in south Jemra-Do and Kei-lai-Do. The largest crowd consisted of 100 persons, but they were all dispersed without casualty.

People Decried Rebellious.
 "During the past few days many business houses in Seoul, owned by Koreans, have closed their doors on account of the menacing attitude of the rebellious people. Efforts of the authorities to secure the reopening of these stores have at length succeeded, although much difficulty was experienced at first, and almost all of the houses are now resuming business as usual.
 The authorities do not deny, however, that persistent efforts are still being made on the part of the rebels to induce innocent people to close their places of business, as a protest against Japanese institutions."
 Kyusik S. Kimm, representative of the revolutionary Korean government at the Paris peace conference, has been named premier of the Korean provisional government, organized in Manchuria, according to information received today by the Rev. David Lee, general manager of the Korean National Association here. Chang Peum Moon has been named secretary of communications, Rev. Mr. Lee advised.

Selection of the remaining members of the provisional Korean cabinet was announced here March 4.
 The Seoul Press, the semi-official Japanese organ, while declaring that the city is quiet, reports that at several interior places order has not been restored.

9 OF 68 JURORS QUALIFY

TAXPAYERS TO BE DRAWN FROM OUTSIDE OF CITY.

Portland Seeks to Condemn Property and Pay \$2600, While the Owner Demands \$4500.

Sixty-eight busy men were called from their occupations, \$445 of the county money was paid them for their services and seven deputy sheriffs were employed constantly in rounding up these citizens; the time of one juror, two bailiffs and a clerk was taken up all day, with the net result that nine of 12 jurors were selected for the trial of a small condemnation suit yesterday.

In the court of Circuit Judge Morrow the city of Portland, represented by Deputy City Attorney Tomlinson, was endeavoring to bring to issue a condemnation suit against the property of Luigi Buzell, who owns a lot 80 by 90 feet and a small house near the Marquam gulch. Attorneys Albert S. Ferrera and Joseph H. Page represented the defendant.

The defendant was asking \$4500 for his property; the city said it was worth not more than \$2600.

The list of 24 men on the original jury panel soon was exhausted and there remained the necessity of calling special venire, which soon brought in 44 more men.

The deputies are under orders today to attempt to get taxpayers from outside the city into Portland and serve on the jury, bringing in a special venire of at least 15 men. Nearly all the jurors who were challenged and dismissed for cause by the city were taxpayers.

RAIL PURCHASE IS PLANNED

MEDFORD SEEKS TO PURCHASE PACIFIC & EASTERN.

Line Now in Hands of Receiver May Be Bought at Cost of \$270,000—Drive Starts.

MEDFORD, Or., April 15.—(Special.)—At a mass-meeting Monday it was decided to launch a campaign here to raise \$20,000 to finance the Pacific & Eastern railroad, recently placed in a receiver's hands and its operation discontinued. Dewing Brothers Lumber company, at Butte Falls, has pledged \$20,000 provided this sum is duplicated by popular subscription.

Through Resolution W. F. Turner of Portland a purchase program has been outlined. This necessitates an initial payment of \$50,000, the remainder of the purchase price of \$270,000 to be taken in long-term bonds bearing 5 per cent interest. It is the intention of the citizens' committee to raise \$50,000 this week and then start the victory loan the first of next week, putting both over the top within two weeks.

According to figures assembled by local accountants the road will pay a profit above operation and fixed charges.

Industries in Medford have pledged themselves to subscribe the road with the \$20,000. It is believed the road will be operating again by June 1.

MAYOR OLE HANSON TALKS ON DOCTRINE OF BOLSHIEVISM.

Hope Expressed That Principles of Anarchy Prevalent in Europe May Not Get Foothold Here.

SAN FRANCISCO, April 15.—(Special.)—Mayor Ole Hanson of Seattle in a speech here tonight before a mass meeting in the civic auditorium. The meeting was called by friends of Mayor Hanson to hear his lecture on "Americanism Versus Bolshevism."

