many hardships, including shortage of A telegram was read from Eugene V rations, and at one time, miles from Debs, expressing regret at his inability his medical equipment, the American to come to Chicago and address the surgeon was forced to amputate the convention because of the conditions leg of a wounded man with a penimposed by Federal Judge D. C. Westknife. enhaver, of Cleveland, when the Social-

ist leader was released on ball afte his conviction for violation of the FOCH ARRIVES AT TREVES espionage law.

Conservatives Branded Untrue. In the telegram Debs said among other things:

"Free speech prevails in Russia, but is dead in the United States since the world has been made safe for democracy. The conservative element has meeting with the German armistice the unqualified approval and support delegates for discussion of the extenof the capitalist press, which can only mean that the conservative element is ceived Mathias Erzberger and General true to the capitalist class and false Von Winterfeldt, German representato the working class. I am with and tives, in his private car. for the radicals.

'The hour has struck for action Long-winded resolutions and humble petitions to corporation tools in public office and corrupt plans are more than useless. Mooney is innocent and the whole world knows it.

"The convention can do no less than demand his unconditional release and issue an ultimatum to that effect, giving due notice that if that fails a gencral strike will follow at a specified time and industry paralyzed throughthe batteries of labor be opened on their profits.

Free "Home Slaves" Plea.

"If the ailk-hat conspirators and would-be lynchers out on the Pacific their skin. Coast and elsewhere insist upon war, let it come. We have nothing to lose but the gags upon our lips and the chains on our bodies. Now is the time to prove the solidarity of our class. The people are with us in this fight and will stand by us from coast to coast in our determination to rebuke capitalist criminals and maintain our rights sas American citizens."

James H. Maurer, president of the Pennsylvania Federation of Labor and out today. British ships carried 48.25 vice-chairman of the convention, expressed the radical view when he said:

"There are some things for this convention to do that are more important than the Mooney case. While President Wilson is at the peace conference to free the poor slaves of Europe he will not forget to do something to free the poor wage slaves at home.

Radical Plan Outlined.

We are going to stay here and finish this job if it takes all year. If you are a good revolutionist you will not do anything to obstruct this new rad- use by its commission in Siberia to ical movement. The day has passed when officialism can railroad a man ruary.

to the gallows because of his opinions." The speaker was cheered when he criticised Postmaster-General Burle-(Concluded on Page 3, Column 3.)
