UELAY OF DRYDOCK-CONSTRUCTION ASKED

Port of Portland Says Armistice Removes Need.

RESOLUTIONS ARE ADOPTED

Present Drydock Declared to Be of Sufficient Capacity to Care for All Needs.

Resolutions urging that construction of the proposed \$1,000,000 drydock be at this time delayed were adopted at a special meeting yesterday of the Fort of Portland Commission. The resolutions will be forwarded today to mmission, under whose supervision the proposed drydock is to Members of the Port of Portland Commission expressed belief that in view of changed conditions, brought

about by the close of the war, there is no immediate, need for a new dry-dock in the local port. The present drydock, it was asserted, is of sufficient capacity to take care of all present needs. It was likewise brought out that the Port of .stori, is to start construction of a new drydock, which

Suspension of Sawmills Lessens

C. A. Smith Company, is about to be put into commission, after being idle for two months for installation of machinery, and unless local operations increase, there will be no call for her Steel Building Encertain.

PACIFIC COUNTY PUT ON BAN Thirty New Cases Reported at South Bend Since Sunday.

Tripp county health officer for two the county were ordered closed.

Thirty new cases are reported in this city since Sunday. Reports from Raymond, three miles distant, where the flu has been very severe, show but little abatement of the disease. Several deaths are reported. All cases of flue are isolated, either in hospitals or in sion, said Mr. Hipkins yesterd private homes. If the disease is not checked in this city in the next few and the yards here converted. days compulsory wearing of masks will

STEAMER SUNK IN COWLITZ

Inland Empire Strikes Submerged Snag and Is Damaged.

KELSO, Wash., Jan. 17.—(Special.)— The steamer Inland Empire was badly The steamer Inland Empire was badly damaged and sunk in the Cowlitz River Monday when she struck a submerged snag. The accident occurred near the Huntington place, about two miles below town, as the craft was proceeding down stream to get a tow. A hole 40 feet long was torn in the hall and the craft is now lying on the bottom with several feet of water in her hull. The engines are clear of the water except at extreme high tide. An water except at extreme high tide. An examination of the hull is now in progage and means of raising the sunken

Shipworkers Return at Coos Bay Company Yards.

MARSHFIELD, Or., Jan. 17 .- (Special.)—The shipworkers resumed work this morning at the Coos Bay Ship-building Company plant and a num-ber of men who had been employed at the Kruse & Banks yard were taken on. In the nine days in which the strike continued many removed and others found different employment. There is no change at the Kruse & Banks yard, which is still holding out against the closed shop demand and claims to have nearly a sufficient force to handle the work on the two ways.

drydock, it was asserted, is of sufficient canacity to take care of all present needs. It was likewise brought out that the Port of ...stori' is to start construction of a new drydock, which will help meet the needs of Portland.

The first work on the immediate dredging programme was agreed upon when the commission voted to make a fill of approximately 250,000 yards on the site of the new rolling mill of the Parific Coast Steel Company, near Willbridge. The work is to be done for the Grant Smith Company, which has agreed to pay dredge charges of 5600 a day in addition to the increased dort of fuel oil.

Secretary Doyle was authorized to procure additional dredging equipment for the completion of the dredging work at the Albina dock. The third procure additional dredging equipment for the completion of the dredging work at the Albina dock.
