DEEP-THINKING, far-seeing men are now looking to MEXICO, the war being over and conditions settled, and are buying up fine agricultural lands. They predict one of the greatest land booms in history will take place in Mexico. You can secure lands at the right price now and we will contract to farm them for you on shares, which will net you approximately \$225 per year for an investment of \$500, which is secured by a deed for land improved and in crop. Terms can be arranged, half cash, balance casy terms. How can we do this? Cheap land, cheap labor, splendid transportation facilities (Bouthern Pacific E. R.): an ideal climate and high market prices for our products. Do your thinking now and write
