Liberty.

HUMAN interest, comedy and romance are blended skillfully together to make engrossing entertainment in the authorization of Charles Klein-Rose Stahl stage success, "Maggie Pepper," which opened at the Liberty theater yesterday.

Ethel Clayton, Elliott Dexter, Tully Marshall, Raymond Hatton and Winnifred Greenwood form a stellar combination of players who handle the leading roles in "Maggie Pepper."

There have been few plays in recent years in which the element of heart interest has been so compelling as in this romance of a department-store employe, Maggie Pepper, head of the silk department, for 15 years has had nothing but the commonplace business in her thoughts until suddenly she becomes obsessed with the desire to enter society.

The social venture is a complete success and wins the admiration of the man who turns out to be the head of the firm, recently returned from a long sojourn in Europe. He makes Maggie manager of the business, but the scandal speculator stalks about and, to save the situation, she resigns. Through many trying situations Maggie's love remains steadfast and ultimately triumphs.

"One Every Minute," another humorous Montgomery Flag satire on the "movies," and Paramount round out an excellent bill.

Gloria Makes Good.

Gloria Swanson, who once upon a time disported herself in modish frocks in Mack Sennett comedies, varying the monotony with an occasional romp in a bathing suit, so distinguished herself during the making of the Cecil B. DeMille production, "Don't Change Your Husband," that she is firmly fixed as a screen luminary.

Gloria is the daughter of Captain Joseph T. Swanson, now in France with the American army. He is part Swedish and part Italian, while Gloria's mother was of French and Polish extraction.

Screen Gossip.

Dorothy Dalton has everyone at the new Thomas H. Ince studio in Culver City singing Hawaiian songs. Someone presented her a ukulele recently and she proved herself capable of handling this little instrument. During odd moments of rest the Hawaiian airs come floating from Miss Dalton's dressing room and everyone now is humming to her music. Miss Dalton is an accomplished musician and at her home her piano is one of her happiest companions.

Inoculation for influenza proved highly efficacious at the Famous Players-Lasky studio in New York. They averaged half a dozen cases a week.

Business Men's Club Hear Thrilling Tale of Wireless Operator.

"Father and Son" day was fittingly celebrated yesterday by the Progressive Business Men's club when Al. G.
