

CITIZENS RESPOND TO CALL OF ARMENIANS

300 Volunteer Workers Drive Through Rain for Funds.

ESTIMATED TOTAL \$12,000

School Pupils Send Letters With Contributions - Three Oregon Counties Complete Quotas.

Rain-driven Portland yesterday opened her purse for sword-driven Armenia. The contrariness of the elements served only to intensify the urgent need for funds that the babes and women of that ravished land must have if they are to win in their heretofore hopeless battle for existence.

A buoyancy of spirits marked the progress of the more than 300 volunteer workers as they combed the city on their errand of mercy. Secure in the knowledge that each additional cent procured might mean the saving of some famished little bit of humanity, they went about their merciful work with hearts attuned to the spirit of the cause, and when darkness had brought a cessation of efforts for the day, hope gave way to optimism and expectations bowed down to assured success among those who gathered at campaign headquarters at the Unitarian church.

\$12,000 Estimated Total. Not content to wait this afternoon will a complete check be made upon the amount of subscriptions received during the first two days of the drive. When called upon to submit reports yesterday, workers replied that they were too busy canvassing the city, but from numerous accounts which filtered into campaign headquarters, the leaders estimated the total subscription at \$12,000.

The work of the Kiwanis club "flying squadron," as well as the membership of the Kiwanis club, stood out yesterday as a testimonial of the generosity of Portland. When reports from only five of its 22 workers received up to noon yesterday, the "flying squadron" reported a total of \$7000.

St. Paul Man Volunteers. So moved was he by the soul-stirring appeal from Mrs. Lamson that a luncheon guest, business man from St. Paul, jumped to his feet and insisted upon taking a part in the local drive.

Campaign leaders expect good reports from the St. Paul solicitor, as he put his whole soul to the task as he was given the necessary credentials and started on his way for funds.

Three Counties Complete Quotas. Josephine County reported her full quota of \$1700 raised the second day of the drive.

Oregon City, with a complete quota of \$5000, has reported subscriptions of \$2600.

Astoria has raised \$2500 of her \$5000 quota.

School Children Respond. The "save-a-life" campaign in the public schools of Oregon already is reaping benefits in the way of subscriptions from little school youngsters who have been touched by the appeal.

FEEL MISERABLE FROM THAT COLD? Colds and Coughs Are Quickly Relieved by Dr. King's New Discovery.

Nobody should feel "perfectly miserable" from a cold, cough or bronchial attack for very long. For it takes only a little while to relieve it and get back on the road to recovery when Dr. King's New Discovery is faithfully used.

Make Your Bowels Behave. Make them function with gratifying precision. If regulation of the diet does not relieve their torpidity Dr. King's New Life Pills will. They are perfect bowel trainers, cleanse the system surely, comfortably. 25c.—Adv.

How You Can Quickly Remove Hairy Growth. (Aids to Beauty) A well-known beauty specialist advises this treatment for the removal of hair from the face. Mix into a paste some powdered delatone and water, apply to hairy surface and after about 2 minutes rub off, wash the skin and every trace of hair vanished. This method is quick and entirely safe. To avoid disappointment, however, it is well to make certain you get genuine delatone.—Adv.

let campaign speakers address pupils in every school of the city. The organization for a campaign to raise the funds to meet the desperate needs of Jewish sufferers from the war is now in progress. The national committee has set its needs at \$30,000,000 and the Portland community is determined that its quota shall be promptly forthcoming. A systematic canvass of the Jewish community will be made and no pains will be spared to raise the necessary amount.

In the backwash from war and the unsettled political and economic conditions in eastern Europe, the Levant and the near east, the bulk of the Jews have suffered indescribably. Hundreds of thousands have been left homeless, penniless, orphaned, widowed, crippled and stranded. To meet their needs a relief fund must be created that will be larger than any raised for this purpose in the past.

The object is to save from death by starvation and exposure the bulk of the Jews in the unsettled regions. No part of the fund is to be expended for propaganda for religious or social plans. The fund will be distributed by the established agencies of the Jewish

war relief bureau and will go to Russia, Poland, Galicia, Palestine, The Balkans and wherever there is a need for it. The executive committee is: Ben Selling, chairman; Adolphe Wolf, treasurer; Max S. Hirsch, secretary, 205 Burnside street; Edward Ehrman, C. F. Berg, A. Rosenstein, I. N. Fleischer, Nathan Strauss, Joseph Simon, Julius

Highway in Good Condition. HOOD RIVER, Or., March 4.—(Special.)—The Columbia river highway between here and Cascade Locks, according to motorists, is in far better shape than one might expect. "The road is very muddy in places," says W. L. Clark, who came up from Portland on a car Saturday, "but otherwise is in fair shape. It needs some dragging. As soon as the rainy season has ended the surface of the highway can be out

SAGE TEA TURNS GRAY HAIR DARK It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold. Don't bother to prepare the mixture; you can get this famous old recipe, improved by the addition of other ingredients, at a small cost all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair. Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell if it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv.
