WE all know that the best possible values for the money are obtainable where the firm representing same have a moderate overhead expense. While our location is not on Broadway, it is but a few moments walk from the main automobile section. We positively know that there are no such values in used cars and trucks in the city as we have to offer. We have standard makes of trucks from one to three tons capacity, overhauled and in condition for any kind of hauling af prices ranging from \$650 to \$1700.

In touring cars we have some of the very latest models, practically every standard make and in good condition, at prices ranging from \$500 to \$1700.
