**REAL PROHIBITION SOUGHT**  
FEDERAL AMENDMENT IS TO BE MADE EFFECTIVE.

Fear Felt in Some Quarters That Privacy of Homes Will Be Unduly Interfered With.

Absolute prohibition is provided in the measure congress will be asked to enact to make the federal amendment effective, according to Oregon leaders of the dry movement. Adlai Wallace Unruh reports that the legislative conference held in Washington, D. C., in December, adopted a report for the proposed law, one provision of which is that "the sale, manufacture, transportation and possession of intoxicating liquors should be prohibited." Another section is described as "having an adequate search and seizure law similar to those which have proved effective in the states." Vigorous protest has been raised by prohibitionists concerning the statement attributed to Wayne Wheeler, legislative superintendent of the Anti-Saloon League, that "fears are being expressed that radical measures will be adopted that will unduly interfere with the privacy of the home in connection with enforcement of the national prohibition amendment. We have always guarded this in every prohibition act, realizing that a man's home is his castle. There will be no effort to make the search and seizure law apply to bona fide private residences unless such private residences become places of public resort for drinking or for the sale or illegal distribution of liquor."

"Inasmuch as Mr. Wheeler's organization is only one of five that maintain headquarters in Washington for the promotion of prohibition legislation," said Mrs. Unruh yesterday. She added: "Of these organizations the national prohibition committee and the Methodist committee of temperance and morals are strictly bone dry. We may fall in securing all we want of

first, but the representative of the dry organizations in Washington will not voluntarily resign an effective law nor ask for a weak one."

**Chehalis Seaman Returns.**  
CHEHALIS, Wash., Feb. 13.—(Special.)—"Pat" Fulton, son of C. P. Fulton, station agent at the Chehalis union depot, has returned from his service in the navy, having but recently been discharged. "Pat," who is a former high school student, was on the ill-fated

Northern Pacific, which recently went ashore. He crossed the Atlantic 11 times to France and once to England. On one trip his boat missed being torpedoed by a distance of but 12 yards, the torpedo sailing past and spending its force to no avail.

**Chehalis Couples Separated.**  
CHEHALIS, Wash., Feb. 13.—(Special.)—Marie Gustavson has sued Clarence Gustavson in the Lewis county court, asking a divorce. They were married here in December, 1915. No

children and no property are involved. Cruelty and abuse are alleged. Also Bina Lester of Riffe has sued T. C.

Lester for a divorce. Certain property at Riffe and Florence, Or., is involved. They were married in August, 1912.

Cruelty and a mean disposition are alleged against defendant.

**NOW RAISES 600 CHICKENS**  
After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me."  
"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters.
