

PARIES MAY CLASH ON LEGISLATION ISSUE

Calling Up of "Victory Loan" Bill Brings Prospects.

EXTRA SESSION DISPUTED

Democratic Senators Fear Republicans May Try to Kill Measure if It Is Held Back.

WASHINGTON, Feb. 28.—Differences between democratic and republican leaders over the legislative situation, echoes from which have been heard daily since President Wilson made known his determination not to call an extra session of the new congress until his return from France, may be forced to an issue tomorrow in the senate with the calling up of the "victory loan" bill.

Democratic senators have told the president in their efforts to force an extra session that republicans would undertake to defeat this measure, which provides the means of financing the government during the remainder of this fiscal year.

This information did not change the president's determination and tonight the democratic leaders decided to call up the bill tomorrow so that they might determine with reasonable certainty just what were the prospects for rushing necessary legislation through before adjournment next Tuesday.

Republicans to Decide Course. It was said tonight that the republican leaders' course would await further conference early tomorrow and for negotiations with the democrats and the sounding of republican senators' sentiment.

Democratic leaders said notice had been given that the loan bill would be held exclusively and continuously before the senate until disposed of by unbroken sessions, day and night, if necessary until adjournment. Its importance to the nation's finances, they said, should give it precedence over all appropriation or other measures.

Whether the desire for an immediate extra session should be sacrificed to the questionable expediency of defeating the loan measure was vigorously debated among the republican senators, several of whom are known to have dissipated opposition to the bill.

Democratic leaders tonight expressed belief that the republicans would not defeat the bill by a filibuster, but they admitted that several important appropriation bills would undoubtedly fail.

Wheat Guarantee to Come Up.

Although much time was spent in the senate today in discussion of the league of nations and other subjects, considerable progress was made there and in the house on congested legislation. The house passed and sent to the senate the \$26,000,000 general deficiency bill and senate appropriation committee members planned tonight to report the bill tomorrow, including a rider the house bill appropriating \$750,000,000 for the railroad administration.

Other progress included the "victory loan" bill to the senate, adoption by the house of the conference report on the long-delayed waterpower development bill, conference agreement on hospital construction and appropriations and negotiations, are expected to attain prompt attention.

Many minor bills were passed today by the senate in what members expected to be a final reading of the calendar for unobjectionable measures. Objection to consideration of many measures was regarded as insuring their failure for the present session.

Surfrage to Be Considered.

Chairman Jones of the senate woman suffrage committee announced late today that equal franchise advocates would make a final effort for action on a compromise constitutional amendment designed to meet objections of southern senators who opposed the Susan B. Anthony draft, recently defeated. The committee will meet tomorrow to report on the resolution.

Discussion of the legislative situation and the question of an extra session cropped out in tonight's senate debate. Senator France of Maryland, republican, urging his resolution for an extra session, beginning March 3 and characterizing as vicious and un-American the practice of rushing bills through at the session's close.

DEFICIENCY BILL IS PASSED

House Approves \$27,771,000 Measure With Various Riders.

WASHINGTON, Feb. 28.—The general deficiency bill, appropriating \$27,771,000 and carrying various legislative riders, including one for investigation looking to the establishment of a national budget system, was passed today by the house.

Provision is made for the payment to congressmen who served in the army or navy during the war the amount they would have received in congress as salary and clerk hire allowances. An amendment proposed by Representative Good of Iowa forbids the use of any money provided by the bill by government agencies in propaganda designed to perpetuate themselves. Mr. Good told the house that the United States employment service had spent thousands of dollars sending telegrams and letters to labor unions and chambers of commerce throughout the country urging them to appeal to their congressmen to continue the department.

Haywood last September, and granted leave to file a petition for a writ of error on behalf of Nigra and 54 of the others in their attorney's efforts to have the United States circuit court of appeals take action. MOVING PICTURE NEWS

LINA CAVALIERI, WHO OPENS AT STAR THEATER TODAY IN HER LATEST PROTOFLAY, "THE TWO BRIDES."

TODAY'S FILM FEATURES.
Columbia—Marguerite Clark, "Mrs. Wiggs of the Cabbage Patch."
Majestic—Tom Moore, "Go West, Young Man."
Star—Lina Cavalieri, "The Two Brides."
Sunset—"The Midnight Patrol."
Liberty—William S. Hart, "Breed of Men."
Peoples—David Graham Phillips, "The Grain of Dust."
Globe—Pauline Frederick, "Bella Donna."
Circle—Wallace Reid, "Less Than Kin."

Peoples.
"THE GRAIN OF DUST," a six-reel filmation of the powerful David Graham Phillips novel of the same name, is the film attraction at the Peoples theater commencing today. It follows "Mickey," which registered an unusual success in Portland, and, like "Mickey," will be shown in conjunction with the engagement of Mischa Guterson, famous Russian artist, and his orchestra.

"The grain of dust" in the story is a stenographer, an employee in the office of a Wall-street baron, and the powerful influence she has on the man of power and millions provides the theme for a picture said to be of unusual strength and appeal.

