of Mr. and Mrs. R. P. Hubbard, of this city, was contained in today's Army casuality lists as wounded, degree un-determined. His parents secontly re-celved word from the War Depari-ment, the message staing that the sol-dier was a member of a Machine Gun Company. The department is believed to be in error, however, as Sergeant Hubbard belongs to a regiment of for-estery engineers and his parents re-celved a cablegram from him, dated after his reported wounding in which he made no mention of being injured. ields, James, Hickman, Ky, Returned to duty (previously reported died THE DALLES, Or. WILL NOT BLISTER five pounds in weight. About eight weeks ago I contracted a severe cold and it seemed to sottle entirely in my kidneys, and the misery I went through with that can never be told in work I suffered from pains in the small my back all the time. It was so b that I couldn't sleep when I went bed, and I often had to get up as mu as eight or ten times during the nig Sometimes I could get a little relier. Dendund Sometimes I could get a little relief sometimes i could get a little relief of using hot cloths or mustard plaster on my back, but this was only temporary. It looked like it was simply impossible for me to get holds of anything that would relieve me for any length of time 裘 "I talked with a good many people

who had taken Tanlac and they wer so enthusiastic over the results the had gotten from it. I thought maybe had gotten from it. I thought maybe it was the very thing I needed, so I be-gan taking it. By the time I had taken my second bottle I was like a differ-ent man altogether. My appetite came back and I soon got to where I could eat anything I wanted and never suf-fered from it. I began to sleep better and didn't have to get up so often through the night. I am on my fourth bottle new and I never have those ter-rible pains in my back. My kidneys seem to be in perfect condition and I put in every minute of the nights in sound, refreshing sleep. I never thought t would have such an appetite, and every dose of Taniac I would take seems to make me want to eat that much more. I have already gotten back twenty pounds of the weight I lost, and next week will find me on the job at work again. I am glad to recom-mend it to everybody."

mend it to everybody." Tanlac is sold in Portland by the Owl Drug Co.-Adv. Main 7070
