Wild Throws by Baker and Siglin With Other Appalling Incidents Let Visitors Win 4 to 1.

Pacific Coast League Standings. Los Angeles 19 4 181 Sacramento 9 11 420

Yesterday's Results. At Portland—Oakland 4, Portland 1 (ten innings).

Wild throws by Del Baker and Captain Paddy Siglin were the main causes of the catastrophe, although a couple of base knockers, a sacrifice, a passed ball and a base on balls and bad playing by Jack Farmer helped things along.

Guy Cooper pitched the entire matinee for Portland and deserved to win. He broke the strikeout record for the home lot by striking out ten batters by whiffing seven oaklets, and although he walked five, except in the eighth, when the visitors tied the score, and the fatal tenth, he was never in serious trouble.

Krause Loses Quickly.

Southpaw Harry Krause was chosen by Del Howard to give battle to our pet. He lasted until the third, when Eddie Bogart hit out an infield hit to Sammy Bohne and Grank Fuller laid one down which Roche could not reach.

Bogart drove Portland's lone tally across in the following inning with a single to right which registered a run, while Eddie Bogart also allowed two hits the remainder of the tussle.

With two mays and Bohne on second in the eighth Bill Stumpf showed his ability to deliver in the well-known pinch by smacking one betwixt Bogart and Siglin trying the score.

Now for the sand lot stuff. Hack Miller carried one off Siglin's shins. Bohne sacrificed. Jack Roche fled to blue and Stumpf walked. Both advanced a base on a passed ball and Miller crossed the man when Baker, while off balance, endeavored to toss Stumpf out at second, but threw the peller into centerfield. Stumpf had a good lead but could not hold it. He has been thrown out had not Farmer fooled the ball.

Cooper's Play Criticized.

Baker went there only one pulling the strong-arm trick. On Miller's comely paratively easy chance Siglin tried to throw the sphere over the right field bleachers. Stumpf scoring and Miller pulling up at the key to take a right hit one toward Bogart which took a bad hop, glancing off Eddie's glove.

Siglin, backing up the youthful Beaver, threw low to Baker who failed to gather to Cooper's allowing Miller to pass the rubber.

Pitcher Cooper did something on the next play which will not cause the rest of the Portland players to take any too kindly to him. The team looked bad at this stage and when Billy Lane grounded to him, Cooper, instead of tossing to Arty, took a long time to get side, ran over to first, making the put-out unassisted. It appeared as if he were playing to the grandstand.

Sammy Bohne's lack of speed on the bases. Miller made a great one-handed catch of Siglin's drive in the sixth. He squeezed the ball and saved a tally for, after Farmer went out a doubled.

ZBYSKO NEAR CHAMPIONSHIP

Polish Wrestler Has Only One Man to Overcome for Title.

CHICAGO, April 29.—Wladek Zbysko, the Polish wrestler, now has but one grapple to overcome in order to reach the championship. It was said today by followers of the sport. That one is Sergeant Earl Caddock of the American expeditionary forces, whose return from overseas is expected so soon that already there is talk of a match between the Pole and the soldier in July. Zbysko clinched his right to be Caddock's challenger by defeating Edward "Strangler" Lewis a second time in a match here last night, pronounced one of the most spectacular contests of the kind that has taken place in Chicago. The men wrestled two hours, 14 minutes and nine seconds, the end coming like a flash, with a side roll and body scissors, after a headlock—the seventh Lewis had secured during the match—had slipped. For the greater part of the wrestling time, Lewis was the aggressor, but could not pin his skillful antagonist to the mat.

NEW ENTRIES COME TO SWIMMING MEET

Crystal Pool, in Seattle, Will Send Seven.

W. H. BUCKLAND'S NAME IN

Holder of P. N. A. 50-Yard Backstroke Record Will Try for 100-Yard Indoor Title.

New entries continue to reach the hands of Jack Cody, swimming and diving at the Multnomah Amateur Athletic club, daily, for the Pacific Northwest Amateur Athletic association championship meet.

Among the latest well-known swimmers to enter are W. H. Buckland, P. N. A. outdoor record holder at 50-yard backstroke; John Kelly, former Cleveland Athletic club backstroke star; Jack Pobochanko, former Seattle star, and Roy O'Neil and Lambert Sternbergh of Seattle.