"The Cave Man," a clever comedy, and Peoples News Pictorial are other features on the bill.

Liberty.
Big Bill Hart, the man of iron and flaming six-guns, is a bashful beau in his new Artcraft picture, "Breed of Men," which opens at the Liberty theater today in conjunction with the showing of the latest Mack Sennett offering, a travesty entitled "East Lynne With Variations."

Of course "Breed of Men" is not a romantic drama with Hart in the matinee hero role, for the picture is full of scenes of sizzling stuff, with a couple of strenuous scraps, a gambling resort mixup, and other actionful things. Hart is "Carless" Carromby, boss cowboy, who becomes involved in an Arizona land grab but emerges with glory and a bride. Essena Owen, former Griffith player, is Bill's leading woman.

Columbia.
"Mrs. Wiggs of the Cabbage Patch," that popular story and play will be seen in picture form at the Columbia theater today with Marguerite Clark, one of the most popular of all film stars, in the role of Lovey Mary. Two-reel comedy and Paramount Pictographs are other subjects.

The homely humor and unusual heart interest of "Mrs. Wiggs of the Cabbage Patch" made it one of the most successful plays in many seasons on the stage.

INVISIBLE GOVERNMENT EXPOSED IN COMEDY.

Eugene Strong has been signed by the Vitagraph to appear in a number of feature pictures.

Vitagraph has absorbed Kalem properties, which include a number of photoplay subjects and some successful stage plays.

Looking brown as a berry and as fit as the fig-iter he has learned to be, Robert Gordon, the promising young leading man who scored so heavily as Huck Finn in "Tom Sawyer" and in "Huck and Finn," with Jack Pickford, and as Lieutenant Surratt in J. Stuart Blackton's "Missing," has just returned to Los Angeles from Camp Lee, Virginia, where he has been in training during the last six months.

Negotiations are now under way to place Gordon in the leading role of one of Zane Grey's stories being filmed by the Great Authors Pictures, Inc., at the Brunton studios.

Another star with a studio all her own is Marg Wilson, former Ince-Triangle star, who has just been signed by E. P. Hermann, president of the Hermann Film company, to appear in a series of five productions for the coming year.

The Hermann company has taken over a studio in Hollywood, and Miss Wilson will immediately commence work on her first picture entitled "That Something" from the novel by W. W. Woodbridge.

So great has been the demand for Marguerite Clark's former successes that Paramount will reissue shortly one of her greatest screen productions, "The Goose Girl."

Seems Owen, who has been playing opposite William S. Hart in his recent Artcraft pictures, has been cast as his leading woman for his next production.

It's rumored that Nazimova is going into vaudeville, but Metro announces that she's to picture "The Brat," in which Maude Fulton scored a hit.

The dignity of the congressman at home fades when he is at Washington, where congressmen are so common that they receive not even passing notice. What Root called "invisible government" and what Wilson has referred to as "the insidious lobby" is depicted in a satirical manner in "A Texas Steer," which the Alcazar Players will present next week. Edward Everett Horton will have one of his best roles in this comedy.

Broadway, with Mabel Taliaferro in the role of Lovey Mary. The picture is said to preserve all of the charm of the Alice Hegan Rice story and its stage dramatization.

Majestic.
Tom Moore, who has so far developed that random quite overlooks the fact that once his claim to prominence rested on his marriage to Alice Joyce and relationship to Mary Pickford—a brother-in-law—is today's new Majestic theater headliner. Tom will be seen in "Go West, Young Man," a picture in which he dons the star and six-gun of a western sheriff, cleans out a town, and does other interesting and humorous things. Willard Mack wrote the story.

Pendleton Round-up pictures, a Harold Lloyd comedy, and Pathe News of world events are other subjects to be shown.

Star.
Lina Cavalieri, operatic beauty and wife of Muratore, the famous tenor, comes to the Star theater today in her new Paramount picture, "The Two Brides." Charles Chaplin, in the funniest "A Night at the Show," and Kinogram No. 7, showing the latest news from everywhere, are also included in the film entertainment.

Cavalieri has the role of the daughter of an Italian sculptor in "The Two Brides." An unsophisticated girl living on an island, she becomes involved in a love tangle with two men. The picture is said to be particularly beautiful scenically, with many dramatic incidents to hold the interest.

Sunset.
"The Midnight Patrol," the Thomas H. Ince melodrama of San Francisco's Chinatown, dramatizing the every-day life of the American detective, and surrounding him with a series of thrilling and spectacular events, will be shown at the Sunset theater commencing today.

"The Floorwalker," a popular Charlie Chaplin comedy, is another subject scheduled for the new programme.

At 10 o'clock this morning John A. Jennings will turn his theater over to the sunset division of the Y. M. C. A. boy's membership drive for the entertainment of prospective members.

Globe.
Pauline Frederick and Charlie Chaplin are co-stars on the new Globe film bill. Miss Frederick will be seen in "Bella Donna," her famous picture adapted from the popular Robert Hitchcock story of the Arabian desert, while Chaplin is scheduled for an appearance in "His New Job." The new bill opens today and continues until next Friday night.
