

MEN OF ENGINEER FORCES HERE TODAY

Entertainment Is Planned for Men Back From War.

CITY'S FREEDOM IS READY

Dance at Multnomah Hotel to Be Feature of Entertainment—Theaters to Be Free to Visitors.

Companies D, E and F, 18th engineers, who have to their credit nearly two years of overseas service, a longer period than that of any other Portland unit, will arrive today at 12 o'clock under the command of Major Kenneth B. Hauser, to remain for 12 hours of entertainment arranged for them by Portland relatives and friends before proceeding to Camp Lewis. The three companies include 425 men. Companies E and F are mostly Portland men and a majority of Seattle men are in company D.

The official reception committee, composed of Mayor George L. Baker, O. E. Overbeck, Charles F. Berg, J. P. Jaeger, Les M. Clark, S. Shirek, Captain Reed, Captain R. V. Hauser, Captain W. T. Farcy, C. F. Hartman and E. R. Rosenthal, as a special committee for company E, and M. Lewis, Alex. Donaldson, R. A. Stewart and George A. Sears, will meet the train at Troutdale this morning.

Announcements were made yesterday that the troops would arrive this afternoon at 2 o'clock, but in anticipation of the welcome they are to receive in Portland, a stop was cut out at Pocatello yesterday, which will allow the train to pull into the Union station two hours earlier. Colonel L. P. Campbell of the reception committee left Sunday evening for Huntington, Or., armed with a deluge of letters and messages, cigarettes and papers.

On the arrival of the troops at noon today they will parade to Liberty temple, where a welcoming address will be made by Mayor Baker, followed by a luncheon at the Portland hotel, under the direction of the United Auxiliaries Reception committee, which is providing the entire day's entertainment. During the afternoon hours they will be accorded the freedom of the moving picture houses and vaudeville shows, and automobile parties will be arranged for those who wish to see the Columbia highway. This evening the United Auxiliaries Reception committee will give them a dinner at the Multnomah hotel, to be followed by a dance in the ballroom of the hotel, to which all men in uniform are invited.

Mezzanine Floor for Dancing.
For the dance, which will be the main feature of the day's entertainment, Eric V. Hauser, owner of the Multnomah hotel and father of the officer in command of the three companies, has given over the entire mezzanine floor and there is an overflow will provide for dancing in the lobby, as his contribution to the success of the day.

The Daddies' club has announced that "Jazz Canyon" at the auditorium will be thrown open to the boys and they will be furnished with enough bogus coin to visit all the concessions. The Multnomah club will be open to all those who prefer to swim in the hot tub or to the dance or the auditorium entertainment.

Depot Admission by Ticket Only.
Admission to the station yard for friends and relatives will be made only by ticket which will be issued from Liberty temple. If the boys have not lunched when they arrive they will be entertained at luncheon at the Portland hotel as guests of the United Auxiliaries Reception committee, which is providing the entire entertainment for the day.

Third Oregon Men Coming.
A detachment of the remaining Oregon men in the 2d battalion of the old 3d Oregon (182d infantry), with the exception of Company H, left Camp Dix yesterday en route to Portland, and are expected to arrive Sunday or Monday of next week. They will be allowed a generous stopover here on their way to Camp Lewis and will be entertained by the reception committee.
