Wash., normal school, will be the principal
speaker at the meeting of the teachers
of Portland to be held at 2:30 o'clock
today at the Portland hotel. The meet-

ballot here May 10. All those present

mittee and a programme has been ar-
ranged for the occasion. Mrs. Alexander
Thompson will have a prominent
place on the programme as one of the
speakers of the meeting. The subject
of the proposed measure will be held.

SUNDAY HIKE PLANNED.—A half-day
hike for Sunday afternoon for friends
and members of the Miltonian club
has been announced by Mrs. Griffin
and Miss Helen Hermann, who will be
its leaders. Persons interested are re-

party expects to return to Portland by
6:30 o'clock.

He is a Portland boy and enlisted in

to see his former comrades, who left
Camp Upton yesterday for Camp Lewis,
via Portland.

MODIFIED DIVORCE DECREE ASKED.—A
motion to modify the decree awarded
in the divorce of George Johnson and
Ethel E. Johnson was filed in the cir-
cuit court by Mrs. Johnson yesterday
asking that the father not be per-
mitted to take the children away from
her home, being asked only the
privilege of visiting them. She as-
serts in an affidavit, supported by
statements of several witnesses, that
a visit of Mr. Johnson to her home on
April 25 so frightened their daughter
Gerardine that she fell in a faint, after
an alleged threat to take her away.

District Judge Bell yesterday. The pay-

havior. They are making \$6.72 a day
in the yards. Lee yesterday was arrested
on a charge of beating his father, but
the case was dismissed.

ANNULMENT IS ASKED.—Denying that
he had any knowledge of the previous
marriage of his wife, she has forced
her into a ceremony despite her ob-
jections. J. J. Glickman filed an answer
to the complaint of Lilla Glickman yester-
day. In this answer he prays that the
annulment of their marriage asked
by his wife be granted, as "only right
and proper."

PURCHASING AGENT PICKED
F. H. Fleming Chosen Over Protest
of County Commissioner.

F. H. Fleming, deputy county clerk,
and auditor of the Merchants National
bank at the time when Ralph W. Hoyt,
chairman of the board of county com-
missioners, was cashier, was named
county purchasing agent by commis-
sioners yesterday and Mack yesterday
to succeed C. A. Nelson. The change was

sioner Holman, who demanded an in-
vestigation of the department of
the county purchasing agent by the
district attorney and purchasing agents
of three railroads, before any action

Arrangements Made for Crowd When
Girl Slayer's Hearing Opens.

SEATTLE, Wash., May 2.—Arrange-
ments are being made to handle big
crowds at the murder trial of Miss Ruth
Garrison, which begins here Monday.
Miss Garrison recently confessed she
poisoned Mrs. Grace Storr because she
was a rival for the love of her hus-
band, D. M. Storr.
Crowds jammed the courtroom dur-
ing the preliminary hearings.

OIL SPREAD COSTS \$25.—E. C. Papa,
manager of the Willamette Iron &
Steel Works, was fined \$25 by Dis-
trict Judge Dayton yesterday after-
noon for "willfully casting oil into
waters of the State of Oregon, to wit,
the Willamette river." Complaint was
made by Deputy Game Warden E. H.
Clark that leakage from a ship at the
Willamette plant had resulted in a
large scum of oil on the river. Mr.
Papa showed that the offense was ac-
cidental and was prevented by his em-
ployees when discovered, but pleaded
guilty to a technical violation of the
fish and game laws forbidding spread-
ing of oil on the water.

"Carbon-Tonic" disguise for bootleg
whiskey, pleaded guilty to having liquor
in his possession before District Judge
Bell yesterday and was sentenced to
30 days in the county jail and a fine
of \$250. Falconer was arrested with \$5000
worth of whiskey which had been smug-
gled into the state in tin cartons
labeled "Carbon-Tonic." Joe Kovacs,
arrested with Falconer, refused to
plead guilty, demanding a jury trial.
He will come up for trial Monday in
the district court.

LIBERTY TEMPLE STAYS.—The Liberty
temple will remain on its present site
for the time being, according to Mayor
Baker yesterday, who said he was
anxious to give all the returning sol-
diers an opportunity of viewing the
building, which for the past two years
has been the center of all war activities
in Portland. "If we should be re-
quired to move the Temple because of
traffic needs, arrangements will be
made which will be satisfactory to all
of Portland's citizens," said the mayor.

HAIRDRESSER IS ARRESTED.—Police
yesterday arrested Violet Mullens, 28, a
hairstresser in the Bush Lane build-

LONG MARRIAGES IRKSOME
Newly-Weds Not Only Plaintiffs Who Seek Court Relief.
Three of the divorce suits filed in the circuit court yesterday were not of the recent crop of late, hasty marriages which have been occupying the courts. Annie Gregg, who married Charles Gregg in Vancouver, Wash., in 1892, filed suit for divorce yesterday, alleging that her husband deserted her in 1904. Olive Bradley desires a divorce from L. E. Bradley, whom she married in 1898, alleging cruel treatment. Nellie Ray declares that Alex Ray, whom she married in Spokane in 1896, deserted her in 1918. Jane Dabney asserts that Hubert Dabney, whom she married in San Francisco in December, 1917, was an enlisted man in the navy at the time. She asserts that he deserted from the navy, was caught and is now facing trial at San Pedro. She accuses him of cruelty and corresponding with other women.

School Election

(Advertisement by Citizen's Educational League, Clarence Eubanks, Secretary, 514 Journal Building, Portland.)

A MESSAGE TO EMPLOYERS FROM WAR CAMP COMMUNITY SERVICE
Every returning soldier and sailor should have a job. We unite with the U. S. Employment Service of the Department of Labor and the Churches of the country in the Nation-wide movement to observe May 4th as "Employment Sunday," and ask employers to list their openings with the U. S. Employment Service and its Bureaus for Returning Soldiers and Sailors.
All the organizations, public and private, that are helping get jobs for demobilized soldiers, sailors and war workers, center their work in the U. S. Employment Service and its bureau for soldiers and sailors.
The U. S. Employment Service registers all soldiers, sailors and war workers, while they are yet in the camp, on shipboard or in the factory.
We may have differences of opinion on many matters, but we are all agreed on this:
The responsibility of every American citizen today is to do everything possible to secure jobs for our returning fighting men.
The U. S. Employment Service has been officially designated as the organization through which we should all work.
Your part, Mr. Employer, is to list, and to keep listed, with the local bureaus for soldiers and sailors of the U. S. Employment Service, the jobs you have available for these men. There is no fee, no charge for this service.
Here are the addresses of the Portland Bureaus of the service:
