FOR SALE—AUTOMOBILES.

DO IT NOW.

If you are in the market for a used car or have one to sell, come to us. We have scores of cars listed and the buyer gets the information he is after without a moment's delay. He is informed where he can find just what he is after in the way of a used car. He loses no time looking at something he doesn't want. If, by any chance, our lists do not contain the car he wants we do not try to sell him "something just as good."

When the seller places his car on our lists he gets action. With dozens of inquiries coming into our office any one of them may be the man who wants just your particular car. If so—PRESTO—the sale becomes easy.
