BIG GRID CONTESTS TO BE FOUGHT TODAY

Washington and Oregon Clash in Sound Metropolis.

MARE ISLAND PLAYS IDAHO

Eugene Aggregation Confident of Ability to Defeat Opponent in Today's Battle.

BY JAMES J. RICHARDSON. Two gridiron contests of the first magnitude are scheduled for the Northwest today when the Universities of Oregon and Washington clash at Seattle and the Mare Island Marines shove off against the University of Idaho at

Spokane. "Shy" Huntington and his 18 gridiron warriors, accompanied by Bill Hayward, director of physical education at ward, director of physical countries of the Eugene eleven, passed through Portland last night en route to the Puget Sound metropolis for their tussle with the Washingtoniana.

The Washington team was belitted

The Washington team was belittled previous to their game with the Aggies at Seattle last week, when they trampled on the Corvallis eleven, 6 to 0. Without the services of a mentor of reputation and with little known of the personnel of the Washington lineup, the Aggies with their beefy aggregation weig conceded more than an even chance of returning to Corvallis with the long end of the score. Washington has a number of players in its lineup of previous college experience who were drawn into the fraces through the Student Army Training

cas through the Student Army Training Corps. Eckman, at quarter, is said to be one of the best field generals in the Northwest and is a star as a brok-en-field runner. It was this lad who chalked up the lone touchdown in the

Washington-Oregon Aggie game. The Oregon eleven that will face Washington today is the same team that has sported the lemon-yellow col-ors since the season started. Hunting-ton has been playing the same II men all season and they are in the "pink" for today's battle. Undaunted by their defeat at the hands of California last Saturday Huntington's gladiators are going into today's game confident of their ability to win.

The Mare Island Marines will stage a little pink-tea affair at Spokane this afternoon when Bill Dietz's "devil dogs" shove off against the University of Idaho. If Dietz decides to send in his second string men in today's fracan it is almost an assured fact that the Intend. land Empire athletes would be sub-dued by an overwhelmingly large score, so great and powerful is the Marine

After today's battle at Spokane the Marines will head for Bremerton where they are scheduled to play a matinee against the Navy team next Saturday, after which Dietz and his aggregation will start south for Mare Island. They play the Mather Field eleven at San Francisco, Saturday, December 14. It they are successful in skidding through the season without a defeat the Ma-rines will line up against the Great Lakes training station team at Pasa-dena. New Year's day, during the

Tournament of Roses.

Johnny Beckett, former University of Oregon and Mare Island Marine gridiron star, is in France and has been promoted to First Lieutenant in the iron star, is in France and has been promoted to First Lieutenant in the Marine Corps. Eddie Mahan, famous series because so many of the athletes Harvard halfback, is a "second louie" in the same company with Beckett. Looks like they have a nucleus for a strong eleven. Charlie Prescott, former Portland athlete is in Beckett. mer Portland athlete, is in Beckett's company of "devil dogs."

The Oregon Aggles have one game schedule, according to Coach Hargiss, who remained in Portafter the Turkey day struggle Multnomah Club. They are inclined to think Oregon will blay the econd game next Saturday at Eugene, ut nothing has been heard from the Lane County metropolis regarding said contest. A contract was signed calling for two games between the state institutions. Oregon won the first game, 13 to 6, and the Aggies expect to grab off the next battle. If the Aggies win the next game a battle on Multnomah field, Christmas day, to decide the title of state championship would draw an

COLUMBIA UNIVERSITY DEFEATS JAMES JOHN ||

Exciting Football Game Results in 6-0 Score.

TOUCHDOWN MADE EARLY

Varsity Eleven Has Close Call in Final Period, When Opponents Get Close to Goal Line.

Columbia University yesterday defeated James John High School, 6 to 0, in an exciting football game on Multnomah Field. Columbia scored the winning touchdown in the first quarter after four minutes of play when Bill Collins, left half, tore 18 yards around right end and across the James John goal. Columbia missed the try at goal.

The real battle of the game occurred BE KEPT FROM COAST LEAGUE. James John recovered a punt, putting the ball on Columbia's 41-yard line. On the next down Herman Schroeder, James John fullback, received the ball from center and heaved it about 35 yards to Hiatt, who was downed on Columbia's four-yard line. There Columbia held James John to four downs and won the ball. Jessup, Girt and Schroeder tried to make yardage, but could not move it any more than three yards in the four downs. With the ball in Columbia's possession, Bert Jacobberger, fullback and brother of the two "Jakes" at Oregon, booted the ball down the field just as the whistle blew.

Yardage Gains Equal. The game was an even affair as far as yardage and playing were concerned. Columbia played a greatly improved land magnates will never become rich at fostering Pacific Coast International baseball.
