followed. The solourn of the party all around seems to have been particularly well-timed.
