War Department Will Suspend Auction Sales During Period New Domestic Wools Are Moving.

As has been already stated in these columns, the government will not sell wool this year against domestic producers. Many inquiries have been received from wool growers, wool dealers and wool manufacturers...

Receipts of inspected wheat at Astoria from February 10 to 15 were 74 cars. Terminal receipts in cars were reported by the Merchants Exchange as follows:

STANDARD BARLEY EXCHANGED

One hundred tons of standard barley were sold at the Merchants Exchange yesterday at \$45.00, the same price as the previous sale...

APPLE PRICES ARE HOLDING FIRM

Record quotation on barreled firm in Eastern Shipping Markets. One car of Oregon apples was received. There was a good demand with extra fancy Winesaps selling at \$3.25 to \$3.30, fancy at \$2.75 to \$2.85, and small Jumbo pack orchard run down to 22 cents. Golden Wonder, 20 cents. Bounties were quoted at \$2.75 to \$2.85 and fancy at \$2.90. Oregon apple shipments were two cars to New York and one each to Chicago and Spokane...

DEALERS ARE SELLING EGGS AT LOSS

Paying More in Country Than Local Jobbing Prices. Competition between a few egg buyers to obtain supplies on the buying price of eggs as high as 41 cents delivered and 40 cents in baskets 42 cents. It was said these prices would hold good today. The jobbing market, however, was no better than heretofore and sales were again made at 29 1/2 to 30 cents. What is the dealer's loss in these transactions is the producer's and consumer's gain.

STRONGER DEMAND FOR NEW HOPS

Better Than 25 Cents Is Being Offered by Export Buyers. The hop market is firming up. A number of good-sized three-year Oregon contracts have been made recently at 25 cents, and in the past day or two London offers were advanced about a cent over this price. Oregon spots are neglected, but in California there has been a good movement around 30 cents. According to late mail advices the acreage in all sections of the European continent has been greatly reduced, the 1918 crop has been nearly absorbed, and at extremely high prices; British hops for instance, selling at 250 to 450 francs (45 to 80c per pound); French and Albanian at from 600 to 1500 francs (120 to 300c per pound).

WASHINGTON POTATOES RECEIVED

Prices Are on Decline in Nearly All Producing Sections. More Washington potatoes were received yesterday, four cars being unloaded. The demand was slow with some selling at \$1.60 to \$1.70. Good Oregon Burbanks were quoted at \$1.50 to \$1.60, with a few sales at \$1.75. Poor stock sold as low as \$1.10. Oregon potato shipments were one car each to Sacramento and Stockton.

HOGS ARE DIME HIGHER

STRONG DEMAND FOR LIMITED OFFERINGS AT YARDS.

Top Grade Sells at \$16.95—Cattle Market Slow and Firm.

Only two loads of stock were received at the yards yesterday and trading was small. The market was a firm affair, however, particularly in the hog division, where values were raised. One of the sale of a load shipped by Howland & Son, from Sunnyside, Wash. Few sales were reported. Receipts were 25 cars of 201 hogs.
