Obituary.

EUGENE, Or., Dec. 18.—(Special.) lost one of its oldest practitioners and son Shipyards.

Son Shipyards.

ASTORIA, Or., Dec. 18.—(Special.)—The Burbank Company, and the death of Dr. Madison Canady, who died at the home of his daughter, Mrs. Emma Weyer, at Crow. Saturday, and was buried in the family plat in the fate cometery. Dr. Canady was 87 years old, having been born in Hillsboro, Ohio, October 21, 1821. In 1852, with his father, four brothers and two minters, he crossed the plains by oxteam to Oregon, settling first near McMinaville, in 1857 he was married to Sara E. Abbott, of McMinaville, at Umpqua, Douglas County, and soon after moved to Lane County. Dr. Canady and she is now 22 per cent of land under the company's ditches.

Mrs. Weyer, and a son, W. H. Canady, all of Crow.

Son Shipyards.

ASTORIA, Or., Dec. 18.—(Special.)—The Burbank Company, and Edeath of the fifth vessel of that fleet constructed at the Wilson Shipbuilding Company's yard, was launched today, Miss of the Suday and she is now of the plains by oxtended the craft. The name Owaling "young brother."

The keel of the vessel was laid on May 30 and she is now 22 per cent completed. An average of 122 men was completed. An average of 122 men was completed. An average of 122 men was completed. An average of 122 working is survived by his wife, one daughter, Mrs. Weyer, and a son, W. H. Canady, all of Crow.

Son Shipyards.

ASTORIA, Or., Dec. 18.—(Special.)—The Burbank Company and the fifth vessel of that fleet constructed day. Miss of the Surgerial Company was launched today. Miss of the yard, christened the craft. The name Owaling County and Ends of the Surgerial County. Well of the Astoria Marlne Iron Works to have her machinery installed.

Mr. Clute in his petition charged that the company is insolvent, and that the company is insolvent, and that the company is molyent and that the company have so stated publicly.

Land owners recently asked that the Burbank to take over the irrigation district at Burbank to take over the irrigation district at Burbank to take over the irrigation district at Burbank to take over t

HOOD RIVER, Or., Dec. 18.—(Special.)—Nick Gluch, of Portland, who has been employed here on the Columbia River Highway, died yesterday of pneumonia, following influenza. He was 37 years old. This is the 22d fatality in Hood River County from influenza.

The funeral of Mrs. Lelia Clancy Oberteuffer, wife of William G. Ober-teuffer, Jr., will be held today at 1 nian. Main 7070, A 5095,

o'clock from Finley's chapel. Interment at Riverview Cemetery. Mrs. Oberteuffer was killed several days ago in an automobile aecident at Tillamook. from New York, where he is in naval from New York, where he is naval service as chief machinist's mate.

RIVERSIDE, Cal., Dec. 18.—Mra Lucy Vaughn, who celebrated her hundredth birthday here last March, died at her home here today. Mrs. Vaughn was born into slavery in Clay County, Kentucky.

Joseph Hayes Baum, former resident of Portland, died Tuesday in Seattle following an attack of pneumonia. He is survived by a mother, Mrs. H. Baum, a sister, Miss Emma Baum, and a brother, Sol Baum, all of Portland. Interment will be in Portland.

Showing Is Considered Remarkable by Persons Close in Touch
With Situation.

LA GRANDE, Or., Dec. 18.—(Special.)
—May MoNeely, daughter of Mr. and Mrs. John McNeely, died today of influenza. Mrs. Phieffer, aged 19. survived by a husband, and a baby 6 months old, is another victim of the epid mic in this section, which has claimed far more cases than the first epidemic.

Nearly two-thirds of the dairies supplying Portland with milk are rated over 30 per cent in tests conducted by the milk inspection division of the city health bureau, which announced the results yesterday. The showing is considered remarkable by those in close touch with the situation.

Of the 127 dairies inspected 17 were

ALBANY, Or., Dec. 18.—(Special.)—
Miss Rachel Hudkins, aged 28, died at
her home here this morning from influenza. She came to Albany three
years ago from Spokane. She was a
member of the United Presbyterian
Church of Albany. Her parents, Mr.,
and Mrs. W. Hudkins, and a brother,
Russell Hudkins, survive.

PORT CHARGES CONSIDERED

ELIMINATION OR EQUALIZA-TION IS PLANNED.

Representatives of Chambers of Commerce Hold Conference at San Francisco.

