SALT LAKE, April 15 .- (Special.)-

SALT LAKE. April 15.—(Special.)—Sait Lake drew first blood today in the Beaver-Bee series when the home club downed the visitors, 7 to 5. The finish came in the tenth inning.

The game was full of errors, all of them costly. One in the tenth, when young Hensling made a muff of a popfly, was particularly costly to the Beavers, since it cost them the game. Walter Leverenz pitched shutout ball, not one of the six runs made by the winitors being charged to his pitching. He sent three of them across himself with a wild heave to first base in the second inning that cleared the bases of a full house. Red Oldham also was the victim of misplays, but he was outpitched, and if the game were to have been decided on pitching alone, the score would have been 4 to 8 in favor of the home players.

of the home players.

The Beavers looked like winners in the first inning when they put over three runs. The runs were due to the wild throw of Leverenz already mentioned, a boot by Krug and two scratch hits. Four hits off Oldham in Salt Lake's half of the first counted the locals three. The Beavers made their last two in the second on a double by Oldham and singles by Farmer and Walker. Thereafter only one Portlander sot to first base. lander got to first base.

in the fifth Sheeley knocked the ball over the fence with one on and in the ninth Sheeley's double sent Maggert in with the tying score. In the tenth Hensing's muff of Byler's fly put Butch on second. In the course of time he worse on Marger! Storie. accord on Maggert's single. Score
