

REDS FLEE WHEN U. S. MACHINE GUNS PLAY

Bolsheviki in Northern Russia Badly Punished.

ALLIED LINE FIRMLY HELD

Recent Reverses Said to Have Lowered Enemy's Morale; Frenchmen, Surprised, Show Spirit.

ARCHANGEL, Feb. 5.—(By the Associated Press.)—Heavy losses were inflicted on the Bolsheviki by the American forces Tuesday and the enemy was driven back in disorder from the village of Vistavka, on the Vaga.

The American casualties were five killed and several wounded. Many Bolsheviki soldiers were taken prisoner by the Americans.

The enemy early in the morning began a bombardment with field guns and howitzers and, under cover of a shrapnel and pom-pom barrage, essayed a frontal attack with infantry in the Arctic twilight at 3 o'clock in the afternoon.

The American troops, who were rested after their retirement from Shenkursk and were now established in a good position, poured a heavy fire from artillery and machine guns into the charging Bolsheviki, whose ranks broke and fled into the woods.

Frank Attack Abandoned. Captured Bolsheviki declared that the enemy had planned a flank attack simultaneously with the frontal movement, but this was abandoned when the Vistavka attempt failed.

Chinese and Manchur troops are now included in the Bolsheviki forces opposing the Americans on the Vaga. So far they have been held in reserve, but the Americans are preparing a warm reception for the yellow soldiers if they appear in the fighting line.

Frenchmen Show Spirit. Details were received at headquarters today of the bravery displayed by a little squad of about 12 Frenchmen, who were victims of an enemy raid on the village of Bolshoi Ozer Monday.

REDS PLAY FOOTBALL WITH GENERAL'S HEAD

Korniloff's Body Horribly Mutilated by Bolsheviki.

Famous Russian Commander Meets Death When Fighting Against Anarchy Near Eksterinobar.

BY LINCOLN EYRE.

PARIS, Feb. 5.—(Special Cable.)—After the tragic account of the death of the former Czar of Russia and his family at the hands of the Bolsheviki, comes the description of General Korniloff's vain attempts to restore order in Russia, his fight against the Bolsheviki and the Germans and his death.

After his escape from Petrograd when the Bolsheviki took over the power of the Government, General Korniloff left for South Russia, where, with Generals Alexioff, Markoff and Denikine, he organized an army to fight Bolsheviki. General Korniloff shouldered a rifle himself and fought as a simple soldier. He was killed while directing an attack near Eksterinobar by a burning grenade thrown by a Bolsheviki in the hut where the famous General was working.

Body Is Cut to Pieces.

His soldiers before retiring, decided to bury the body, but with the intention of coming back later and giving their leader a grandiose funeral. In the meantime the Bolsheviki heard of General Korniloff's death. They sent a special mission to find the body. Having discovered it, the Bolsheviki in their mad joy at having got rid of one of their bitterest opponents, fought for the body, which was finally hung on a tree. It did not remain there long, however, for a furious mob of anarchists tore it down, cut it into pieces, and for more than a quarter of an hour played football with the General's head in the presence of the great leader's friends, who had to stand by, vainly trying to persuade the Bolsheviki to have more respect for the dead body.

General's Clothing Divided.

Parts of the General's clothing were retained and each friend was given a piece. Basile Trachtenberg, who tells the above story, had his piece of the General's clothing with him when he was seen in Paris recently.

CANOE UPSETS; BOYS SAVED

CITY GRAPPLER AND ENGINEER PREVENT DROWNING.

Proprietor Who Rented Boats to Two 16-Year-Old Spokane Lads Is Arrested.

QUICK ACTION BY CITY GRAPPLER

Brady and Chief Engineer Carl Prehn, of the harbor patrol, saved Frank Beeman and C. Stear, 16-year-old Spokane boys, from drowning in the Willamette River yesterday morning. The boys rented a canoe from the Merrill boathouse at the foot of Morrison street, and had proceeded down stream as far as the foot of Oak street when the canoe was overturned in the rough current.

Members of the Harbor Patrol, situated at the foot of Stark street, had watched the boys pass and still were watching them when the boat overturned about 150 feet beyond. They immediately started in the Harbor Patrol launch toward the struggling lads and reached them just in time to save their lives.

Beeman and Stear were visiting in Portland for the day and were planning on going to Astoria yesterday evening.

After rescue Engineer Prehn proceeded to the boathouse where the canoe had been rented and arrested the proprietor, Frank Merrill, on a charge of renting a canoe to a minor. Merrill was released on his own recognizance and will be given a hearing in Municipal Court this morning.
