Solves Your Profit Tax Problems
HOLTON'S TAX FORMS ENABLE YOU TO PREPARE CORPORATION TAX RETURN SCHEDULES QUICKLY AND ACCURATELY
THIS AUTHORITATIVE WORK
1 Shows you the simplest way to analyze and classify cost of goods sold, gross income, Liberty Bond interest, expenses, depreciation, profit or loss, compensation, surplus accounts, adjustments of invested capital, intangible assets, inadmissible assets and tables for computing same;
2 Supplies you with the forms for Supplemental Schedules and Balance Sheets required by Government Official Form 1120, but which are not supplied by the Government.
3 Gives an accurate and ingenious formula for computing the Corporation Tax.

A Good Merchant Is A Public Benefactor
A GOOD MERCHANT, who buys wisely and sells truthfully is a blessing to a community—a public benefactor. No other kind of merchant can or does long survive. The truth pays. Most advertisers know this. Therefore, most advertising is truthful. All should be.
We would appreciate having our attention called to misleading advertising, that it may be corrected. The laws of the State of Oregon require that all advertising shall be truthful and worthy of your confidence.
