

MOVING PICTURE NEWS

Ethel Clayton and Elliott Dexter in the picturization of the successful stage play, "Maggie Pepper," at Liberty Theater.

TODAY'S FILM FEATURES. Liberty—Ethel Clayton, "Maggie Pepper." People—Thomas Dixon's "The One Woman." Columbia—Ruth Clifford, "The Game's Up." Majestic—Geraldine Farrar, "Shadows." Star—Vivian Martin, "You Never Saw Such a Girl." Sunset—William S. Hart, "Wolf Lowery." Globe—Dustin Farnum, "Captain Courtship." Circle—Jack Pickford, "Seventeen."

Weekly offers many interesting news flashes. Liberty. "Maggie Pepper," the Charles Klein Broadway success in which Rose Stahl scored a hit, has been picturized by Famous Players-Lasky, and with Ethel Clayton and Elliott Dexter in the leading roles this production will be shown at the Liberty theater commencing to-morrow.

COMEDY-DRAMA seems to be the most popular form of screen entertainment these days. For that reason "The Game's Up" should meet with public approval, for it's crammed full of comedy which often borders on the burlesque, with a dramatic trifle here and there to preserve the name.

Mickey Mystery Picture. "Mickey," the Mack Sennett-Mabel Normand comedy-drama, soon to be seen in Portland, is the "mystery picture" of filmdom. Sennett made the picture before he quit Keystone and when Mabel Normand retired from the Keystone two-stagers.

Ruth Clifford, Universal star and co-star with Monroe Salisbury in a number of successful pictures, is the central figure in "The Game's Up," with Al Ray, now a Fox comedy luminary, a strong second. Ruth is a struggling artist who writes home of a huge success while in reality she is painting postcards for cafeteria money.

Screen Gossp. Following his present American tour as star of the William Morris agency Julian Eltinge goes to London and thence to Paris, after which he returns to his own native land, to fulfill contracts with the Julian Eltinge Picture corporation, of which his present manager, J. D. Barton, is president.

Is Your Cracker Baker? RUBU

Our American Workmen A country worth fighting for is worth working for! The man who may be driving rivets in a ship or a tank is backing up the boys at the front. It is not on the battlefields alone that this war is being fought. It is waged behind the lines, in the factory, in the workshop, on the farm and in the home as truly as in the trenches. The pale-cheeked woman at home as well as the workman in the shop feels that lack of "snap" and energy which red blood should bring. Perhaps he or she has had an attack of the influenza, in consequence the blood lacks tone. Perhaps the red-blood corpuscles are lacking. Build up the blood with an iron- tonic tablet, called "Ironic," first discovered and made by Dr. Pierce. After taking this tonic tablet you have good red blood and an active liver, and you can face the enemy successfully—whether it is the germ of grip, a common cold or spring fever. America needs its strong men, and American men need to be strong. Then there is that blood-maker and herbal tonic which has borne the recommendations of many thousands of people during the past fifty years. It is called Doctor Pierce's Golden Medical Discovery, and can be had in tablet form at almost all drug stores at 60 cents a vial. It has the right combination of herbal extracts to bring "pep," vim, vitality and vigor to you. When you have taken Dr. Pierce's Golden Medical Discovery Tablets you will feel the red blood coursing through veins and arteries, and you will be surprised to find how easy it is to tackle every "job," every undertaking calling for responsibility or efficiency. The man who takes this tonic tablet has iron nerves for hardships, and an interest in "the drive" grips him. Be sure and ask for Dr. Pierce's.

ITS DIFFERENT HANDS TREMBLED LIKE HE HAD CHILLS Had Rheumatism in Arms Until He Could Hardly Use Them. Grateful to Tanlac. "At our house we think there is no medicine in the world like Tanlac," said B. G. Watkins, 567 Michigan avenue, Portland, a metal worker for Purdy Bros. Portland, he learned his trade 18 years ago. "I took a 'ad cold about a year ago," he continued, "and it wasn't long before I began to have rheumatism in both of my shoulders and at times it would come down into my arms so that I could hardly use them and the muscles of my neck became stiff and sore. I began to lose my appetite, too, and while I never was bothered with stomach trouble or indigestion, what little I did eat didn't seem to give me any strength and I fell off in weight from 160 pounds to 125 pounds. Up to the time I took Tanlac on the advice of a friend from Seattle, who told me it made a well man of him when he was in a worse fix than I was. "I began to improve before I finished the first bottle and now I am entirely free from rheumatism and I haven't an ache or a pain anywhere in my body. I have a fine appetite and when meal time comes I am always as hungry as a wolf, and what I eat does me good because I have got my strength back and can do as good a day's work as I ever could in my life. "I have gained 15 pounds in weight, too. I am not bothered any more with constipation and I don't have any more headaches. I have two relatives who are taking Tanlac and it is helping them just like it did me." Tanlac is sold in Portland by the Owl Drug Co.—Adv.

NOW IS THE TIME Get rid of that cold while you can. Do not delay. Chamberlain's Cough Remedy will help you to throw it off. It costs only thirty-five cents. Large size, sixty cents. ASK YOUR NEIGHBOR It has been said that there is now hardly a city, town or village in this country wherein some woman does not reside who has found health in that good old-fashioned remedy, Lydia E. Pinkham's Vegetable Compound. Therefore, if you are suffering from some ailment, and hardly know what to do for it, and have tried other remedies without help, ask your neighbor if she has ever used Lydia E. Pinkham's Vegetable Compound. If she herself has never had the need for it, undoubtedly she knows others who were just in your condition and who have been restored to health by its use.—Adv. DON'T CHANGE YOUR HUSBAND
