ARE IN FAIR SHAPE

Conditions in France Are Reported as Favorable.

WEATHER IN ENGLAND GOOD

Acreage in Italy Reduced, but Plant Makes Satisfactory Growth-Outlook in Spain Is Bright.

Wheat crop prospects in Europe are, on the whole; good. In Russia and Roumanta, however, there has been no indication of In his weekly cabled crop review Broomhall says:

United Kingdom-Weather conditions are fairly good, but farm work is backward. Seedings, however, are considered generally favorable. It is officially reported that consumption of native wheat is now on a liberal scale.

Heavy rains have been experienced in this country recently. Wheat crop had a strong plant when the wintry weather set in and the present position of the crop can be considered satisfactory. General complaints about the difficulties of transportation have been noted, but in spite of this the mills appear to have a sufficient supply of grist and there is a steady supply of flour for

Roumania-Seed grain is wanted urgently. Reports regarding food supplies are varied. Supplies, however, are generally considered

rent prices are about 2s per quarter below

that figure.
North Africa—Seasonable weather, with good rain, is reported from Tunis, Russis—Latest information emphasizes the desperate straits of the people of the sorthern and central regions, where starvation is more or less general.

DEMAND FOR BARLEY IS STRONGER Three Hundred Tons Are Sold on Local Board at \$2 Advance.

There was a stronger demand for barley and also mere inquiry for eats in the local market yesterday. One hundred tons of March brewing barley were sold at the exchange at \$47 and 200 tons of April feed barley at \$40, both prices being \$2 better

there is a total of 495,000,000 bushels, versus 749,000,000 bushels last year, and hogs are 2,600,000 more on the government re-

INQUIRY FOR POTATOES IMPROVES Better Prices Are Quoted by Shippers. Heavy Movement in East.

The wire inquiry for potatoes is improv-ing slightly and buyers quote cash to growers for wagonloads at country points, \$1.01.15 for sacked Burbanks, with a few purchases of extra fancy at \$1.25. The local Jobbing market has not improved much. Most of the business was done at \$1.50 for the best stock, with poor to ordinary grade bringing \$1.25@1.35. Oregon potato shipments were three cars to Stockton and one

In the east, the heaviest shipments of the year were reported, the movement from Wisconsin and Minnesota being particularly heavy. Producing sections showed little activity, no noticeable price changes occur-ring. Northern sucked stock was weak in the Chicago carlot market, jobbing about steady at \$1.75 \tilde{x}1.90 in most other middle-western markets. Bulk New York stock de-clined to \$1.85 \tilde{x}2.10 in castern markets, and Maine Green Menutains also westerned

Cubes Sell Half Cent Lower Than Saturday. Print Trade Only Fair.

The cube butter market shows signs of weakening. Extras sold half a cent lower than Saturday at 61 cents. A few sellers asked 61% cents, but no sales at that of price were reported. Prints moved fairly well, but the demand was said not to be hers. Portland butter receipts on Sunday were reported by the bureau of markets a

COAST AND EASTERN DAIRS, PRODUCE Butter Market Conditions of Leading Distributing Policis.

tributing Pol-is.

Eastern and San Frantisco trade reports received by wire yesterday at the local office of bureau of markets:

San Francisco—Trading was fair today and prices generally unchanged, with the exception of a decline of 4c on 93-more butter. The tone of the market is slightly weaker and the maintenance of present prices is wholly dependent on the continuance of low receipts and outside demand, which has been heavy during the previous week. Because of favorable weather conditions at present, many dealers took for intention to keep stocks on \$3000 reduced to mislimum requirements is netfeed. Saturday's receipts amounted to 78,822 lbs.; 93-score, 500.

Chicaron-Very little trades took place.

Chicago-Very little traffic fook place today with some uncertainty shown by a few dealers, but generally a firm condition prevailed, with prices unchanged on the majority of accres. Orders remain good and fresh stocks continue to be reduced. Production is reported to be very light in the west. Fresh cars of centralized sold at 57 0 57 %c, and storage cars at 56 %c. The R.C. MEGARGEL & CO.

out-of-storage movement amounted to 80,858 pounds; 92-score, 58c.

New York—Heavy deliveries which were
anticipated Saturday, after a decline of 2c,
did not materialize today. Desiers reported
that their receipts today were only moderaite. There was active demand for the
finer grades and also some further reports
of export inquiry. Prices were advanced to,
which were easily sustained. It is reported
that the light deliveries are due mainly to
the freight congestion on the other side of

PROSPECT OF HIGHER WHEAT SENDS CHICAGO UP:

Market Closes Strong With Net Gains Ranging Up to 4 1/2 Cents. Oats Also Higher.

CHICAGO, March 10.—Authoritative sus-estion that wheat might command as high \$ 83.50 a bushel gave the corn market to-lay a foreible upturn. The close was strong

day a forcible upturn. The close was strong at 2%c to 4%c net allvance, with May \$1.35% to \$1.35% and July \$1.25% to \$1.25%. Oats gained % to 2c and provisions 50c to \$1.

Buying of corn took on immense proportions, chiefly as a result of a statement from Director-General Hoover of the interallied relief organization as to the price effects of greater European needs than had been expected. Bullish sentiment was powerfully stimulated also by announcement of the allied agreement to feed Germany. Oats were strengthened decidedly by the same influences that affected corn. Provisions jumped quickly to the maxi-WALL STREET IS BULLISH DEALINGS REACH LARGEST

CORN. May\$1.33 \$1.36% \$1.33 July 1.27% 1.30% 1.27% OATS. May 62 .64 .62 July 62% .63% .62% PORK. LARD. RIBS

swelling to the largest dimensions in several months.

At no time since the signing of the armietice has Wall street manifested such a degree of confidence and exuberance.

The great bulk of the day's operations occurred in the first two hours, later dealings being marked by caution and realizing which provoked variable recessions and a few her losses.

United States Steel and some of the standard rails yielded to a greater extent than Bibs-\$24.50@25.50

ard rails yielded to a greater extent than specialities and speculative shares as a whole.

In addition to United States Steel, a very Minneapolis Grain Market. MINNEAPOLIS, March 10.—Barley, 80@ 2c. Flax, \$8.68@3.70.

In addition to United States Steel, a very considerable proportion of the dealings comprised allied industrials and equipments, shippings, motors and their accessories, coppers, tobaccos and oils. Sales amounted to 1,250,000 chares. Bonds failed to keep pace with the rapid movement in atocks, the tone as a whole being irregular, both for domestic and for eigh lastics. Total sales, par value, aggregated \$11,250,000. Cid United States bonds unchanged on call. Grain at San Francisco. FRANCISCO, March 10.-Flour, SAN FRANCISCO, March 10.—Four-S11.50 per barrel. Safe Deposit Boxes Our fire and burglar-proof safe deposit vaults are

Liberty Bonds

the last word in vault construction. Keep your valuable papers in one of our Safe Deposit Boxes,

If you must sell your Liberty Bonds, sell to us. If you can buy more Liberty Bonds, buy from us. We buy and we sell Liberty Bonds at the market.

YOU CANNOT DO BETTER-YOU MAY DO WORSE

On Monday, March 10, we paid the following prices for United States Government Liberty Loan Bonds, which were the closing New York prices plus the accrued interest: 3168 1st 4s 4s 1st 4\forall s 2d 4\forall s 3d 4\forall s 4th 4\forall s 95.44 95.38 94.91 95.58 95.31 97.30 95.62 In purchasing Liberty Bonds we deduct from the above prices are on a \$50 Bond and \$2.50 on a \$1000 Bond.

In selling Liberty Bonds we charge the New York market price plus the accrued interest.
