BEAN DISPELS MOVE TO BEAT MR. JONES

Issues Arise Over Assignment of Committee Heads.

TREASURER-ELECT HAS SAY

Elimination of Joseph Richardson As Chairman of Ways and Means Causes Dissatisfaction.

But for the refusal of Representative L. E. Bean, there might have been an nsurrection against the candidacy of Representative Seymour Jones for Speaker of the House. Mr. Bean resisted the temptation when it was presented to him up the valley a few nights ago, according to gossip which has trickled down to Portland. Back of it is said to have been a little dissatisfaction among some of Mr. Jones' supporters anent the important matter of committee appointments.

A small group of men are said to have made the proposal, which Mr. Bean declined. One of the issues of the confab, however, is said to be the climinstion of Representative Joseph Richardson as chairman of the House committee on ways and means, and the as signing of this job to Representative Herbert Gordon, both of whom are Multnomah County men.

Treasurer-Elect Has Say.

It was not generally known that Mr. Richardson stood a very excellent prospect of heading this very troublesome committee. In a discussion of organization matters by the group the prospect of Mr. Richardson being chairman of ways and means came up and after a consideration of the pres and cons. it consideration of the pros and cons, was decided to call in Q. P. Hoff, state treasurer-elect. As the story goes, Mr. Hoff informed the men that Mr. Rich-ardson will be one of his principal lieutenants and that Mr. Richardson will step into the State Treasury when the Legislature adjourns.

Legislature adjourns.

As a matter of policy, it was considered that Mr. Richardson, as head of the ways and means committee, might be de trop. Mr. Hoff, it is said, saw it in that light, and it was agreed that Mr. Richardson could serve just as well on some other committee where there would be less fireworks and less fireworks and less fireworks. works would mean less hard feelings toward the State Treasurer by Repre-sentatives and others whose feet might

On and after today, December 25, enforcement of all regulations imposed on German allen enemies, men and women, will be discontinued except as to regulations 9, 10 and 12, of the proclamation of April 6, 1917, these three regulations continuing in full force and effect.

Gordon Looms for Chairman.

Having froned out this wrinkle, it soon became evident that Herbert Gordon would be chairman of the ways and means committee and this is a foregone conclusion. Mr. Gordon, as a candidate for speaker, finally got out of the road of Mr. Jones and the appointment is considered as a logical one. It is also suspected that K. K. Kubil, although a vigorous opponent of Mr. Jones, will be on the ways and means committee.

What Mr. Kubil thinks he will get is the committee on capitol building and grounds, where speakers customarily bury their opponents. Mr. Jones, however, may be reserving this place of oblivion for Denton Burdick, or John B. Coffey, or some others, who have not yet indicated to Mr. Jones what committee they want, if any. In the desire to see what he can do to take care of everyone, Mr. Jones has written to members and talked personally with others to learn their heart's dealre. Of course, his friends, the original supporters of Mr. Jones wishes to spread the good things as far as possible.
