IN STATE'S BUDGET

Deputy Secretary of State Completes Estimate.

SEGREGATION IS DETAILED

Nine Millions of Total Amount to Be Derived From Appropriations.

SALEM, Or., Dec. 23,-(Special.)-Requirements for all state activities for the coming biennium are estimated at \$14,551,549.92. In the biennial budget just completed by Deputy Secretary of State S. A. Kozer today, after a number of months' work in securing estimates from the departments for the compilation, the most comprehensive et prepard by that office. A statement budget, analyzing the state's needs, says in part: "It will be found that in the final

analysis the requirements for all state activities are estimated at \$14,551,648.92. That of this sum it is estimated that \$134,689.98 will be secured from fees, etc., applicable however, to the payment of specific claims only; \$4,120,000 from contributions or payments into the State Treasury wherein it acts only the State Treasury wherein it acts only as trustee or disbursing agent, name-ly—the funds arising under the work-men's compensation act and \$529,164,12 from funds which are not paid into the state treasury, but are disbursed through other agencies, such as the funds contributed by the Federal Govthe signing of the armistice, and that fact is given as the reason for his ernment for the aid of the State Agrinment for the aid of the State Agri-ltural College.

Appropriations Are Necessary.

The sum of \$9.167,795.81 remains to armistice, but inasmuch as they repre-

be covered by the appropriation of sented the imperial regime it is con-moneys from the public treasury. Of this sum \$201,100 is appropriated by wholesale housecleaning of the German

"To meet this total estimate of \$2.157,758.81 to be provided for by appropriations from the public treasury, as hereinbefore stated, the estimated visthe Mexican capital was seen today in a report from Ambassador Fletcher that El Pueblo, a government organ, that Pueblo, a government organ, that published a denial of the minister's recall.

The State Department has been advised of the recall, though evidently fund during 1213-1220, \$1,186,102.87, and from unused available cash balances in the State Treasury December 31, 1918, \$581,407.36, leaving \$1,297,214.84 of the total estimate of requirements unprovided for."

Expenses are Hemised.

supplies,

Evidence of Eckhardt's influence in the Mexican capital was seen today valis 39, Marshfield 20.

Columbia County is first in the state, and Umatilia is second, to advise headquarters that 100 per cent of all adults in the Red Cross. Brief messages from various sections of the state are as follows:

Solo Members to Be Exceeded.

Claisop County has total of 7200 members.

The Dalles reports 7750 members, apportioned among the counties of the

Expenses Are Itemized. The budget is arranged with a com-plete itemization of the expenses for the various departments, and leaves no segregation uniouched that may be of value to the legislator. The total esti-mates for each department and state activities are segregated as follows: (The spaces left blank indicating that no requests have been made by the particular activity.)

OREGON MAY LEAD WEST

While Outer State Counties Report Total of 129,632. VON ECKHARDT'S RECALL NOT

> While Oregon will fall short of the optimistic estimates that marked the pening of the Christmas rollcall for Red Cross memberships, it is almost certain that the state will lead its sis-

ters of the West.

Eckhardt, from Mexico by the Berlin government was a patent concession to the United States and while the State Department here did not require the dismissal of the conductor of the anti-American propaganda in Mexico, the German government had come to the conclusion that so long as he remained there it was idle to attempt to interest this country in the needs of Germany. The action taken by the Berlin government in regard to Mexico is expected to be followed by it in other Latin-American countries, where German propaganda has been pronounced. Von Eckhardt, however, did not discontinue his anti-American activities upon the signing of the armistice, and that fact is given as the reason for his fact is given as the reason for his Soliciting in Portland ceased and an experiment of the considerable, and Mr. Sinnot notes and appropriation can be secured. City Manager Henry E. Reed. The Cross rolls will remain open for Red Cross rolls will remain open for gested by Mr. Sinnott whereby the appropriation cannot be stopped by the

Representative an address to them by Secretary of the

Red Cross rolls will remain open to all who care to join, but no further progress will be made with the field forces. Portland's total is expected to be increased by delayed returns from a special rule making the legislation as pecial rule making the legislation.

Changes.

New tariffs on eastbound lumber and shingle shipments from the Pacific Northwest will probably become effective some time in January. They will be greatly simplified, as compared

arrolled last year.

Jackson County, rallying from influence a drawbacks, leaped from a few hundred to \$290,

hundred to \$200, shipped in tank cars from Pacific Coast ports to eastern points in the United States and Canada. The proposed rate is 6% cents per 100 pounds higher than the package rate.

Another matter is an application for reduction in rates on lumber and forest products from points on the Astoria.

KLAMATH FALLS, Or., Dec. 23.—

(Special.)—By an overwhelming majority of 4 to 3 the residents of Upper Langell Valley voted in favor of creating an irrigation district for the watering of over 16,000 acres of land from the Clear Lake reservoir, Saturday.

This is a long step forward in the land and divergence of the state will rank first in the land of memberships.

It is expected that Oregon will come follows the final count to ataining its membership total of last year, or 248.—

Seattle road to points in Utah.

Cancellation of the Spokane, Portland & Seattle road to points in Utah.

Cancellation of the tariffs under which shippers at Salem, Albany and that the state will rank first in the livery from the Oregon Electric, is proposed under another application.