Referring to bolshevism, he said: "Now this doctrine, alluring to the ignorant, full of sweet promises and hope on the surface to mankind, has invaded many other countries of the world, and here in this land, dedicated to equality of opportunity, we find that a propaganda is being carefully spread, teaching the necessity of the overthrow of this government and the abolition of private property, of the overthrow of law and order and of the confiscation of honestly-earned and saved competencies and advocating the turning over the government to those who talk the loudest, promise the most and do the least."

Commenting on American citizenship, he said: "A man who will not leave his party for the good of his country should be forced to leave the country for the good of all parties."

He urged the government and state to do everything possible in the way of public work at this time.

BEND CHALLENGES BIG CITY

Wager Offered to Portland on Victory Loan Campaign.

BEND, Or., April 15.—(Special.)—Confident that Bend can show more "pep" than Portland in subscribing to the victory loan issue of Liberty bonds, H. J. Overturf, chairman of the city committee in charge of the drive which will start April 21, wired to John L. Etheridge, state director of organization, offering to wager Emery Olmstead, chairman of the Portland committee, that Bend will go over the top before Portland does. Mr. Overturf named a victory bond as the stake.

Application blanks to be filled out by those subscribing for victory bonds were received today by C. S. Hudson, county chairman, and in the neighbor-

hood of \$1000 was signed up for by volunteer subscribers this afternoon. This is in addition to \$1000 pledged last week.

Plans for the launching of a vigorous campaign within the city were discussed this noon by the Bend committee, and outside assistance was pledged by Mr. Hudson, in which it was announced that speakers from that city will arrive in the city tonight.

TRACTOR DRIVER IS KILLED

Woodburn Man Plunged to Ground When Machine Overturns.

WOODBURN, Or., April 15.—(Special.)—Daniel E. Hurt was caught under a tractor which overturned and crushed to death on the Mrs. John Johnston place, west of Woodburn, this morning. He was in the employ of F. J. Kinns and had started the tractor to plow. Coming to a big ditch, he attached a pole to the tractor. By mistake he chained the rear wheels instead of the front. When he began the ascent, the wheels locked and the tractor was thrown backward, pinning the driver to the ground.

Jack Johnston was the only witness to the accident. He immediately used his great strength and lifted the tractor slightly, but as no one was present to pull Mr. Hurt out, Mr. Johnston became exhausted and allowed the tractor to fall down upon the man, who had received his death blow when the machine first struck him.

Hurt, who was wounded in the head and chest and burned about the neck, remained conscious long enough to call for his wife, and then died. He was married last September to Mrs. Theresa Bierward. He was about 40 years of age.

CATHOLIC DRIVE PLANNED

Crusade to Raise \$100,000 for Sisters of Mercy Home Coming.

Plans for a \$100,000 drive to finance the purchase of the Virginia Hill hotel on Fourteenth street were launched at a meeting held last night in the newly acquired property and attended by more than 50 representative Catholic men and women of the city, Father E. V. O'Hara presiding.

The Sixteenth-street home conducted by the Sisters of Mercy for employed women and girls has long been inadequate. Larger and better accommodations were imperative. The Virginia Hill was purchased for \$100,000, which sum, it is agreed, is far less than the cost of a new building, hence the men and women interested in the drive are confident of success.

The colonels for the campaign are Mrs. J. C. Costello, Mrs. J. F. O'Brien, Mrs. Patrick Bacon and Mrs. F. L. Benedict. Under each of them there will be ten lieutenant-colonels and un-

der each of these ten captains, thus giving a working organization of 400. The committee desires to avoid conflict with the victory loan crusade and so will not put its drive on until May 20.

 VANCOUVER, Wash., April 15.—(Special.)—Albert Johnson, representative from this district, was a dinner guest of the Vancouver Commercial club tonight. Later in the evening he was guest of the local lodge of Elks. He gave an interesting address on the war, telling of his visit to Belgium with the congressional party.
