FOR SALE-AUTOMOBILES.

WE all know that the best possible values for the money are obtainable where the firm representing same have a moderate overhead expense. While our location is not on Broadway, it is but a few moments waik from the main sutomobile section. We positively know that there are no such values in used cars and trucks in the city as we have to offer.

We have standard makes of trucks from one to three tons capacity, overhauled and in condition for any kind of hauling at prices ranging from \$650 to \$1790.

In touring cars we have some of the very latest models, practically every standard make and in good condition, at prices ranging from \$300 to \$1700.

Satisfactory terms given on all sales.

WANTED,

At \$2000 to \$6000 a Year and Up.
Accountants, Bookkeepers,
Office Men, Stenographers,
I want to hear from capable applicants, either with or without bookkeeping experience, who are ambitious to get into higher accounting positions.
Our erganization, with the largest staff of accountanting and business efficiency experts in the world, and with representatives throughout the United States, can meet only to a very limited degree the numerous calls being made for high-grade accountants, cost accountants Governmental and business demands have exhausted the supply of trained men available.
The readjustment of commerce and industry to a peace basis; the reconstruction and reorganization of American business along more efficient lines, the more scientific analysis of costs to meet domestic and world competition, and the necessity for accurate income and excess profit tax reports to the Government have created thousands of new and attractive apportunities for permanent positions in the higher accounting field. Our arganization has been called upon to help meet this unusual situation and the sire in qualify for position through training. This can be done while holding your present position. Accepted applications will be placed under the direct supervision of one of our staff—a certified public accountant—and trained in the special knowledge and practices procedure necessary to qualify for important accounting work.