Buckland will swim under the colors of Multnomah club and is at present in Aberdeen, Wash. He will arrive in Portland Thursday afternoon and writes Cody that he is in great shape for the indoor championship meet. Buckland set a new P. N. A. 50-yard backstroke record at Victoria, B. C. last year and in doing so defeating George Cunha, one of the world's greatest all around swimmers. Buckland will try to set a new indoor record in the 100-yard backstroke event Saturday night. He will have plenty of competition to urge him on. Among the entries in the backstroke event are: Herb Calder, of Victoria, B. C.; John Kelly, M. A. A.; Roy O'Neil, of Seattle; and Jack Pobochanko, M. A. A. C. Every one of these men ranks as a top-notch swimmer.

The 50-yard breaststroke and the 50-yard free style events for women will both be feature events. Never before has the history of an indoor P. N. A. championship has there been such a brilliant array of women aquatic stars entered in these two events.

Alice McCraite, of Seattle, said to be a whiz of a fancy diver, will be one of those representing the Crystal Pool of Seattle. Miss McCraite has been training for over a month and will try to wrest first honors from Miss Thelma Payne, women's national diving champion, who will be one of those entered for the P. N. A. title.

The complete list of Seattle entries from the Crystal Pool are: Roy O'Neil, Lambert Sternbergh, Ray Dauters, Anna Mayhall, Beth Langley, Molly Langley and Alice McCraite.

Dr. K. G. H. Richardson, director of First Aid Bureau of the American Red Cross, was given unqualified support by the San Francisco clubs in his first class at swimming pools in that city.

George Lindsay, captain of the University of California varsity swimming team in 1918, is back in Berkeley after two years' service in France. Lindsay was the first California swimmer to enlist and is the only Bay City swimmer to earn a Cross. His cross was for bravery under fire.

HOW TO PLAY GOLF

IN playing the run-up the great thing is to see that you do not pass the blade of the club too much underneath the ball. All are familiar with the topped approach which runs on to come to rest near the hole. In this case the player has, quite accidentally, brought off a perfect run-up, for he has imparted to the ball that over-spin which, without being absolutely necessary, is nevertheless a great element in the success of the run-up strike.

This over-spin can be obtained deliberately by turning the right hand over the club head, so that the shaft is pointing towards the hole, with the toe of the blade towards the sides. The most essential thing is that the blade of the club must meet the ball without there having been any bending of the wrists. The stroke is really a push with the wrists and the stance you should employ for the run-up is still the open. The ball should be in line with the left heel and in addressing the ball—at least if you are using a mashie—the hands should be in advance of the club head, in order to reduce the loft of the club. If the club is to be used for a mashie, iron or any club with less loft than the mashie, there is not so much necessity for keeping the hands advanced.

CORVALLIS NINE WINNER PULLMAN DEFEATED BY SCORE OF 6 TO 4. Pitcher Hughes of Oregon Aggregation Holds Opponents Hitless Until Ninth Inning.

CORVALLIS, Or., April 29.—(Special.)—By smashing the offerings of Lewis all over the diamond while Hughes in turn held Pullman to a no-hit game until the ninth inning, the Oregon Agricultural college nine sent the Washington State college baseball team down to a 6-to-4 defeat Monday before one of the largest crowds ever on the college diamond. It was the first big game on the college grounds this year. The contest kept the fans on edge clear through. Festivities opened early in the game when the Aggies, led by Captain Lodell, found Lewis for three straight scores in the second half of the first. Washington State in turn, on Aggie errors, netted its initial run in the first of the second and grabbed two more in the fourth, making the score even. The Corvallis men in the third again hit Lewis for a brilliant string of singles, sending two more men across the plate, while Williams, by sending a screeching two-bagger deep into center, added one more in the next inning, making the score 6-3 for Corvallis. Billigan, in the fourth, expressed his brilliant work on the part of Hughes, and fine support on both teams, prevented further scoring until the first of the ninth, when Washington State hit Hughes' offering the only two times in the entire game. Pullman sent one man across on a scratch infield hit.

Coach Hargiss and Director Richardson tonight expressed themselves fully satisfied with the work of the team. Both teams will meet on the local diamond again tomorrow in the final game of the series. Score: Washington 4, Oregon 6.