SAN FRANCISCO, Dec. 18 .- Plans that will either eliminate or equalize transcontinental rail charges on imports and exports at all Pacific Coast ports are being worked out by the United States Rallroad Administration so as to make it impossible for one port to offer the steamship owner or ship-

Decorations of the dining hall have been worked out in evergreens—trans-forming the hall to a minature forest. The programme will include talent from the Spruce Division ranks at Van-couver Barracks. Guests of honor with General Disque will be the members of 70,50 his staff.

Camas Girl Bride at Age of 15. VANCOUVER, Wash, Dec. 18 .- (Special)—Miss Lottie G. Stanton, 15 years old, of Camas, is among the youngest brides in the United States She was

married here today to R Erael Day, 27 years old, also of Camas. The girl had the consent of her parents.

THE INCOMPARABLE

CHENEY

The Cheney Phonograph Plays All Records

Chency tonal beauty is like that of the woodland songsters. The music is enthralling-like that of the song of birds. The wonderful performance of the Cheney is due to its newly applied principles of construction. When you listen to the Cheney you forget the machine and think of the living presence of the artist pouring out his soul in a flood of melody. All the warmth of personality that distinguishes substance from shadow radiates from the record and thrills you through and through.

Visit our store -- hear the CHENEY -- "Its Tone Is Satisfying."

"The Cheney Sets a New Standard" PRICED FROM \$75.00 TO \$300.00

DOUGLAS SENATOR HAS EYE ON DRY RESOLUTION.

Rumor Says at Least One Man Is Expected to Voice Protest Against Prohibition.

discuss the problem of levying and collecting port charges along the Pacific Coast.

Mr. Counties also announced that when it was said the bulk of foreign shipping to the Atlantic Coast within shipping to the Atlantic Coast within the next few years probably would go the superscience of the State Senate, is said to have tanded by Fred H. Strong, chairman the honor of offering the resolution on the next few years probably would go the subject. Senator Eddy, however, through the Panama Canal that the latest the subject is not the only member of the Legisla-14.50 the next few years probably would go 14.60 through the Panama Canal that the 15 not the only member of the Legisla-16.60 Railroad Administration would consider ture who has an eye on the distinction, 163.25 or measures to protect Pacific Coast and when the time comes there are 163.20 ports by reducing overland freight 163.20 rates.

Delegates attending the meeting said 163.20 Delegates attending the meeting s

Delegates attending the meeting said the divergence in laws in the various states made difficult the bringing about of uniform port charges. Doubt was expressed that a schedule of uniform charges could be accomplished, but that a uniform system of charges might be feasible.

A special committee to take up further investigation, was appointed. It is to report to the conference when it reconvenes tomorrow. The members of the campulities are the possibility and the proposed constitutional amendment. There is, of course, the possibility of some individual member voting in the negative. In fact, there is political removes the campulities are the possibility of the subject of prohibition and that he intends voting his objection to National assets. This one on donation of home sites. This one on donation of home sites. This committee is expected to furnish some of the interesting features of the campulities.

TRACTION HEAD TO SPEAK

F. T. Griffith to Talk Before Protection to National assets of the subject of prohibition and that he intends voting his objection to National assets. intends voicing his objection to Na-tional prohibition. While a majority of the members have given assurances that they will vote for the ratification, a number declined to commit them-selves, albeit they have said privately that they will vote to ratify. The resolutions on the subject which are introduced will be sent to the committee on resolutions, and Walter A. Dimick, in the Senate, is anxious to e chairman of that committee.

SCHOOL BOARD TRIAL SET

Francis Williams Asked to Make Charges More Specific.

Pleadings in the case of E. Francis Williams, discharged instructor of the Benson Polytechnic School, who has asked for trial Lefore the Public School Board of Appeals, will be heard this afternoon by Guy C. H. Corliss in the offices of the School Clerk in the Courthouse. the Courthouse,

Complaint has been made by memcomplaint has been made by members of the School Board that the charges which Mr. Williams has filed against them are not specific. This question will be determined by Judge Corliss this afternoon. If it is decided by Judge Corliss that there are grounds for action on the side of Mr.
Williams, time of the trial before the
Appeal Board will be set. Other members of the board are J. C. Olds and
Mrs. Alice Benson Beach.

"The National Aspect of the Publi-Utility Question" is the topic on which Franklin T. Griffith, president of the Portland Railway, Light & Power Com-pany, will speak today before the Pro-gressive Business Men's Club at the Benson Hôtel. E. K. Stanton, of the Crown-Willamette Paper Company, will introduce the speaker.

Owing to the fact that the topic has

a bearing on the problem of Govern-ment ownership of public utilities, it is probable that several members of the City Commission will be present.
